

# SPLINES

## *AVALON VANIS '23*

Splines are used in many Computer Aided Design (CAD) programs. We will explore why splines are such a useful tool both in design and for application in function approximation. We will then go through step-by-step the process of creating the equation for a spline using topics from Calculus I and introductory Linear Algebra.

**FEBRUARY 2ND AT 7 PM**

JOIN AT PARK 245 OR VIA ZOOM

Snacks at 6:30 PM in the Math Lounge before the talk begins!
