Welcome to Independence Blue Cross

Thank you for choosing Independence Blue Cross (Independence). Our goal is to provide you with health care coverage that can help you manage your health care needs. This Benefit Booklet will help you understand your Independence coverage so that you can take full advantage of your membership by becoming familiar with the benefits and services available to you.

You'll find valuable information on:

- How to select a primary care physician
- What services are and are not covered by your health insurance
- How decisions are made about what is covered
- How to use our member website, ibxpress.com
- How to get in touch with us if you have a problem

If you have any other questions, feel free to call Customer Service at 1-800-ASK-BLUE (TTY: 711) and we will be happy to assist you.

Again, thank you for being a member of Independence. We look forward to providing you with quality health care coverage.

Introduction to your health plan

What is a primary care physician?

You have a Keystone Health Plan East HMO, which means you must choose a primary care physician (PCP) who will coordinate the overall medical care for you and your covered dependents. Your PCP is the doctor that will treat you for your basic health care needs.

All network providers are required to provide coverage 24 hours a day, 7 days a week, either in office or by on-call/answering services. However, you may choose to use an alternative care setting such as an urgent care or retail health clinic.

Anytime you need to see a specialist, such as a cardiologist or dermatologist, your PCP will refer you to a specialist participating in the network. PCPs choose one radiology, physical therapy, and laboratory site to which they send their patients. If you need a service your PCP doesn't provide, like diagnostic testing or hospitalization, your PCP will refer you to an in-network facility.

How you choose or change your PCP

To select or change your PCP, search our provider network. Visit ibx.com/providerfinder where you can search by specialty (for example internal medicine or pediatrics), location, gender preference, and distance.

There are two ways to choose or change your PCP:

Online: To select or change your doctor, visit ibxpress.com, our simple, convenient, and secure member website. Click on the Change my Primary Care Physician link under My Provider Information of the My Care section.

Phone: Call 1-800-ASK-BLUE (TTY: 711) and one of our Customer Service associates will take your PCP selection over the phone.

Using your ID card

You and your covered dependents will each receive an Independence identification (ID) card. It is important to take your ID card with you wherever you go because it contains information like what to pay when visiting your doctor, specialist, or the emergency room (ER), and your PCP's contact information. You should present your ID card when you receive care, including doctor visits or when checking in at the ER.

The back of your ID card provides information about medical services, what to do in an emergency situation, and how to use your benefits.

If any information on your ID cards is incorrect, you misplace an ID card, or need to print out a temporary ID card, you may do so through ibxpress.com, our member website.

IBX Wire

When you receive your ID card, call the toll-free number on the sticker affixed to the card to confirm receipt. You will also be given the option to sign up for IBX Wire, a free messaging service. IBX Wire is an easy way for you to receive timely and helpful communications on your smartphone. If you choose to opt in, you will have access to a private message board and will receive text messages that communicate helpful, relevant information about your health plan, maximizing your benefits, and wellness programs.

Locating a network physician or hospital

You have access to our expansive provider network of physicians, specialists, and hospitals. You may search our provider network by going to ibx.com/providerfinder. Provider and facility profiles include interactive location maps and details on specialties, staff languages spoken, patients accepted, and more. You may also call 1-800-ASK-BLUE (TTY: 711) and a customer services associate will help you locate a provider.

Rights and responsibilities

To obtain a list of Rights and Responsibilities, log onto www.ibx.com/members/quality_management/member_rights.html, or call the Customer Service telephone number on the back of your member ID Card.

How to receive care

Scheduling an appointment

Simply call your doctor's office and request an appointment. If possible, call network providers 24 hours in advance if you are unable to make it to a scheduled appointment.

Referrals

You are required to get a referral from your PCP for specialty services. All referrals are done electronically, so you can get the care you need as quickly and conveniently as possible. You won't need a referral for OB/GYN care, mammograms, mental health, or routine eye care. You may also check the status of your referral by logging on to ibxpress.com or on your iPhone or Android through the IBX App.

Services that require preapproval before receiving care

As a Keystone Health Plan East member, certain in-network services and all out-of-network services require preapproval prior to receiving care to ensure that the service you seek is medically necessary. Since your care is provided by your PCP, all necessary preapprovals will be obtained for you by your PCP. It is important to understand that preapproval is not the same as the process for receiving referrals from your PCP.

Ways to save on care

Using your preventive care benefits

Quality care and prevention are vital to your long-term health and well-being. That's why we cover 100 percent of certain preventive services, offering them without a copayment, coinsurance, or deductible if received from your PCP or other in-network provider.

Covered preventive services include, but are not limited to:

- Screenings for:
 - breast, cervical, and colon cancer
 - vitamin deficiencies during pregnancy
 - diabetes
 - high cholesterol
 - high blood pressure
- Routine vaccinations for children, adolescents, and adults as determined by the CDC (Centers for Disease Control and Prevention)
- Women's preventive health services, such as:
 - well-woman visits (annually)
 - screening for gestational diabetes
 - human papillomavirus (HPV) DNA testing
 - counseling for sexually transmitted infections
 - counseling and screening for human immunodeficiency virus (HIV)
 - screening and counseling for interpersonal and domestic violence
 - breastfeeding support, supplies (breast pumps), and counseling
 - generic formulary contraceptives, certain brand formulary contraceptives, and FDA-approved over-the-counter female contraceptives with a prescription

Be sure to consult with your PCP for preventive services and/or screenings.

Wellness Guidelines

Your health and wellness are important. That's why we provide you with these nationally recommended tests and screenings to help you and your family stay healthy. We encourage you to take the time to review these guidelines and discuss them with your health care provider. Some of these services may require cost-sharing.* Additional resources along with tips to stay healthy and safe and topics to discuss with your health care provider are included.

To download our Wellness Guidelines, log on to ibxpress.com and click on the Health & Wellness Programs tab. Then click on Healthy Living, and then on Wellness Guidelines. You can also request a hard copy of the Wellness Guidelines by calling 1-800-ASK-BLUE (TTY: 711).

*The Wellness Guidelines are a summary of recommendations based on the U.S. Preventive Services Task Force and other nationally recognized sources. These recommendations have been reviewed by our network health care providers. This information is not a statement of benefits. Please refer to your health benefit plan contract/member handbook or benefits handbook for terms, limitations, or exclusions of your health benefits plan.

Emergency care

In the event of an emergency, go immediately to the emergency room of the nearest hospital. If you believe your situation is particularly severe, call 911 for assistance.

A medical emergency is typically thought of as a medical or psychiatric condition in which symptoms are so severe, that the absence of immediate medical attention could place one's health in serious jeopardy. Most times, a hospital emergency room is not the most appropriate place for you to be treated.

Hospital emergency rooms provide emergency care and must prioritize patients' needs. The most seriously hurt or ill patients are treated first. If you are not in that category, you could wait a long time.

Urgent Care

Urgent care is necessary treatment for a non-life-threatening, unexpected illness or accidental injury that requires prompt medical attention when your doctor is unavailable. Examples include sore throat, fever, sinus infection, ear ache, cuts, rashes, sprains, and broken bones.

You may visit an urgent care center which offers a convenient, safe, and affordable treatment alternative to emergency room care when you can't get an appointment with your own doctor.

Retail health clinic

Retail health clinics are another alternative when you can't get an appointment with your own doctor for non-emergency care. Retail health clinics use certified nurse practitioners who treat minor, uncomplicated illness or injury. Some retail health clinics may also offer flu shots and vaccinations.

Not sure what facility to use? Go to ibx.com/findcarenow to help you decide where to go for care.

You're covered while traveling

You can travel with the peace of mind knowing that Blue goes with you wherever you go. If you need medical care when you are away from home, you should follow these guidelines:

- In a true emergency, go to the nearest ER.
- In an urgent care situation, find a provider in the area. Call 1-800-810-BLUE (TTY: 711) to find an in-network provider in the area. You may also visit an urgent care center for medical issues if an in-network provider is unavailable and if you do not require the medical services of an emergency room.
- Prior to visiting a physician's office, it will be necessary for you to obtain a preapproval.

Guest membership

Guest membership is a temporary courtesy enrollment in another HMO (Host) plan that enables members who are living away from home to receive a comprehensive range of medical benefits, including routine and preventive services. A Guest Member remains an Independence member, pays premiums to Independence, but is also enrolled to receive benefits of the host plan while in their service area.

Keystone Health Plan East subscribers may be eligible to be on a Guest Membership for up to a 12 month period (6 months followed by 6 months upon approval of a renewal request). Dependents may be eligible to be on a Guest Membership for a period of up to 12 months without a renewal request. Members who are eligible to participate must also meet the following criteria:

Know where to go for care

ibx.com/findcarenow

Out of the area and need care?

Call 1-800-810-BLUE (TTY: 711) to find an in-network provider in the area.

- Long-term traveler – available to qualified HMO subscribers and dependents that are away from home for at least 90 consecutive days (3 months), but not more than 180 days (6 months) or group renewal date.
- Families apart – available to qualified dependents of the subscriber that do not reside in our service area for 90 or more consecutive days.
- Students – available to qualified dependents of the subscribers that are out of our service area for 90 or more consecutive days attending school.

**Register on
ibxpress.com to access
your benefits online.**

The Student Guest Membership is available to qualified dependents of the subscriber that are out of the Home Plan area for 90 or more consecutive days attending school. To qualify for a Student Guest Membership, the dependent must not be residing with the subscriber and must be residing in the service area of another participating Plan. The Student Guest Membership is typically used for students during the period while they are away at school. When the student returns to the Home Plan service area for the summer, he or she should contact Independence to terminate the Guest Membership. A new Guest Membership can be requested when the student returns to school. Student Guest Members that seek care in a third Plan service area (out of the Home Plan area and out of the Host Plan area) should be referred back to the Home Plan. A member can have only one Guest Membership at a time. There is no administrative time limit on the length of a Student Guest Membership.

Receiving services for mental health, alcohol, or substance abuse treatment

If you require outpatient or inpatient mental health or substance abuse services, a written referral from your PCP is not necessary. Magellan Behavioral Health administers your Keystone Health Plan East mental health and substance abuse benefits and can be reached by calling 1-800-ASK-BLUE (TTY: 711). Refer to the terms and conditions of your group health plan to find out if you have coverage for mental health and substance abuse benefits.

Online tools to help make informed health care decisions

The ibxpress.com website also provides you with tools and resources to help you make informed health care decisions:

- **Doctor and Hospital Finder** help you find the participating doctors and hospitals that are equipped to handle your needs. Simple navigation helps you get fast and accurate results. Plus, when you select your health plan type your results are customized based on your network,

making it easy to locate a participating doctor, specialist, hospital, or other medical facility. You'll even be able to read patient ratings and reviews and rate your doctors and write your own reviews.

- **Health Navigator** allows members to match medical symptoms with relevant assessments and appropriate treatments. The tool can help you decide on the best place to seek care such as at your doctor's office, an urgent care center, retail clinic or emergency room.
- **Well-being Profile** is an easy-to-use health survey that only takes 15 minutes to complete. It gives you a snapshot of your current health and health history, lifestyle habits, overall well-being, and risk factors. Based on your answers, it gives you a private and personalized report detailing what you are doing well, suggested areas of improvement, and recommended focus areas.
- **Health Trackers** allow you to chart your health progress over time. Keep a record of your weight, physical activity, blood pressure, labs, screenings and more.
- **Personal Health Record** helps you store, maintain, track, and manage your health information in one centralized and secure location. Your Personal Health Record is updated once we process claims received from participating providers.
- **Achieve Well-being** online tools and resources help you achieve what important to you in a way that's simple, easy, and fun. Here's how it works:
 - Complete the Well-being Profile.
 - Start a program.
 - Develop your action plan to get fit, eat right, sleep better, manage stress, or achieve your own health goal.
 - Sync your devices to track your progress.
 - Stay motivated with tokens and badges for achievements.
 - Look for reminders, encouraging emails, and text messages.

Using your prescription drug benefits

Find out how to fill prescriptions

Independence Blue Cross Prescription Drug Program

Your prescription drug benefit program, administered by FutureScripts[®], an independent company, provides many advantages to help you easily and safely obtain the prescription drugs you need at an affordable cost.

Take a look at the advantages:

- **Easy to use.** A national network of retail pharmacies will recognize and accept your member identification (ID) card.
- **Low out-of-pocket expenses.** When you use a participating pharmacy, your out-of-pocket costs are based on a discounted price, fixed copayments, or coinsurance.
- **No paperwork.** You don't have to file a claim form or wait for reimbursement when you use a participating pharmacy.
- **High level of safety.** When you fill a prescription at a participating pharmacy, your pharmacy can identify harmful drug interactions and other dangers by viewing your drug history.
- **Mail order.** If you take maintenance drugs for an ongoing or chronic condition, you may be able get your prescriptions delivered to your home through mail order. Mail order purchases allow you to get a larger supply of drugs than what might be available to you at the retail pharmacy. And, depending upon your plan design, your out-of-pocket expenses may be lower and you won't have to visit the pharmacy as often.

How to fill your prescription at a retail pharmacy

Present your ID card and your prescription at a FutureScripts participating pharmacy for your plan. The pharmacist will confirm your eligibility for benefits and determine your share of the cost of your prescription. Your doctor may also electronically submit your prescription to your pharmacy.

Participating pharmacies

A pharmacy is considered participating if it is in the FutureScripts pharmacy network for your plan. If your plan includes the FutureScripts Preferred pharmacy network, a smaller version of the full FutureScripts pharmacy network, Walgreens and Rite Aid are not participating pharmacies.

The FutureScripts network is a large national network of retail pharmacies. When you're traveling, you will find that most of the pharmacies in all 50 states accept your ID card and can fill your prescription for the same cost you pay at home, if you use a participating pharmacy.

There is no need to select just one pharmacy to fill your prescription needs.

To locate a participating pharmacy, visit ibxpress.com or call the number on your ID card.

Find a pharmacy

Visit ibxpress.com
or call the number on your
ID card.

Non-participating pharmacies

If your prescription is filled at a pharmacy that does not participate in the network for your plan, you will have to pay the pharmacy's regular charge right at the counter. Then, depending on your plan design, you may submit a prescription reimbursement claim form for partial reimbursement to the address noted on the form. Your reimbursement check should arrive within 14 days from the day your claim form is received.

Keep in mind that your plan sponsor selected Independence Blue Cross (Independence) and/or its subsidiaries based in part on the discounted drug prices that FutureScripts has negotiated. When you use a non-participating pharmacy that has not agreed to charge a discounted price, it costs your plan more money; part of that cost is passed on to you.

Understanding your prescription

A brand drug is manufactured by only one company, which advertises and sells its product under a special trade name. In many cases, brand drugs are quite expensive, which is why your share of the cost is higher. Generic drugs are typically manufactured by several companies and are almost always less expensive than the brand drug. Generic drugs are approved by the U.S. Food and Drug Administration (FDA) to ensure they are as safe and effective as their brand counterparts. However, not every brand drug has a generic version.

We provide our members with comprehensive prescription drug coverage. The drug formulary includes generic drugs and a defined list of brand drugs that have been evaluated for their medical effectiveness, positive results, and value. The formulary is reviewed regularly to ensure its continued effectiveness.

To check the formulary status of drugs, simply log onto ibxpress.com.

In addition to the drug formulary, you will also find helpful information on these related topics:

- Prior authorization process
- Formulary exception process
- Age and quantity level limits

If you're not sure if brand or generic drugs are right for you, talk to your doctor. The pharmacist may, on occasion, discuss with your physician whether an alternative drug might be appropriate for you. Let your physician know if you have a question about a change in prescription or if you prefer the original prescription. Your physician makes the final decision on the necessity of you getting a brand drug.

Certain controlled substances and other prescribed medications may be subject to dispensing limitations. If you have any questions regarding your medication, please call the Pharmacy Benefits number on the back of your ID card.

Preventive drugs for adults and children

Your prescription drug plan include 100-percent coverage for some preventive medications when received from an in-network pharmacy. This means that you won't have to pay copays, coinsurance, or deductibles for certain preventive medications with a prescription from your doctor. Receiving this preventive care will help you stay healthy and may improve your overall health.

For a list of preventive drugs eligible for 100-percent coverage please go to ibx.com or call the phone number on the back of your ID card.

If you have any questions about your prescription drug plan, call the pharmacy benefits number on the back of your ID card.

Brand vs. Generic

Generic drugs are as effective as brand drugs and could save you money. However, consult your doctor to find out which drug type is best for you.

Mail order pharmacy

If your doctor has prescribed a medication that you'll need to take regularly over a long period of time, the mail-order service is an excellent way to get a long-lasting supply and, depending on your plan, reduce your out-of-pocket costs.

Mail order is convenient and safe to use

If you choose mail order, your doctor can prescribe a supply that will last up to 90 days. This means that you can get three times as many doses of your maintenance medication at one time through mail order.

Mail order prescriptions have been safely handled through the mail for many years. When your order is received, a team of registered, licensed pharmacists checks your prescription against the record of all drugs dispensed to you by a FutureScripts network pharmacy. This process ensures that every prescription is reviewed for safety and accuracy before it is mailed to you.

If there are questions about your prescription, a pharmacist will contact your doctor before your medication is dispensed. Your medication will be sent to your home within fourteen days from the date your legible and complete order is received.

There may be times when you need a prescription right away. On these occasions, you should have your prescription filled at a local participating pharmacy. If you need medication immediately, but you will be taking it on an ongoing basis, ask your doctor to write two separate prescriptions: you can have the first prescription filled locally for an initial 30-day supply of your medication, and you can send the second prescription to FutureScripts for a 90-day supply provided through the mail.

How to begin using mail order pharmacy:

1. When you are prescribed a chronic or "maintenance" drug therapy, ask your doctor to write the prescription for a 90-day supply, plus refills. Make sure your doctor knows that you have a mail-order service so that you get one 90-day prescription and not three 30-day prescriptions, because the cost of the three 30-day prescriptions may be more than the cost for one 90-day prescription. If you're taking medication now, ask your doctor for a new prescription.
2. Complete the FutureScripts Mail Service Order Form with your first order only. Forms and envelopes are available by calling the number on your ID card, or you can download the form from www.ibxpress.com.
3. Be sure to answer all the questions, and include your member ID number. An incomplete form can cause a delay in processing. Send the completed Mail Service Order Form, your original 90-day prescription, and your payment instructions to FutureScripts.
4. Your mail order request will be processed and your medication sent to you within 14 days from the day FutureScripts receives your order, along with instructions for future refills. Standard shipping is via U.S. Mail and is free of charge. Narcotic substances and refrigerated medicines will be shipped by FedEx® at no additional charge. Your order will be shipped to the address you provided on the form.

How can my doctor order a prescription for me?

Doctors may call our toll-free number to prescribe your medication(s). Doctors may submit prescriptions via fax or electronically using ePrescribing. In addition to the prescription information your doctor must provide member ID number, patient name and patient date of birth. Note: To be legally valid, the fax must originate from the physician's office. All state laws apply.

On-line services

Log on to ibxpress.com and click on Manage My Prescription Drugs to take advantage of convenient features, such as:

- Network pharmacy search
 - Formulary search
 - Claims information
 - Mail-order refill requests
-

You will be dispensed the lower-priced generic drug (if manufactured) unless your doctor writes “brand medically necessary” or “dispense as written” on your prescription, or you indicate that you do not want the generic version of your brand drug on the Mail Service Order Form. A Mail Service Order Form will be included with each mail order delivery.

Paying for mail order services

Your payment can be a check or money order (made payable to FutureScripts), or you can complete the credit card portion of the Mail Service Order Form. FutureScripts accepts Visa, MasterCard®, Discover®, and American Express®. Please do not send cash. If you are uncertain of your payment, call the number on your ID card. If the payment you enclose is incorrect, you will be sent either a reimbursement check or an invoice, as appropriate.

Mail order refills

You can manage your prescriptions, order refills, and pay for your refills online through ibxpress.com. You may also review the formulary status of a drug and search for a network pharmacy online.

When you receive a medication through the mail order service, you will also receive a notice showing the number of refills allowed by your doctor. To avoid the risk of being without your medication, mail the refill notice and your payment two weeks before you expect your present supply to run out. You can also manage and order your refills over the phone using the pharmacy benefits number on the back of your ID card.

The refill notice will include the date when you should reorder and the number of refills you have left. Remember, most prescriptions are valid for a maximum of one year. Please note: PRN (take as needed) refills in the Commonwealth of Pennsylvania are limited to five times or six months, whichever is less.

If you have any questions concerning this program, please contact FutureScripts using the phone number on the back of your ID card.

Self-administered Specialty Drug Coverage

Self-injectables and other oral specialty drugs that can be administered by you, the patient, or by a caregiver outside of the doctor’s office are generally covered under your prescription drug benefits administered by FutureScripts. Filling your prescription for a specialty drug via the FutureScripts specialty pharmacy, BriovaRx, can save you money and provide you with support by a pharmacist very experienced with specialty medications and their side-effects.

The administration of a self-injectable drug by a medical professional is covered under your IBC medical benefit, even if you obtained the self-injectable through the FutureScripts specialty pharmacy. However, the drug itself will be covered under your prescription drug benefit. The self-injectable drugs that are covered under your medical plans include drugs that:

- are required by law to be covered under both medical benefits and pharmacy benefits (for example, insulin);
- are required for emergency treatment, such as self-injectables that counteract allergic reactions.

An independent pharmacy benefits management (PBM) company, FutureScripts, administers our prescription drug benefits and is responsible for providing a network of participating pharmacies and processing pharmacy claims. The PBM also negotiates price discounts with pharmaceutical manufacturers and provides drug utilization and quality reviews. Price discounts may include rebates from a drug manufacturer based on the volume purchased. Independence Blue Cross anticipates that it will pass on a high percentage of the expected rebates it receives from its PBM through reductions in the overall cost of pharmacy benefits. Under most benefit plans, prescription drugs are subject to a member copayment.

Independence Blue Cross is an independent licensee of the Blue Cross and Blue Shield Association.

INTRODUCTION

Welcome to the Health Benefits Plan established by the Group and administered by Keystone Health Plan East, Inc..Keystone has entered into an arrangement with the Group to provide claims administration services and to make its Provider networks available for this Program.

This Benefit Booklet is a description of the terms, conditions and procedures required to be followed in order to receive the benefits and Covered Services to which the Member is entitled. Covered Services are described in the **Description Of Covered Services** section of this Benefit Booklet. Benefits, exclusions and Limitations appear in the **Exclusions – What Is Not Covered** and the **Schedule Of Covered Services** section of this Benefit Booklet.

If changes are made to this program, the Member will be notified. Changes will apply to benefits for services received on or after the effective date unless otherwise required by applicable law.

The effective date is the *later* of:

- The effective date of the change;
- The Member's Effective Date of coverage; or
- The Administrative Services Only Agreement anniversary date coinciding with or next following that service's effective date.

Please read this Benefit Booklet thoroughly and keep it handy. It will answer most questions regarding the Claims Administrator's procedures and services. **If Members have any questions, they should contact their Plan Administrator or call the Customer Service Department ("Customer Service") at the telephone number shown on the Members Identification Card ("ID Card").**

Any rights of a Member to receive benefits under the Administrative Services Only Agreement and Benefit Booklet are personal to the Member and may not be assigned in whole or in part to any person, Provider or entity, nor may benefits be transferred, either before or after Covered Services are rendered. However, a Member can assign benefit payments to the custodial parent of a Dependent covered under the Administrative Services Only Agreement and Benefit Booklet, as required by law.

See **Important Notices** section for updated language and coverage changes that may affect this Benefit Booklet.

Your Costs

Benefit Period	Calendar Year (1/1 – 12/31)
Out-of Pocket Maximum	
Per Member	\$6,350
Per Family	\$12,700
<p>The Out-of-Pocket Maximum is the maximum dollar amount that a Member pays for Covered Services in each Benefit Period. The Out-of-Pocket Maximum includes Copayments, Coinsurance, and Deductible amounts, if applicable, for Essential Health Benefits. It does not include any amounts above the Allowed Amount for a specific Provider, or the amount for any services not covered under this Benefit Booklet.</p> <p>If you have met the Out-of-Pocket Maximum in this Benefit Period and your Provider continues to ask for cost sharing, please contact Customer Service.</p> <p>This maximum includes Copayments required under the Vision benefit, if made a part of the Program.</p>	
Lifetime Benefit Maximum	Unlimited

SCHEDULE OF COVERED SERVICES

The Member is entitled to benefits for the Covered Services described in their Benefit Booklet, subject to any Coinsurance, Copayment or Limitations described below.

If the Participating Provider's usual fee for a Covered Service is less than the Coinsurance or Copayment shown in this schedule, the Member is only responsible to pay the Participating Provider's usual fee. The Participating Provider is required to remit any Coinsurance or Copayment overpayment directly to the Member. Contact Customer Service at the phone number on the Member ID Card with any questions regarding this.

The Member's Primary Care Physician or Specialist must obtain Preapproval from the Claims Administrator to confirm this Program's coverage for certain Covered Services. If the Member's Primary Care Physician or Specialist provides a Covered Service or Referral without obtaining the Claims Administrator's Preapproval, the Member is not responsible for payment for that Covered Service. The Member can access a complete list of services that require Preapproval, by logging onto [www.ibx.com/My Benefits Information](http://www.ibx.com/MyBenefitsInformation) tab, or by calling Customer Service at the phone number listed on the Member ID Card to have the list mailed to them.

DESCRIPTION OF COVERED SERVICES

Subject to the Exclusions, conditions and Limitations of this program, the Member is entitled to benefits for the Covered Services described in this **Description of Covered Services** section. The Member may be responsible for applicable cost sharing or there may be limits on services as specified in the **Schedule of Covered Services** section of the Benefit Booklet. Additional benefits may be provided by the Group through the addition of a Rider. If applicable, this benefit information is also included with this Benefit Booklet. Please take time to read this **Description of Covered Services** and the **Schedule of Covered Services**, and use them as references whenever services are required.

Most Covered Services are provided or arranged by the Member's Primary Care Physician. In the event there is no Participating Provider to provide the specialty or subspecialty services that the Member needs, a Referral to a Non-Participating Provider will be arranged by the Member's Primary Care Physician, with approval by the Claims Administrator. See **Access to Primary, Specialist, And Hospital Care** in the **General Information** section for procedures for obtaining Preapproval for use of a Non-Participating Provider.

Some Covered Services must be Preapproved before the Member can receive the services. The Primary Care Physician or Referred Specialist must seek the Claims Administrator's approval and confirm that coverage is provided for certain services. Preapproval of services is a vital program feature that reviews Medical Necessity of certain procedures and/or admissions. In certain cases, Preapproval helps determine whether a different treatment may be available that is equally effective yet less traumatic. Preapproval also helps determine the most appropriate setting for certain services.

If a Primary Care Physician or Referred Specialist provides Covered Services or Referrals without obtaining such Preapproval, the Member will not be responsible for payment. To access a complete list of services that require Preapproval, log onto www.ibx.com, or the Member can call Customer Service at the phone number listed on the Member's ID Card to have the list mailed to the Member.

If the Member should have questions about any information in this Benefit Booklet or need assistance at any time, please feel free to contact Customer Service by calling the telephone number shown on the Member's ID Card.

PRIMARY AND PREVENTIVE CARE

The Member is entitled to benefits for Primary and Preventive Care Covered Services when:

- The Member's Primary Care Physician (PCP) either provides or arranges for these Covered Services, as noted.
- The Member's Primary Care Physician (PCP) provides a Referral, when one is required, to a Participating Professional Provider when their condition requires a Specialist's Services.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Claims Administrator.
- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Claims Administrator about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

Self-Referrals are excluded, except for Emergency Services or if covered by a Rider. The only time the Member can self-refer is for Emergency Services.

Note: Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

"**Preventive Care**" services generally describe health care services performed to catch the early warning signs of health problems. These services are performed when the Member has no symptoms of disease.

"**Primary Care**" services generally describe health care services performed to treat an illness or injury.

The Claims Administrator reviews the ***Schedule of Covered Services***, at certain times.

Reviews are based on recommendations from organizations such as:

- The American Academy of Pediatrics;
- The American College of Physicians;
- The U.S. Preventive Services Task Force; and
- The American Cancer Society.

Accordingly, the frequency and eligibility of Covered Services are subject to change. A list of Preventive Care Covered Services can be found in the Preventive Schedule document. A complete listing of recommendations and guidelines can be found at <https://www.healthcare.gov/preventive-care-benefits/>.

The Claims Administrator reserves the right to modify the Preventive Schedule document at any time.

Allergy Injections

Benefits are provided for allergy extracts and allergy injections.

Hearing Screening for Diagnostic Purposes

Immunizations

The Claims Administrator will provide coverage for the following:

- Pediatric Immunizations;
- Adult Immunizations; and
- The agents used for the Immunizations.

All immunizations and the agents must conform to the standards of the *Advisory Committee on Immunization Practices (ACIP) of the Center for Disease Control, U.S. Department of Health and Human Services*.

Pediatric and adult Immunization schedules may be found in the Preventive Schedule document.

Nutrition Counseling for Weight Management

The Claims Administrator will provide coverage for nutrition counseling visits or sessions for the purpose of weight management. However, they need to be performed and billed by any of the following Providers, in an office setting:

- By the Member's Physician;
- By a Referred Specialist; or
- By a Registered Dietitian (RD).

This benefit is in addition to any other nutrition counseling Covered Services described in this Benefit Booklet. The Member does not need a Referral from their Primary Care Physician to obtain services for Nutrition Counseling for Weight Management.

Osteoporosis Screening (Bone Mineral Density Testing or BMDT)

The Claims Administrator will provide coverage for Bone Mineral Density Testing (BMDT) in accordance with the Preventive Schedule document. The method used needs to be one that is approved by the U.S. Food and Drug Administration. This test determines the amount of mineral in a specific area of the bone. It is used to measure bone strength, which depends on both bone density and bone quality. Bone quality refers to architecture, turnover and mineralization of bone.

The BMDT must be prescribed by a Professional Provider legally authorized to prescribe such items under law.

Preventive Care - Adult

Adult Preventive Care includes routine physical examinations, including a complete medical history, and other Covered Services, in accordance with the Preventive Schedule document attached to the Contract.

Preventive Care - Pediatric

Pediatric Preventive Care includes routine physical examinations, including a complete medical history, and other Covered Services, in accordance with the Preventive Schedule document attached to the Contract.

Primary Care Physician Office Visits/Retail Clinics

The Claims Administrator will provide coverage for Medical Care visits, by a Primary Care Physician, for any of the following services:

- The examination of an illness or injury;
- The diagnosis of an illness or injury;
- The treatment of an illness or injury;

For the purpose of this benefit, "Office Visits" include:

- Medical Care visits to a Primary Care Physician's office;
- Medical Care visits to a Member's residence;
- Medical Care consultations on an Outpatient basis;
- Medical Care visits to the Member's Primary Care Physician's office, during and after regular office hours; or
- Emergency visits and visits to a Member's residence, if within the Service Area.

In addition to Office Visits a Member may receive Medical Care at a Retail Clinic. Retail Clinics are staffed by certified family nurse practitioners, who are trained to diagnose, treat, and write Prescriptions when clinically appropriate. Nurse practitioners are supported by a local Physician who is on-call during clinic hours to provide guidance and direction when necessary.

Examples of treatment and services that are provided at a Retail Clinic include, but are not limited to:

- Sore throat;
- Ear, eye, or sinus infection;
- Allergies;
- Minor burns;
- Skin infections or rashes; and
- Pregnancy testing.

Smoking Cessation

Smoking cessation includes clinical preventive services rated "A" or "B" in the current recommendations of the United States Preventive Services Task Force (USPSTF) as described under the Preventive Services provision of the Patient Protection and Affordable Care Act.

Women's Preventive Care

Women's Preventive Care includes coverage for an initial physical examination for pregnant women to confirm pregnancy, screening for gestational diabetes, and other Covered Services, in accordance with the Preventive Schedule document.

Covered Services and Supplies include, but are not limited to, the following:

- Routine Gynecological Exam, Pap Smear. Female Members are covered for one (1) routine gynecological exam each Benefit Period. This includes the following:
 - A pelvic exam and clinical breast exam; and
 - Routine Pap smears.

These must be done in accordance with the recommendations of the *American College of Obstetricians and Gynecologists*.

Female Members have direct access to care by a participating obstetrician or gynecologist. This means the Member does not need a referral, from the Member's Primary Care Physician, to receive this care.

- Mammograms. Coverage will be provided for screening mammograms without Referral. The Claims Administrator will only provide benefits for mammography if the following applies:
 - It is performed by a qualified mammography service Provider.
 - It is performed by a Participating Provider who is properly certified by the appropriate state or federal agency.
 - That certification is done in accordance with the Mammography Quality Assurance Act of 1992.
- Breastfeeding comprehensive support and counseling from trained providers; access to breastfeeding supplies, including coverage for rental of hospital-grade breastfeeding pumps under DME with Medical Necessity review; and coverage for lactation support and counseling provided during postpartum hospitalization, Mother's Option visits, and obstetrician or pediatrician visits for pregnant and nursing women at no cost share to the Member when provided by a Participating Provider.
- Contraception: Food and Drug Administration-approved contraceptive methods, including contraceptive devices, injectable contraceptives, IUDs and implants; sterilization procedures, and patient education and counseling, not including abortifacient drugs, at no cost share to the Member when provided by a Participating Provider. Contraception drugs and devices are covered under this Program unless otherwise covered under the Prescription Drug benefit issued with this Program.

If a female Member's Physician determines that they require more than one well-women visit annually to obtain all recommended preventive services (based on the women's health status, health needs and other risk factors), the additional visit(s) will be provided without cost-sharing.

INPATIENT SERVICES

Unless otherwise specified in this Benefit Booklet, services for Inpatient Care are Covered Services when they are:

- Deemed Medically Necessary;
- Provided or Referred by the Member's Primary Care Physician; and
- Preapproved by the Claims Administrator.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Claims Administrator.
- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Claims Administrator about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from Member's Primary Care Physician.

Self-Referrals are excluded, except for Emergency Services or if covered by a Rider. The only time the Member can self-refer is for Emergency Services.

Note: Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

PLEASE NOTE: ALL INPATIENT STAYS MUST BE PREAPPROVED BY THE CLAIMS ADMINISTRATOR AT LEAST FIVE WORKING DAYS BEFORE ADMISSION, EXCEPT FOR AN EMERGENCY ADMISSION.

Diabetic Equipment and Supplies

Benefits are provided for equipment and supplies which include:

- Glucose monitors;
- Monitor supplies;
- Insulin;
- Injection aids;
- Syringes;
- Insulin infusion devices;
- Pharmacological agents for controlling blood Sugar; and
- Orthotics.

Hospital Services

Benefits are provided for unlimited days in a Hospital.

Rehabilitation Therapy Services may be subject to Limitations.

These limitations, if applicable, are shown on the ***Schedule of Covered Services***.

Unless otherwise included in this Benefit Booklet, the following inpatient Hospital services are Covered Hospital Services:

- Semi-private room and board (other accommodations if Medically Necessary);
- General nursing care;
- Prescription Drugs, medications, and biologicals; (the Claims Administrator reserves the right to apply quantity level limits as conveyed by the FDA or the Claims Administrator's Pharmacy and Therapeutics Committee for certain Prescription Drugs);
- Use of operating room and related services;
- Use of intensive care or cardiac units and related services;
- Oxygen services;
- Administration of whole blood and blood plasma;
- Other Medically Necessary supplies and equipment;
- Diagnostic Laboratory and X-ray.
- Anesthesia services when performed in connection with Covered Services; and
- Benefits are provided for Physician Care for Covered Services received during a Preapproved inpatient admission.

Prosthetic Devices

Surgically implanted Prosthetic Devices (except dental prostheses). For benefits related to Mastectomy Care, see Surgical Services.

Skilled Nursing Facility

The Claims Administrator will provide coverage for a Participating Skilled Nursing Care Facility:

- When Medically Necessary as determined by this Claims Administrator
- When the Member require treatment by skilled nursing personnel which can be provided:
 - Only on an Inpatient basis
 - Only in a Skilled Nursing Care Facility
- As long as the services are not considered Custodial or Domiciliary Care. Benefits are limited to semi-private accommodations (or an allowance equal to this rate which may be applied to private accommodations)

During the Member's admission, members of the Claims Administrator's Care Management and Coordination team are monitoring the Member's stay.

They do this to:

- Assure that a plan for the Member's discharge is in place; and
- Make sure that the Member has a smooth transition from the facility to home or other setting.
- A case manager will work closely with the Member's Primary Care Physician, or the Referred Specialist to help with the Member's discharge. If necessary, they will arrange for other medical services, as well.

Should the Member's Primary Care Physician, or Referred Specialist, agree with the Claims Administrator that continued stay in a Skilled Nursing Facility is no longer required:

- The Member will be notified in writing of this decision.
- Should the Member decide to remain in the facility after its notification, the facility has the right to bill the Member after the date of the notification.
- The Member may appeal this decision through the Grievance appeal process.

Therapy Services

- Cardiac Rehabilitation Therapy
- Chemotherapy
The treatment of malignant disease by chemical or biological antineoplastic agents used to kill or slow the growth of cancerous cells. The cost of these drugs/biologics is covered, provided if it meets all of the criteria listed below:
 - The Drugs/biologics are approved by the U.S. Food and Drug Administration (FDA) as antineoplastic agents.
 - The FDA- approved indication is based on reliable evidence demonstrating positive effect on health outcomes and/or the indication is supported by the established referenced Compendia identified in the Company's policies.
 - Drugs/biologics are eligible for coverage when they are injected or infused into the body by a Professional Provider.

Note: If this Program does not provide coverage for prescription drugs, oral antineoplastic agents are covered as provided under the benefits described above.

- Dialysis
Dialysis services are covered until the Member becomes eligible for Medicare coverage of Dialysis.
- Pulmonary Rehabilitation Services
Benefits are limited to treatment received during a covered inpatient admission.
- Radiation Therapy
Radiation Therapy services when provided during a covered inpatient admission.

- Rehabilitation Therapy Services
Inpatient rehabilitation therapy provided by a Hospital, a Skilled Nursing Facility, or a Rehabilitation Hospital. Covered therapies include: Occupational; Physical; Hand; Lymphedema; and Speech. Covered Services are subject to the determination that significant improvement can be expected and include:
 - All therapeutic exercise, testing and soft tissue mobilization;

 - The Member’s attending Primary Care Physician or Referred Specialist certifies that the Member has a terminal illness, with a medical prognosis of six months or less.
 - The Member elects to receive care primarily to relieve pain.
- The goal of care and what is included: Hospice Care provides services to make the Member as comfortable and pain-free as possible. This is primarily comfort care, and it includes:
 - Pain relief;
 - Physical care;
 - Counseling; and
 - Other services, that would help the Member cope with a terminal illness, rather than cure it.
- What happens to the treatment of the Member’s illness: When the Member elects to receive Hospice Care:
 - Benefits for treatment provided to cure the terminal illness are no longer provided.
 - The Member can also change their mind and elect to not receive Hospice Care anymore.
- How long Hospice care continues: Benefits for Covered Hospice Services shall be provided until whichever occurs first:
 - The Member’s discharge from Hospice Care; or
 - The Member’s death.
- Respite Care for the Caregiver: If the Member were to receive Hospice Care primarily in the home, the Member’s primary caregiver may need to be relieved, for a short period. In such a case, the Claims Administrator will provide coverage for the Member to receive the same kind of care in the following way:
 - On a short-term basis;
 - As an Inpatient; and
 - In a Medicare certified Skilled Nursing Facility.

This can only be arranged when the Hospice considers such care necessary to relieve primary caregivers in the Member’s home.

 - Surgical removal of impacted teeth which are partially or completely covered by bone;
 - Surgical treatment of cysts, infections, and tumors performed on the structures of the mouth; and
 - Surgical removal of teeth prior to cardiac Surgery, Radiation Therapy or organ transplantation.

To the extent that the Member has available dental coverage, the Claims Administrator reserves the right to seek recovery from the Provider.

The Claims Administrator has the right to decide which facts are needed. The Claims Administrator may, without consent of or notice to any person, release to or obtain from any other organization or person any information, with respect to any person, which the Claims Administrator deems necessary for such purposes. Any person claiming benefits under this

Program shall furnish to the Claims Administrator such information as may be necessary to implement this provision.

▪ Second Surgical Opinion (Voluntary)

The Claims Administrator will provide coverage for consultations for Surgery to determine the Medical Necessity of an elective surgical procedure.

- “Elective Surgery” is that Surgery which is not of an Emergency or life threatening nature.
- Such Covered Services must be performed and billed by a Referred Specialist other than the one who initially recommended performing the Surgery.

Transplant Services

When the Member is the recipient of transplanted human organs, marrow, or tissues, benefits are provided for all Covered Services. Covered Services for Inpatient and Outpatient Care related to the transplant include procedures which are generally accepted as not Experimental/Investigational Services by medical organizations of national reputation. These organizations are recognized by the Claims Administrator, as applicable, as having special expertise in the area of medical practice involving transplant procedures. Benefits are also provided for those services which are directly and specifically related to the Member's covered transplant. This includes services for the examination of such transplanted organs, marrow, or tissue and the processing of blood provided to the Member.

The determination of Medical Necessity for transplants will take into account the proposed procedure's suitability for the potential recipient and the availability of an appropriate facility for performing the procedure.

Eligibility for Covered Services related to human organ, bone and tissue transplant are as follows.

If a human organ or tissue transplant is provided by a donor to a human transplant recipient:

- When both the recipient and the donor are Members, the payment of their respective medical expenses shall be covered by their respective benefit programs.
- When only the recipient is a Member, and the donor has no available coverage or source for funding, benefits provided to the donor will be charged against the recipient's coverage under the Benefit Booklet. However, donor benefits are limited to only those not provided or available to the donor from any other source. This includes, but is not limited to, other insurance coverage or any government program.
- When only the recipient is a Member and the donor has available coverage or a source for funding, the donor must use such coverage or source for funding as no benefits are provided to the donor under the Benefit Booklet.
- When only the donor is a Member, the donor is entitled to the benefits of the Benefit Booklet for all related donor expenses, subject to following additional limitations:
 - The benefits are limited to only those benefits not provided or available to the donor from any other source of funding or coverage in accordance with the terms of the Benefit Booklet; and
 - No benefits will be provided to the non-Member transplant recipient.

- If any organ or tissue is sold rather than donated to the Member recipient, no benefits will be payable for the purchase price of such organ or tissue; however, other costs related to evaluation and procurement are covered. Benefits for a covered transplant procedure shall include coverage for the medical expenses of a live donor to the extent that those medical expenses are not covered by another program. Covered Services of a donor include:
 - Removal of the organ;
 - Preparatory pathologic and medical examinations; and
 - Post-surgical care

OUTPATIENT SERVICES

Unless otherwise specified in this Benefit Booklet, Services for Outpatient Care are Covered Services when:

- Deemed Medically Necessary;
- Provided or Referred by the Member's Primary Care Physician; and
- Preapproved by the Claims Administrator.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Claims Administrator.
- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Claims Administrator about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

Self-Referrals are excluded, except for Emergency Services or if covered by a Rider. The only time the Member can self-refer is for Emergency Services.

Note: Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

Acupuncture

The Health Benefit Plan will provide coverage for Acupuncture up to the limits specified in the ***Schedule of Covered Services*** for all Covered Services.

Ambulance Services

The Claims Administrator will provide coverage for Emergency ambulance services. However, these services need to be:

- Medically Necessary as determined by the Claims Administrator; and
- Used for transportation in a specially designed and equipped vehicle that is used only to transport the sick or injured and only when the following applies:
 - The vehicle is licensed as an ambulance, where required by applicable law;
 - The ambulance transport is appropriate for the Member's clinical condition;
 - The use of any other method of transportation, such as taxi, private car, wheel-chair van or other type of private or public vehicle transport would endanger the Member's health or be inappropriate for the Member's medical condition; and,
 - The ambulance transport satisfies the destination and other requirements as stated under Regarding Emergency Ambulance transport or Regarding Non-Emergency Ambulance transports provisions below.

Benefits are payable for air or sea ambulance transportation only if the Member's condition, and the distance to the nearest facility able to treat the Member's condition, justify the use of an alternative to land transport.

- Regarding Emergency Ambulance transport: The ambulance must be transporting the Member:
 - From the Member's home, or the scene of an accident or Medical Emergency;
 - To the nearest Hospital, or other Emergency Care Facility, that can provide the Medically Necessary Covered Services for the Member's condition.
- Regarding Non-Emergency Ambulance transport:
 - Non-emergency air or ground facility to facility transport may be covered when Medically Necessary as determined by the Claims Administrator (e.g. sending facility does not have the required services to effectively treat the Member, such as trauma or burn care).
 - Non-emergency air or ground transport may be covered to transport the Member back to a Participating Facility Provider in the Member's Service Area as determined by the Claims Administrator, when:
 - The transfer is Medically Necessary (as determined by the Claims Administrator's definition of Medical Necessity); and
 - The Member's medical condition requires uninterrupted care and attendance by qualified medical staff during transport by ground ambulance, or by air transport when transfer cannot be safely provided by land ambulance.

- Non-emergency ambulance transports are not provided for family members or companions, or for the convenience of the Member, the family, or the Provider treating the Member.

Autism Spectrum Disorders (ASD)

The Claims Administrator will provide coverage for the diagnostic assessment and treatment of Autism Spectrum Disorders (ASD) for the Members under 21 years of age when provided or Referred by the Primary Care Physician for the development of an ASD Treatment Plan. Benefits are subject to the ASD Annual Benefit Maximum listed in the Member's **Schedule of Covered Services**. All Medically Necessary care available for the treatment of ASD will be accrued against the ASD Annual Benefit Maximum. Treatment of Autism Spectrum Disorders must be:

- Prescribed, ordered or provided by a Participating Professional Provider, including the Member's Primary Care Physician, Referred Specialist, licensed Physician Assistant, licensed Psychologist, Licensed Clinical Social Worker or Certified Registered Nurse practitioner;
- Provided by an Autism Service Provider, including a Behavior Specialist; or

 - Medications; and
 - Any assessment, evaluation or test to determine the need or effectiveness of such medications.

If this Program provides benefits for Outpatient Prescription Drugs through this Program or under a Freestanding Prescription Drug agreement issued by an affiliate of Keystone, the ASD medications may be purchased at a pharmacy, subject to the cost-sharing arrangement applicable under a Prescription Drug benefit.

If this Program does not provide coverage for Outpatient Prescription Drugs through this Program or under a Freestanding Prescription Drug agreement issued by an affiliate of Keystone, ASD medications may be purchased at a retail pharmacy, and are covered at the cost sharing stated in the Member's **Schedule of Covered Services** subject to the ASD Annual Benefit Maximum. In order to receive reimbursement, the Member must submit a completed claim form to the address listed on the form. The Member can access a claim form at the Claims Administrator website or the Member can call Customer Service at the phone number listed on the ID Card to have one mailed to them.

- Psychiatric Care – Direct or consultative services provided by a Physician specializing in psychiatry who is a Participating Professional Provider.
- Psychological Care – Direct or consultative services provided by a Psychologist who is a Participating Professional Provider.
- Rehabilitative Care – Professional services and treatment programs, including applied behavioral analysis, provided by an Autism Service Provider to produce socially significant improvements in human behavior or to prevent loss of attained skill or function.
- Therapeutic Care – Services provided by a speech language pathologist, occupational therapist or Physical Therapist who is a Participating Professional Provider.

An ASD Treatment Plan shall be developed by a licensed Physician or licensed Psychologist who is a Participating Professional Provider pursuant to a comprehensive evaluation or reevaluation performed in a manner consistent with the most recent clinical report or recommendations of the American Academy of Pediatrics. The ASD Treatment Plan may be reviewed by the Claims Administrator once every six months. A more or less frequent review can be agreed upon by the Claims Administrator and the licensed physician or licensed Psychologist developing the ASD Treatment Plan.

A diagnostic assessment is defined as Medically Necessary assessments, evaluations or tests performed by a Participating Professional Provider to diagnose whether an individual has an Autism Spectrum Disorder. Results of the diagnostic assessment shall be valid for a period of not less than 12 months, unless a licensed physician or licensed Psychologist determines an earlier assessment is necessary.

Upon full or partial denial of coverage for any Autism Spectrum Disorders benefits, a Member shall be entitled to file an appeal. The appeal process will:

- Provide internal review followed by independent external review; and,
- Have levels, expedited and standard appeal time frames, and other terms established by the Claims Administrator consistent with applicable Pennsylvania and federal law.

Appeal filing procedures will be described in notices denying any Autism Spectrum Disorders benefits. Full appeal process descriptions will be provided after a new appeal is initiated and can also be obtained at any time by contacting Customer Service.

Colorectal Cancer Screening

The Claims Administrator will provide coverage for colorectal cancer screening for Symptomatic Members, Nonsymptomatic Members over age 50, and Nonsymptomatic Members under age 50 who are at high risk or increased risk for colorectal cancer. Coverage for colorectal cancer screening must be in accordance with the current American Cancer Society guidelines, and consistent with approved medical standards and practices.  - Due to breakage: When the Durable Medical Equipment is broken due to significant damage, defect, or wear, the Claims Administrator will provide repair or replacement only if the equipment's warranty has expired and it has exceeded its reasonable useful life as determined by the Claims Administrator.

Breakage under warranty: If the Durable Medical Equipment breaks while it is under warranty, replacement and repair is subject to the terms of the warranty. Contacts with the manufacturer or other responsible party to obtain replacement or repairs based on the warranty are the responsibility of:

- The Claims Administrator in the case of rented equipment; and
- The Member, in the case of purchased equipment.

Breakage during reasonable useful lifetime: The Claims Administrator will not be responsible if the Durable Medical Equipment breaks during its reasonable useful lifetime for any reason not covered by warranty. For example, the Claims Administrator will not provide benefits for repairs and replacements needed because the equipment was abused or misplaced.

Cost to repair vs. cost to replace: The Claims Administrator will provide benefits to repair Durable Medical Equipment when the cost to repair is less than the cost to replace it. For purposes of replacement or repair of Durable Medical Equipment:

- Replacement means the removal and substitution of Durable Medical Equipment or one of its components necessary for proper functioning.
- A repair is a restoration of the Durable Medical Equipment or one of its components to correct problems due to wear or damage or defect.

Home Health Care

- Covered Services: The Claims Administrator will provide coverage for the following services when performed by a licensed Home Health Care Provider:
 - Professional services of appropriately licensed and certified individuals
 - Intermittent Skilled Nursing Care
 - Physical Therapy
 - Speech Therapy
 - Well mother/well baby care following release from an Inpatient maternity stay; and
 - Care within 48 hours following release from an Inpatient Admission when the discharge occurs within 48 hours following a mastectomy
- Regarding well mother/well baby care: With respect to well mother/well baby care following early release from an inpatient maternity stay, Home Health Care services must be provided within 48 hours if:
 - Discharge occurs earlier than 48 hours of a vaginal delivery; or
 - Discharge occurs earlier than 96 hours of a cesarean delivery.
 No cost sharing shall apply to these benefits when they are provided after an early discharge from the Inpatient maternity stay.
- Regarding other medical services and supplies: Benefits are also provided for certain other medical services and supplies, when provided along with a primary service. Such other services and supplies include:

- Occupational Therapy
- Medical social services
- Home health aides in conjunction with skilled services and other services which may be approved by the Claims Administrator.
- Regarding Medical Necessity: Home Health Care benefits will be provided only when prescribed by the Member's attending Physician, in a written Plan of Treatment and approved by the Claims Administrator as Medically Necessary.
- Regarding the issue of being confined: There is no requirement that the Member be previously confined in a Hospital or Skilled Nursing Facility prior to receiving Home Health Care.
- Regarding being Homebound: With the exception of Home Health Care provided to a Member, immediately following an Inpatient release for maternity care, the Member must be Homebound in order to be eligible to receive Home Health Care benefits by a Home Health Care Provider.

Injectable Medications

The Claims Administrator will provide coverage for injectable medications required in the treatment of an injury or illness when administered by a Participating Professional Provider.

- Specialty Drugs
 - Refers to a medication that meets certain criteria including, but not limited to:
 - The drug is used in the treatment of a rare, complex, or chronic disease;
 - A high level of involvement is required by a healthcare Provider to administer the drug;
 - Complex storage and/or shipping requirements are necessary to maintain the drug's stability;
 - The drug requires comprehensive patient monitoring and education by a healthcare Provider regarding safety, side effects, and compliance; and
 - Access to the drug may be limited.

To obtain a list of Specialty Drugs please logon to www.ibx.com or call the Customer Service telephone number shown on the Member's ID Card.

Preapproval is required for those Specialty Drugs noted in the Preapproval list.

- Standard Injectable Drugs
 - Refers to a medication that is either injectable or infusible, but is not defined by the Health Benefit Plan to be a Self-Administered Prescription Drug or a Specialty Drug. These include, but are not limited to:
 - Allergy injections and extractions; and
 - Injectable medications such as antibiotics and steroid injections that are administered by a Participating Professional Provider.
- Self-Administered Prescription Drugs
 - Are generally not covered except as covered under a Prescription Drug benefit.
 - For more information on Self-Administered Prescription Drugs please refer to the ***Exclusions – What Is Not Covered*** section and the description of "Insulin and Oral Agents" coverage in the ***Description of Covered Services*** section.

Insulin and Oral Agents

The Claims Administrator will provide coverage for Insulin and oral agents to control blood sugar when Prescribed by the Member's Primary Care Physician or Referred Specialist. Generically equivalent pharmaceuticals will be dispensed whenever applicable.

Laboratory and Pathology Tests

Medical Foods and Nutritional Formulas

- The Claims Administrator will provide coverage for Medical Foods when provided for the therapeutic treatment of inherited errors of metabolism (IEMs) such as:
 - Phenylketonuria;
 - Branched-chain ketonuria;
 - Galactosemia; and
 - Homocystinuria.Coverage is provided when administered on an Outpatient basis either orally or through a tube.
- The Claims Administrator will provide coverage for Nutritional Formulas when the Nutritional Formula is taken orally or through a tube by an infant or child suffering from Severe Systemic Protein Allergy, food protein-induced enterocolitis syndrome, eosinophilic disorders, or short-bowel syndrome that do not respond to treatment with standard milk or soy protein formulas and casein hydrolyzed formulas.
- The Claims Administrator will provide coverage for Medical Foods and Nutritional Formulas when provided through a Participating Durable Medical Equipment Supplier or in connection with Infusion Therapy as provided for in this Program.

An estimated basal caloric requirement for Medical Foods and Nutritional Formula is not required for those with IEMs, or for when administered through a tube.

Methadone Treatment

- Provision and supervision of methadone hydrochloride in prescribed doses for the treatment of opioid dependency.

Non-Surgical Dental Services

The Claims Administrator will provide coverage only for:

- The initial treatment of Accidental Injury/trauma, (That is, fractured facial bones and fractured jaws), in order to restore proper function.

Restoration of proper function includes the dental services required for the initial restoration or replacement of Sound Natural Teeth, required for the initial treatment for the Accidental Injury/trauma. This includes:

- The first caps;
 - Crowns;
 - Bridges; and
 - Dentures (but not dental implants).
- The preparation of the jaws and gums required for initial replacement of Sound Natural Teeth.

Orthotics (Devices Used for Support of Bones and Joints)

The Claims Administrator will provide coverage for:

- The first purchase and fitting: This is the initial purchase and fitting (per medical episode) of orthotic devices which are Medically Necessary as determined by the Claims Administrator. This does *not* include foot orthotics, *unless* the Member requires foot orthotics as a result of diabetes.
- Replacements due to growth: The replacement of covered orthotics for Dependent children when required due to natural growth.

Note: Foot orthotics, ordered and covered as a result of diabetes, must be purchased through a Participating Durable Medical Equipment Provider.

Podiatric Care

The Claims Administrator will provide coverage for:

- Capsular or surgical treatment of bunions
- Ingrown toenail Surgery; and
- Other non-routine Medically Necessary foot care.

In addition, for Members with peripheral vascular and/or peripheral neuropathic diseases, including but not limited to diabetes, routine foot care services are covered.

The Claims Administrator provides benefits for the Member's Covered Drugs Or Supplies as described below:

Private Duty Nursing Services

Benefits will be provided as specified in the ***Schedule of Covered Services*** for Outpatient services for Private Duty Nursing performed by a Licensed Registered Nurse (RN) or a Licensed Practical Nurse (LPN) when ordered by a Physician. All nursing services must be Medically Necessary as determined by the Claims Administrator.

Prosthetic Devices

The Claims Administrator will provide coverage for Prosthetic Devices required as a result of illness or injury. Benefits include but are not limited to:

- The purchase and fitting, and the necessary adjustments and repairs, of Prosthetic Devices and supplies (except dental prostheses);
- Supplies and replacement of parts necessary for the proper functioning of the Prosthetic Device;
- Visual Prosthetics when Medically Necessary and Prescribed for one of the following conditions:
 - Initial contact lenses Prescribed for the treatment of infantile glaucoma;
 - Initial pinhole glasses Prescribed for use after Surgery for detached retina;
 - Initial corneal or scleral lenses Prescribed in connection with the treatment of keratoconus or to reduce a corneal irregularity (other than astigmatism);
 - Initial scleral lenses Prescribed to retain moisture in cases where normal tearing is not present or adequate; and
 - An initial pair of basic eyeglasses when Prescribed to perform the function of a human lens lost (aphakia) as a result of Accidental Injury, Trauma, or Ocular Surgery.

The “Repair and Replacement” paragraphs set forth below do not apply to this item.

The Claims Administrator will provide coverage for the replacement of a previously approved Prosthetic Device with an equivalent Prosthetic Device when:

- There is a significant change in the Member's condition that requires a replacement;
- The Prosthetic Device breaks because it is defective;
- The Prosthetic Device breaks because it has exceeded its life duration as determined by the manufacturer; or
- The Prosthetic Device needs to be replaced for a Dependent child due to the normal growth process when Medically Necessary.

The Claims Administrator will provide coverage for the repair of a Prosthetic Device when the cost to repair is less than the cost to replace it. Repair means the restoration of the Prosthetic Device or one of its components to correct problems due to wear or damage. Replacement means the removal and substitution of the Prosthetic Device or one of its components necessary for proper functioning.

If an item breaks and is under warranty, it is the Member's responsibility to work with the manufacturer to replace or repair it.

The Claims Administrator will neither replace nor repair the Prosthetic Device due to abuse or loss of the item.

Specialist Office Visit

The Claims Administrator will provide coverage for Specialist Services Medical Care provided in the office by a Referred Specialist other than a Primary Care Provider

For the purpose of this benefit "in the office" includes:

- Medical Care visits to a Provider's office
- Medical Care visits by a Provider to the Member's residence; or
- Medical Care consultations by a Provider on an Outpatient basis

Spinal Manipulation Services

- The Claims Administrator will provide coverage for the detection and correction of structural imbalance or dislocation (subluxation) of the Member's spine resulting from, or related to any of the following:
 - Distortion of, or in, the vertebral column;
 - Misalignment of, or in, the vertebral column; or
 - Dislocation (Subluxation) of, or in, the vertebral column.

The detection and correction can be done by: Manual or mechanical means (by hand or machine).

- Covered Services may be provided by the Member's Primary Care Physician or Referred Specialist licensed to perform such services.
- Spinal manipulation Covered Services are provided in order to treat an acute condition related to an acute medical episode.
- They are subject to the determination that significant improvement can be expected

This service will be provided for, up to the limits specified in the **Schedule of Covered Services** for spinal manipulations

Telemedicine Services

Services Provided by MDLIVE®:

Telemedicine services are provided by MDLIVE®, a national network of board certified physicians that provide consultations 24 hours a day, 7 days a week, 365 days a year. MDLIVE® physicians provide standard medical assessments, treatments, care and services to patients via the telephone or secure video when your Primary Care Physician is unavailable or inaccessible. MDLIVE® does not replace an existing primary care physician relationship but enhances it with an efficient, cost-effective alternative for non-emergency medical problems. The applicable cost-sharing requirements are specified in the **Schedule of Covered Services**. The Member will pay the applicable cost-sharing via credit or debit card prior to the consultation.

Benefits Provided by Professional Provider:

Telemedicine services are also covered, when provided by a Participating Professional Provider and subject to the relevant cost share applicable to that provider. The provider's eligibility will be determined by the Health Benefits plan in the Claims Administrator's Medical Policies, who is licensed in the state where the telemedicine service is being offered. Telemedicine services are covered when the encounter takes place via a secure Health Insurance Portability and Accountability Act (HIPAA)- compliant interactive audio and video telecommunications system as specified in the Claims Administrator's Medical Policies.

Therapy Services

- Cardiac Rehabilitation Therapy
- Chemotherapy

The treatment of malignant disease by chemical or biological antineoplastic agents used to kill or slow the growth of cancerous cells. The cost of these drugs/biologics is covered, provided if it meets all of the criteria listed below:

- The drugs/biologics are approved by the U.S. Food and Drug Administration (FDA) as antineoplastic agents.
- The FDA- approved indication is based on reliable evidence demonstrating positive effect on health outcomes and/or the indication is supported by the established referenced Compendia identified in the Company's policies.
- Drugs/biologics are eligible for coverage when they are injected or infused into the body by a Professional Provider.

Note: If this Program does not provide coverage for prescription drugs, oral antineoplastic agents are covered as provided under the benefits described above.

- Dialysis

Dialysis treatment when provided in the outpatient facility of a Hospital, a free-standing renal Dialysis facility or in the home. In the case of home Dialysis, Covered Services will include equipment, training, and medical supplies. Private Duty Nursing is not covered as a portion of Dialysis. The decision to provide Covered Services for the purchase or rental of necessary equipment for Home Dialysis will be made by the Claims Administrator. The Covered Services performed in a Participating Facility Provider or by a Participating Provider for Dialysis are available without a Referral.

- Infusion Therapy
Treatment including, but not limited to, infusion or inhalation, parenteral and enteral nutrition, antibiotic therapy, pain management, hydration therapy, or any other drug that requires administration by a healthcare Provider. Infusion therapy includes all professional services, supplies, and equipment that are required to safely and effectively administer the therapy. Infusion may be provided in a variety of settings (For example, home, office, Outpatient) depending on the level of skill required to prepare the drug, administer the infusion, and monitor the Member. The type of healthcare Provider who can administer the infusion depends on whether the drug is considered to be a Specialty Drug infusion or a Standard Injectable Drug infusion, as determined by the Claims Administrator.
- Pulmonary Rehabilitation Service
Benefits are limited to treatment received within a 60 consecutive day period.
- Radiation Therapy
- Rehabilitation Therapy Services
Covered Services for all covered therapies other than Hand and Speech Therapies must be performed by the Member's Primary Care Physician's Designated Provider. Covered Services for acute conditions are subject to the determination that significant improvement can be expected within sixty (60) days.

Covered therapies include:

- | | |
|-----------------|-----------------------|

Each Member may have one routine eye exam and refraction every two calendar years. These services must be provided by a Participating Provider. A list of Participating Providers is available through Customer Service.

The Specialist Office Visit Copay as shown on the ***Schedule of Covered Services*** applies.

- One pair of frames from a select group of frames; and

Benefits are provided for prescription contact lenses in lieu of eyeglasses for up to \$100 every two calendar years.

Reimbursement For Prescription Lenses And Frames From A Non-Participating Provider

Each Member is entitled to a reimbursement for the cost of corrective lenses, including prescription contact lenses, and eyeglass frames. The reimbursement amount is stated below and will be paid when a properly receipted bill is submitted. Instructions for reimbursement may be obtained from Customer Service.

Reimbursement Amount: \$100 every two calendar years.

EMERGENCY AND URGENT CARE

WHAT ARE EMERGENCY SERVICES?

"Emergency Services" are any health care services provided to a Member after the sudden onset of a medical condition. The condition manifests itself by acute symptoms of sufficient severity or severe pain, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the Member or with respect to a pregnant Member, the health of the Member or her unborn child, in serious jeopardy;
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

Emergency transportation and related Emergency Service provided by a licensed ambulance service shall constitute an Emergency Service.

Emergency Services Inside and Outside the Service Area.

Emergency Services are covered whether they are provided inside or outside Keystone's Service Area. Emergency Services do not require a Referral for treatment from the Member's Primary Care Physician. The Member must notify their Primary Care Physician to coordinate all continuing care. Medically Necessary Care by any Provider other than the Member's Primary Care Physician will be covered until the Member can, without medically harmful consequences, be transferred to the care of the Member's Primary Care Physician or a Referred Specialist.

Examples of conditions requiring Emergency Services are: excessive bleeding; broken bones; serious burns; sudden onset of severe chest pain; sudden onset of acute abdominal pains; poisoning; unconsciousness; convulsions; and choking.

Note: For Emergency Care provided by certain Non-Participating Providers, for example, ambulance services, in accordance with applicable law, the Claims Administrator will reimburse the Non-Participating Provider at an in-network rate directly. In this instance the specified Non-Participating Provider will not bill the Member for amounts in excess of the Claims Administrator's payment for the Emergency Care. Payment for Emergency Services provided by Non-Participating Providers will be the greater of:

- The median of the amounts paid to Participating Providers for Emergency Services;
- The amount paid to Non-Participating Providers; or
- The amount paid by Medicare.

It is the Member's responsibility to contact the Claims Administrator for any bill the Member receives for Emergency Services or out-of- area Urgent Care provided by a Non-Participating Provider. If the Member receives any bills from the Provider, the Member needs to contact Customer Service at the telephone number on the Member's ID card. When the Member notifies the Claims Administrator about these bills, the Claims Administrator will resolve the balance billing.

MEDICAL SCREENING EVALUATION

Medical Screening Evaluation services will be Covered Services when performed in a Hospital emergency department for the purpose of determining whether or not an Emergency exists.

NOTE: If the Member believes they need Emergency Services, the Member should call 911 or go immediately to the emergency department of the closest Hospital. Coverage of reasonably necessary costs associated with Emergency Services provided during the period of the Emergency are covered by this Program.

WHAT IS URGENT CARE?

"Urgent Care" needs are for sudden illness or Accidental Injury that require prompt medical attention, but are not life-threatening and are not Emergency medical conditions, when your Primary Care Physician is unavailable. Examples of Urgent Care needs include stitches, fractures, sprains, ear infections, sore throats, rashes, X-rays that are not Preventive Care or Follow-up Care.

Urgent Care Inside Keystone's Service Area

If the Member is within the Service Area and they need Urgent Care, they call their Primary Care Physician first. The Member's Primary Care Physician provides coverage 24 hours a day, seven days a week for Urgent Care. The Member's Primary Care Physician, or the Physician covering for their Primary Care Physician, will arrange for appropriate treatment. Urgent Care services may also be accessed directly at an Urgent Care Center or Retail Clinic.

Urgent Care provided within the Service Area will be covered only when provided or Referred by your Primary Care Physician, or when provided at an Urgent Care Center or Retail Clinic without a Referral.

WHAT IS FOLLOW-UP CARE?

“Follow-Up Care” is Medically Necessary follow-up visits that occur while the Member is outside Keystone’s Service Area. Follow-Up Care is provided only for urgent ongoing treatment of an illness or injury that originates while the Member is in the Claims Administrator’s Service Area. An example is Dialysis. Follow-Up Care must be Preapproved by the Member’s Primary Care Physician prior to traveling. This service is available for temporary absences (less than 90 consecutive days) from the Claims Administrator’s Service Area.

ACCESS TO COVERED SERVICES OUTSIDE KEYSTONE’S SERVICE AREA

Members have access to health care services when traveling outside of Keystone’s service area. The length of time that the Member will be outside the Service Area will determine whether benefits will be available through the BlueCard Program or the Away From Home Care Guest Membership Program.

Out of pocket costs for Covered Services are limited to applicable Copayments. A claim form is not required to be submitted in order for a Member to receive benefits for Covered Services, provided the Member meets the requirements identified below.

THE BLUECARD®PROGRAM

Through the BlueCard Program, Urgent Care Benefits cover Medically Necessary treatment for any unforeseen illness or injury that requires treatment prior to when the Member returns to Keystone’s Service Area. Covered Services for Urgent Care are provided by a contracting Blue Cross and Blue Shield Association traditional participating Provider (“BlueCard Provider”). Coverage is for Medically Necessary services required to prevent serious deterioration of the Member’s health while traveling outside Keystone’s Service Area during a temporary absence (less than 90 consecutive days). After that time, the Member must return to Keystone’s Service Area or be disenrolled automatically from the Group’s plan, unless the Member is enrolled as a Guest Member under the Away From Home Care Guest Membership Program (see below).

Urgent Care required during a temporary absence will be covered when:

- The Member calls 1-800-810-BLUE (TTY: 711). This number is available 24 hours a day, seven days a week.
- The Member will be given the names, addresses and phone numbers of three BlueCard Providers. The BlueCard Program has some international locations. When the Member calls, the Member will be asked whether the Member is inside or outside of the United States.
- The Member decides which Provider the Member will visit.
- The Member calls 1-800-ASK-BLUE (TTY: 711) to get prior authorization for the service from the Keystone.
- With Keystone’s approval, the Member calls the Provider to schedule an appointment. The BlueCard Provider confirms Member eligibility.
- The Member shows their ID Card when seeking services from the BlueCard Provider.
- The Member pays the Copayment at the time of the Member’s visit.

Follow-Up Care Benefits under the BlueCard Program

Follow-Up Care Benefits under the BlueCard Program cover Medically Necessary Follow-Up Care required while the Member is traveling outside of Keystone's Service Area. The care must be needed for urgent ongoing treatment of an injury, illness, or condition that occurred while the Member was in Keystone's Service Area. Follow-Up Care must be pre-arranged and Preapproved by the Member's Primary Care Physician and the health plan in Keystone's Service Area prior to leaving the Service Area. Under the BlueCard Program, coverage is provided only for the specified, Preapproved service(s) authorized by the Member's Primary Care Physician in Keystone's Service Area and Keystone's Care Management and Coordination Department. Follow-Up Care Benefits under the BlueCard Program are available during the Member's temporary absence (less than 90 consecutive days) from Keystone's Service Area.

Follow-Up Care required during a temporary absence (less than 90 consecutive days) from Keystone's Service Area will be covered when these steps are followed:

- The Member is currently receiving urgent ongoing treatment for a condition.
- The Member plans to go out of Keystone's Service Area temporarily, and the Member's Primary Care Physician recommends that the Member continues treatment.
- The Member's Primary Care Physician must call 1-800-ASK-BLUE (TTY: 711) to get prior authorization for the service from Keystone. If a BlueCard Provider has not been pre-selected for the Follow-Up Care, the Member's Primary Care Physician or the Member will be told to call 1-800-810-BLUE (TTY: 711).
- The Member or the Member's Primary Care Physician will be given the names, addresses and phone numbers of three BlueCard Providers.
- Upon deciding which BlueCard Provider will be visited, the Member or the Member's Primary Care Physician must inform Keystone by calling the number on the ID Card.
- The Member should call the BlueCard Provider to schedule an appointment.
- The BlueCard Provider confirms the Member's eligibility.
- The Member shows the Member's ID Card when seeking services from the BlueCard Provider.
- The Member pays the Copayment at the time of the Member's visit.

THE AWAY FROM HOME CARE®PROGRAM

If the Member plans to travel outside Keystone's Service Area for at least 90 consecutive days, and the Member is traveling to an area where a Host HMO is located, the Member may be eligible to register as a Guest Member under the Away From Home Care Program. As a Guest Member, the Member's Guest Membership Benefits are provided by the local Blue Cross Plan participating in the Program. A 30 day notification period is required before Guest Membership Benefits under the Away From Home Care Program become available. Guest Membership is available for a limited period of time. The Away From Home Care Coordinator will confirm the period for which the Member is registered as a Guest Member.

Who is Eligible to Register for Guest Membership Benefits?

The Member may register for Guest Membership Benefits when:

- The Member or the Member's Dependents temporarily travel outside Keystone's Service Area for at least 90 days, but no more than 180 days (long term traveler);
- The Member's Dependent student is attending a school outside Keystone's Service Area for more than ninety 90 days (student); or
- The Member's Dependent lives apart from the Member and is outside Keystone's Service Area for more than 90 days (families apart).

NOTE: The Member is required to contact the Away From Home Care Coordinator and apply for a Guest Membership by calling Customer Service at the telephone number shown on the ID Card. Notification must be given at least 30 days prior to the Member's scheduled date of departure in order for Guest Membership Benefits to be activated.

Student Guest Membership Benefits are available to qualified dependents of the Subscriber who are outside of the Keystone's Service Area temporarily attending an accredited education facility inside the service area of a Host HMO. Contact the Away From Home Care Coordinator by calling the Customer Service number on the ID card to determine if arrangements can be made for Student Guest Membership Benefits for the Member's Dependent.

The Away From Home Care Program provides Guest Membership Benefits coverage for a wide range of health care services including Hospital care, routine physician visits, and other services. Guest Membership Benefits are available only when the Member is registered as a Guest Member at a Host HMO. As a Guest Member, the Member is responsible for complying with all of the Host HMO's rules regarding access to care and Member responsibilities. The Host HMO will provide these rules and responsibilities at the time of guest membership registration.

NOTE: Because the Member's Primary Care Physician in the Keystone's Service Area can give advice and provide recommendations about health care services that the Member may need while traveling, the Member is encouraged to receive routine or planned care prior to leaving home.

As a Guest Member, the Member must select a Primary Care Physician from the Host HMO's Primary Care Physician network. In order to receive Guest Membership Benefits, the Primary Care Physician in the Host HMO Service Area must provide or arrange for all of the Member's Covered Services while the Member is a Guest Member. Neither Keystone nor the Host HMO will cover services the Member receives as a Guest Member that are not provided or arranged by the Primary Care Physician in the Host HMO Service Area and Preapproved by the Host HMO. Registration in the Away From Home Care Program is available only through contracting HMOs in the Blue Cross and Blue Shield Association's HMO network. Information regarding the availability of Guest Membership Benefits may be obtained from the Away From Home Care Coordinator by calling Customer Service at the telephone number shown on the ID Card.

This Group's Program may contain other benefits that are not provided for Guest Members through the Away From Home Care Program. Benefits provided for Guest Members are in addition to benefits provided under Keystone's program. However, benefits provided under one program will not be duplicated under the other program. To receive benefits covered only by

this program, the Member must contact Customer Service at the telephone number shown on the Member's ID Card. Further information will be provided about how to access these benefits.

WHEN THE MEMBER DOESN'T USE THE BLUECARD OR GUEST MEMBERSHIP PROGRAMS

If the Member has out-of-area Urgent Care or Emergency Services, not provided as described above and provided by a Non-Participating Provider, ask the Provider to submit the bill to Keystone. Show the Provider the Member ID Card for necessary information about the Member's Group plan. For direct billing, the Provider should mail the bill to the address in the next sentence. If direct billing cannot be arranged, send us a letter explaining the reason care was needed and an original itemized bill to:

**Keystone Health Plan East
P.O. Box 69353
Harrisburg, PA 17106-9353.**

NOTE: It is the Member's responsibility to forward to Keystone any bill the Member receives for Emergency Services or out-of-area Urgent Care provided by a Non-Participating Provider.

CONTINUING CARE

Medically Necessary care provided by any Provider other than the Member's Primary Care Physician will be covered, subject to the **Description Of Covered Services, Exclusions - What Is Not Covered**, and the **Schedule Of Covered Services** sections, only until the Member can, without medically harmful consequences, be transferred to the care of the Member's Primary Care Physician or a Referred Specialist designated by the Member's Primary Care Physician.

All continuing care must be provided or Referred by the Member's Primary Care Physician or coordinated through Customer Service.

AUTO OR WORK-RELATED ACCIDENTS

Motor Vehicle Accident

If the Member or the Member's Dependent is injured in a motor vehicle accident, contact the Member's or the Member's Dependent's Primary Care Physician as soon as possible.

REMEMBER: This Program will always be secondary to the Member's auto insurance coverage. However, in order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by the Member's Primary Care Physician.

Tell the Member's Primary Care Physician that the Member was involved in a motor vehicle accident and the name and address of the Member's auto insurance company. Give this same information to any Provider to whom the Member's Primary Care Physician refers the Member for treatment.

Call Customer Service as soon as possible and advise us that the Member has been involved in a motor vehicle accident. This information helps this Claims Administrator to coordinate this Program's benefits with coverage provided through the Member's auto insurance company.

Only services provided or Referred by the Member's Primary Care Physician will be covered by this Claims Administrator.

Work-Related Accident

Report any work-related injury to the Member's employer and contact the Member's Primary Care Physician as soon as possible.

REMEMBER: This Program will always be secondary to the Member's Worker's Compensation coverage. However, in order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by the Member's Primary Care Physician.

Tell the Member's Primary Care Physician that the Member was involved in a work-related accident and the name and address of the Member's employer and any applicable information related to the Member's employer's Worker's Compensation coverage. Give this same information to any Provider to whom the Member's Primary Care Physician refers the Member for treatment.

Call Customer Service as soon as possible and advise us that the Member has been involved in a work-related accident. This information helps this Claims Administrator to coordinate this Program's benefits with coverage provided through the Member's employer's Worker's Compensation coverage.

Only services provided or Referred by the Member's Primary Care Physician will be covered by this Claims Administrator.

- That is a non-reusable supply or is not a rental type item, other than a supply that is an integral part of the DME item required for the DME function. This means the equipment is not durable or is not a component of the DME.
- That is not primarily medical in nature: Equipment, which is primarily and customarily used for a non-medical purpose may or may not be considered medical equipment. This is true even though the item has some remote medically related use. Items not covered include, but are not limited to:
 - Exercise equipment;
 - Speech teaching machines;
 - Strollers;
 - Stair glides;
 - Toileting systems;
 - Bathtub lifts;
 - Elevators; and
 - Electronically-controlled heating and cooling units for pain relief.
- That has features of a medical nature which are not required by the patient's condition, such as a gait trainer: The therapeutic benefits of the item cannot be clearly disproportionate to its cost, if there exists: A Medically Necessary and realistically feasible alternative item that serves essentially the same purpose.
- That duplicates or supplements existing equipment for use when traveling or for an additional residence: For example: A patient who lives in the Northeast for six months of the year, and in the Southeast for the other six would NOT be eligible for two identical items, or one for each living space.
- Which is not customarily billed for by the Provider: Items not covered include, but are not limited to: delivery, set-up and service activities (such as routine maintenance, service, or cleaning) and installation and labor of rented or purchased equipment.
- That modifies vehicles, dwellings, and other structures. This includes any modifications made to a vehicle, dwelling or other structure to accommodate a person's disability; or to accommodate a vehicle, dwelling or other structure for the DME item such as a wheelchair.

- Equipment for safety: Items that are not primarily used for the diagnosis, care or treatment of disease or injury but are primarily utilized to prevent injury or provide a safe surrounding. Examples include:
 - Restraints;
 - Safety straps;
 - Safety enclosures; or
 - Car seats.

The Claims Administrator will neither replace nor repair the DME due to abuse or loss of the item.

- Worker's Compensation Law; or
- Any similar Occupational Disease Law or Act.

This exclusion applies whether or not the Member claims the benefits or compensation.

GENERAL INFORMATION

ELIGIBILITY, CHANGE AND TERMINATION RULES UNDER THE PROGRAM

The Member's Group benefits administrator is responsible for maintaining eligibility of Members to receive benefits under this Program and for timely notifying the Claims Administrator of such eligibility. The Claims Administrator will provide coverage, and terminate coverage, in reliance on the Group's timely notification of the eligibility of Members. If a Group fails to timely notify the Claims Administrator of the eligibility status of a particular Member, the Claims Administrator will provide and terminate coverage in accordance with any Claims Administrator administrative processes.

ELIGIBILITY

Eligible Subscriber

An eligible Subscriber is an individual who is listed on the completed Enrollment/Change Form provided by the Claims Administrator and:

- Who resides or, with approval from the Claims Administrator, works in the Service Area; and
- Who is an active Employee whose normal work week is defined by the Group or is an eligible retiree; and
- Who is entitled to participate in the Group's health benefits program, including compliance with any probationary or waiting period established by the Group or who is entitled to coverage under a trust agreement or employment contract; and
- For whom Medicare is not primary pursuant to any federal or state regulation, law, or ruling.

Eligible Dependent

An eligible Dependent is an individual for whom Medicare is not primary pursuant to any federal or state regulation, law, or ruling; who resides in the Service Area, unless otherwise provided in this section; who meets all the eligibility requirements established by the Group; who is listed on the Enrollment/Change Form completed by the Subscriber; and who is:

- The Subscriber's legal spouse, if applicable; or
A child (including stepchild, legally adopted child, child placed for adoption, or natural child) of either the Subscriber, the Subscriber's spouse, who is within the Limiting Age for Dependents as set forth in this Program, or a child for whom the Subscriber is legally required to provide health care coverage; or
- A child for whom the Subscriber or the Subscriber's spouse is a court appointed legal guardian; or
- A child, regardless of age, who, in the judgment of the Claims Administrator, is incapable of self-support due to a mental or physical handicap which commenced prior to the child's reaching the Limiting Age for Dependents under this Program and for which continuing justification may be required by the Claims Administrator; or
- A child within the Limiting Age for Dependents under this Program who resides in the Service Area; or
- A child who is past the Limiting Age for Dependents will be eligible when they:
 - are a full-time student;
 - are eligible for coverage under this Program;
 - prior to attaining the Limiting Age for Dependents and while a full-time student, were:
 - A member of the Pennsylvania National guard or any reserve component of the U.S. armed forces and were called or ordered to active duty, other than active duty for training for a period of 30 or more consecutive days; or,

- A member of the Pennsylvania National Guard who is ordered to active state duty, including duty under Pa. C.S. Ch. 76 (relates to Emergency Management Assistance Compact), for a period of 30 or more consecutive days.

Eligibility for these Dependents will be extended for a period equal to the duration of the Dependent's service on duty or active state duty or until the individual is no longer a full-time student regardless of the age of the Dependent when the educational program at the Accredited Educational Institution was interrupted due to military duty.

As proof of eligibility, the Subscriber must submit a form to the Claims Administrator approved by the Department of Military & Veterans Affairs (DMVA):

- Notifying the Claims Administrator that the Dependent has been placed on active duty;
 - notifying the Claims Administrator that the Dependent is no longer on active duty; and,
 - Showing that the Dependent has re-enrolled as a full-time student in an Accredited Educational Institution for the first term or semester starting 60 or more days after his release from active duty.
- A Dependent of a Subscriber who is enrolled in a HMO Medicare risk program. A Dependent child of such Subscriber must be within the Limiting Age for Dependents under this Program;
 - The newborn child of a Member for the first 31 days immediately following birth. Coverage will continue in effect thereafter if the newborn qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, and any appropriate payment due, calculated from the date of birth, is received by the Claims Administrator; or
 - An adopted child of a Member for the first 31 days immediately following:
 - Birth, if a newborn; or,
 - the date of placement for adoption, if not a newborn. Coverage will continue in effect thereafter if the adopted child qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, if a newborn, or otherwise, the placement date, and any appropriate payment due, calculated from the date of birth or placement, is received by the Claims Administrator.

Under this Program no other benefits, except conversion privileges, will be extended to the newborn child of a Dependent unless such newborn child meets the eligibility requirements of a Dependent set forth in this section and is enrolled as a Dependent within 31 days of eligibility.

EFFECTIVE DATE OF COVERAGE

Subject to the receipt of applicable payments from the Group, and of an Enrollment/Change Form from or on behalf of each prospective Member, and subject to the provisions of this Program, coverage for Members under this Program shall become effective on the earliest of the following dates:

- When an eligible person makes written application for membership on or prior to the date on which eligibility requirements under this section are satisfied, coverage shall be effective as of the date the eligibility requirements are satisfied; or
- When an eligible person makes written application for membership after the date on which the eligibility requirements of this section are satisfied, but within 30 days after becoming eligible, coverage will be effective as of the date the eligibility requirements are satisfied; or
- Coverage shall become effective at birth for newborn children for 31 days. Coverage will continue in effect thereafter if the newborn qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, and any appropriate payment, calculated from the date of birth, is received by the Claims Administrator; or

- Coverage for an adopted child shall become effective at birth, if a newborn, and otherwise on the date of placement, for 31 days. Coverage will continue in effect thereafter if the adopted child qualifies as a Dependent, is enrolled by the Subscriber within 31 days of
 - Birth, if a newborn or
 - If not a newborn, the date of placement, and any appropriate payment, calculated from the date of
 - Birth, if a newborn or
 - Placement, if not a newborn, is received by the Claims Administrator; or
- When an eligible person makes written application for membership during the Group Open Enrollment Period, coverage will begin on the first day of the calendar month following the conclusion of the Group Open Enrollment Period, unless otherwise agreed to by the Group and the Claims Administrator.

If on the date on which coverage under the Claims Administrator becomes effective, the Member is receiving Inpatient Care, benefits will be provided under this Program to the extent that such benefits are not provided under a prior group health insurance plan.

WHEN TO NOTIFY THE PROGRAM OF A CHANGE

Certain changes in a Member's life may affect their coverage under this Program. Please notify us of any changes through the benefits office of the Member's Group Benefits Administrator. To help the Claims Administrator effectively administer Members' health care benefits, the Claims Administrator must receive notice from the Benefits Administrator of the following changes within 30 days: name; address; status or number of Dependents; marital status; eligibility for Medicare coverage, or any other changes in eligibility.

Open Enrollment

The Member's Group Benefits Administrator will have an open enrollment period at least once a year, and will notify the Member of the time. At this time, the Member may add eligible Dependents to their coverage.

Newly Hired

Within 30 days of becoming eligible for this new Group's Claims Administrator coverage, an individual may join this Program. The Member must add existing eligible Dependents to their coverage at this time or wait until the next open enrollment period.

Late Enrollment

If an individual or an individual's Dependent did not request enrollment for coverage with this Program during the initial enrollment period and did not enroll within 30 days of the date during which the individual was first eligible to enroll under this Program, the individual may apply for coverage as a late Subscriber.

Marriage

Members may add their spouse to their Program within 30 days of their marriage. Coverage for a Member's spouse will be effective on the date of their marriage.

New Child

Coverage is effective at the time of birth for the newborn child of a Member, or at the time of placement for adoption for an adopted child of a Member, and shall continue for a period of 31 days after the event. If a Member chooses to continue coverage for the new child, the Member must add their eligible child (newborn or adopted child) within 31 days of the date of birth or

placement of the adopted child. Coverage will be effective from the date of birth or the day the child was placed for adoption.

In situations where the newborn's father is a Member but the mother is not a Member, Customer Service must be notified prior to the mother's hospitalization for delivery.

Court-Ordered Dependent Coverage

If a Member is required by a court order to provide health care coverage for their eligible Dependent, their Dependent will be enrolled within 30 days from the date the Claims Administrator receives notification and a copy of the court order.

REMEMBER: The Member must notify the Claims Administrator of any changes to Dependent coverage within 30 days of the change in order to ensure coverage for all eligible family members. Notifications to the Claims Administrator should be through the benefits office of their Group benefits administrator.

TERMINATION OF COVERAGE

A Member's coverage may be cancelled, after receiving thirty (30) days advance written notice before cancellation and subject to their rights under the ***Complaint and Grievance Appeal Process***, under the following conditions:

- **Rescission:** If the Member commits intentional misrepresentation of a material fact or fraud in applying for or obtaining coverage from this Program. The Member will receive written notice at least thirty (30) days prior to termination but will have the right to utilize the ***Complaint and Grievance Appeal Process*** to appeal cancellation;
- **Misuse of ID Card:** If a Member misuses their ID Card, or allows someone other than their eligible Dependents to use a ID Card to receive care or benefits;
- **Changes to Eligibility:** If a Member ceases to meet the eligibility requirements;
- **Group Termination:** The Member's Group terminates coverage with this Program;

Inpatient Provision upon Termination of Coverage

If a Member is receiving Inpatient Care in a Hospital or Skilled Nursing Facility on the day this coverage is terminated by the Claims Administrator, except for termination due to fraud or intentional misrepresentation of a material fact, the benefits shall be provided until the earliest of:

- The expiration of such benefits according to the ***Schedule of Covered Services*** included with this Benefit Booklet.
- Determination of the Primary Care Physician and the Claims Administrator that Inpatient Care is no longer Medically Necessary; or
- The Member's discharge from the facility.

NOTE: The Claims Administrator will not terminate the Member's coverage because of their health status, their need for Medically Necessary Covered Services or for having exercised their rights under the ***Complaint and Grievance Appeal Process***.

When a Subscriber's coverage terminates for any reason, coverage of the Subscriber's covered family members will also terminate.

Termination of Coverage at Termination of Employment or Membership in the Group

Coverage for the Member under this Program will terminate on the date specified by the Group if the Claims Administrator receives from the Group notice of termination of the Member's coverage within 30 days of the date specified by the Group. If notification from the Group is not received by the Claims Administrator within 30 days of the date specified by the Group, the effective date of termination of the Member's coverage shall be 30 days prior to the first day of the month in which the Claims Administrator received the notice of termination of the Member's coverage from the Group, with the exception of any services covered under the Inpatient Provision. If the Member is receiving Inpatient Care on the date coverage is terminated, the Inpatient Provision will apply as defined above. Coverage for Dependents ends when the Member's coverage ends.

COVERAGE CONTINUATION

When The Employee Terminates Employment - Continuation Of Coverage Provisions Consolidated Omnibus Budget Reconciliation Act Of 1985, As Amended (COBRA)

The Employee should contact their Employer for more information about COBRA and the events that may allow the Employee or eligible Dependent to temporarily extend health care coverage.

Continuation Of Coverage Pennsylvania Act 62 of 2009 (Mini-COBRA)

This subsection, and the requirements of Mini-COBRA continuation, applies to Groups consisting of two to 19 employees. This provision applies when the Subscriber is an eligible employee of the Group.

For purposes of this subsection, a "qualified beneficiary" means any person who, before any event which would qualify him or her for continuation under this subsection, has been covered continuously for benefits under this Program or for similar benefits under any group policy which it replaced, during the entire three-month period ending with such termination as:

- The Subscriber;
- The Subscriber's Dependent spouse; or
- The Subscriber's Dependent child.

In addition, any child born to or placed for adoption with the Subscriber during Mini-COBRA continuation will be a qualified beneficiary.

Any person who becomes covered under this Program during Mini-COBRA continuation, other than a child born to or placed for adoption with the Subscriber during Mini-COBRA continuation, will not be a qualified beneficiary.

- If the Subscriber Terminates Employment or Has a Reduction of Work Hours: If the Subscriber's group benefits end due to his/her termination of employment or reduction of work hours, the Subscriber may be eligible to continue such benefits for up to nine months, if:
 - The Subscriber's termination of employment was not due to gross misconduct;
 - The Subscriber is not eligible for coverage under Medicare;
 - The Subscriber verifies he/she is not eligible for group health benefits as an eligible dependent; and
 - The Subscriber is not eligible for group health benefits with any other carrier.

The continuation will cover the Subscriber and any other qualified beneficiary who loses coverage because of the Subscriber's termination of employment (for reasons other than gross misconduct) or reduction of work hours, subject to the "When Continuation Ends" paragraph of this subsection.

- **The Group's Responsibilities:** The Group must notify the Subscriber, the Benefits Administrator, and the Claims Administrator, in writing, of:
 - The Subscriber's termination of employment (for reasons other than gross misconduct) or reduction of work hours;
 - The Subscriber's death;
 - The Subscriber's divorce or legal separation from a Dependent spouse covered under this Program;
 - The Subscriber becoming eligible for benefits under Social Security;
 - The Subscriber's child ceasing to be a Dependent child pursuant to the terms of this Program;
 - Commencement of the Group's bankruptcy proceedings.

The notice must be given to the Subscriber, the Benefits Administrator and the Claims Administrator no later than 30 days of any of these events.

- **The Qualified Beneficiary's Responsibilities:** A person eligible for continuation under this subsection must notify, in writing, the Benefits Administrator or its designee of their election of continuation coverage within 30 days of receipt of the notice from the Group.

Continuation coverage shall be effective as of the date of the event.

Upon receipt of the Subscriber's, or the Subscriber's covered Dependent's election of continuation coverage, the Benefits Administrator, or its designee, shall notify the Claims Administrator of the election within 14 days.

- **If the Subscriber Dies:** If the Subscriber dies, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- **If the Subscriber's Marriage Ends:** If the Subscriber's marriage ends due to legal divorce or legal separation, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- **If a Dependent Loses Eligibility:** If the Subscriber's Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Program, other than the Subscriber's coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified beneficiary. The continuation can last for up to nine months, subject to the "When Continued Ends" paragraph of this subsection.
- **Election of Continuation:** To continue his or her group health benefits, the qualified beneficiary must give the Benefits Administrator written notice that he or she elects to continue benefits under the coverage. This must be done within 30 days of the date a qualified beneficiary receives notice of his or her continuation rights from the Benefits

Administrator as described above or 30 days of the date the qualified beneficiary's group health benefits end, if later. The Group must notify the Claims Administrator of the qualified beneficiary's election of continuation within 14 days of the election of continuation. Furthermore, the qualified beneficiary must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Benefits Administrator by the qualified beneficiary, in advance, at the time and in the manner set forth by the Benefits Administrator. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified beneficiary stayed insured under this Program on a regular basis. It includes any amount that would have been paid by the Group. An additional administrative charge of up to five percent of the total premium charge may also be required by the Claims Administrator.

- Grace in Payment of Premiums: A qualified beneficiary's premium payment is timely if, with respect to the first payment after the qualified beneficiary elects to continue, such payment is made no later than 45 days after such election. In all other cases, the premium payment is timely if it is made within 31 days of the specified date.
- When Continuation Ends: A qualified beneficiary's continued group health benefits under this Program's ends on the first to occur of the following:
 - With respect to continuation upon the Subscriber's termination of employment or reduction of work hours, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - With respect to continuation upon the Subscriber's death, the Subscriber's legal divorce or legal separation, or the end of the Subscriber's covered Dependent's eligibility, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - With respect to the Subscriber's Dependent whose continuation is extended due to the Subscriber's entitlement to Medicare, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - The date coverage under this Program ends;
 - The end of the period for which the last premium payment is made;
 - The date he or she becomes covered under any other group health plan (as an employee or otherwise) which contains no limitation or exclusion with respect to any pre-existing condition of the qualified beneficiary other than a pre-existing condition exclusion or limitation which he or she satisfies under the Health Insurance Portability and Accountability Act of 1996, as first constituted or later amended;
 - The date the Subscriber and/or the Subscriber's eligible dependent become eligible for Medicare.

THE CLAIMS ADMINISTRATOR'S RESPONSIBILITIES RELATIVE TO THE PROVISION OF CONTINUATION COVERAGE UNDER MINI-COBRA ARE LIMITED TO THOSE SET FORTH IN THIS SUBSECTION.

THE CLAIMS ADMINISTRATOR IS NOT THE BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR UNDER THIS PROGRAM OR FOR PURPOSES OF ERISA OR ANY OTHER FEDERAL OR STATE LAW. IN THE ABSENCE OF THE DESIGNATION OF ANOTHER PARTY AS BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR, THE

BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR SHALL BE THE GROUP.

Conversion

If a Member or their Dependents become ineligible for coverage through their Group Program, they may apply for continuation of the coverage in an appropriate non-group program. The Member must reside in the Keystone's five county area in order to be eligible for the non-group HMO program. The five county area includes: Bucks, Chester, Delaware, Montgomery and Philadelphia counties. If the Member does not live in the Keystone's five county area, enrollment in the HMO non-group program is provided to the Member and their Dependents for 90 days from the date the Member's Group coverage ends. After this time period, the Member and their Dependents will have to convert to another plan. The Member and their Dependents may convert to the local Blue Cross®/Blue Shield® plan for the area in which they live.

A Member's application for this conversion coverage must be made to the Claims Administrator within 30 days of when the Member becomes ineligible for Group coverage. The benefits provided under the available non-group program may not be identical to the benefits under their Group Claims Administrator.

The conversion privilege is available to Members and:

- Their surviving Dependents, in the event of the Member's death;
- Their spouse, in the event of divorce; or
- Their child who has reached the Limiting Age for Dependents.

The Dependent must reside in the Keystone's five county area in order to be eligible for the non-group HMO program.

This conversion privilege is not available if the Member is terminated by the Claims Administrator for cause (such as deliberate misuse of an ID Card, significant misrepresentation of information that is given to the Claims Administrator or a Provider, or fraud).

If the Member needs more information regarding their conversion privilege, call Customer Services at the telephone number shown on their ID Card.

Should the Member choose continued coverage under COBRA (see above), they become eligible to convert to an individual, non-group plan at the end of the Member's COBRA coverage.

A SUMMARY OF THE PROGRAM'S FEATURES

Required Disclosure Of Information

State law requires that Keystone Health Plan East, Inc. ('Keystone' or 'the Health Benefit Plan') make the following information available to the Member when they make a request in writing to the Claims Administrator.

- A list of the names, business addresses and official positions of the membership of the Board of Directors or Officers of the Claims Administrator.
- The procedures adopted to protect the confidentiality of medical records and other Subscriber information.
- A description of the credentialing process for health care Providers.
- A list of the participating health care Providers affiliated with participating Hospitals.
- Whether a specifically identified drug is included or excluded from coverage.
- A description of the process by which a health care Provider can Prescribe any of the following when either:
 - The Drug Formulary's equivalent has been ineffective in the treatment of the Subscriber's disease; or
 - The drug causes or is reasonably expected to cause adverse or harmful reactions to the Subscriber.
 - Specific drugs;
 - Drugs used for an off-label purpose; and
 - Biologicals and medications not included in the Drug Formulary for Prescription Drugs or biologicals.
- A description of the procedures followed by the Claims Administrator to make decisions about the experimental nature of individual drugs, medical devices or treatments.
- A summary of the methodologies used by the Claims Administrator to reimburse for health care services. (This does not mean that the Claims Administrator is required to disclose individual contracts or the specific details of financial arrangements we have with health care Providers.)
- A description of the procedures used in the Claims Administrator's quality assurance program.

Confidentiality And Disclosure Of Medical Information

The Claims Administrator's privacy practices, as they apply to Members enrolled in this health benefit program, as well as a description of Member s' rights to access their personal health information which may be maintained by the Claims Administrator, are set forth in the Claims Administrator's HIPAA Notice of Privacy Practices (the "Notice"). The Notice is sent to each new Member upon initial enrollment in this Claims Administrator, and, subsequently, to all Member s if and when the Notice is revised.

By enrolling in this Claims Administrator, Members give consent to the Claims Administrator to receive, use, maintain, and/or release their medical records, claims-related information, health and related information for the purposes identified in the Notice to the extent permitted by applicable law. However, in certain circumstances, which are more fully described in the Notice, a specific Member Authorization may be required prior to the Claims Administrator's use or disclosure of Members' personal health information. Members should consult the Notice for detailed information regarding their privacy rights.

Member Id Card

Listed below are some important things to do and to remember about the Member's ID Card:

- Check the information on the Member's ID Card for completeness and accuracy.

- Check that the Member received one ID Card for each enrolled family member.
- Check that the name of the Primary Care Physician (or office) the Member selected is shown on the Member's ID Card. Also, please check the ID Card for each family member to be sure the information on it is accurate.
- Call Customer Service if the Member finds an error or loses their ID Card.
- Carry the Member ID Card at all times. The Member must present their ID Card whenever they receive Medical Care.

On the reverse side of the ID Card, the Member will find information about medical services, especially useful in Emergencies. There is even a toll-free number for use by Hospitals if the Member has questions about their coverage.

PROGRAM DESIGN FEATURES

This Program is different from traditional health insurance coverage. In addition to covering health care services, access is provided to Member's Medical Care through their Primary Care Physician.

All medical treatment begins with the Member's Primary Care Physician. (Under certain circumstances, continuing care by a Non-Participating Provider will be treated in the same way as if the Provider were a Participating Provider. See **Continuity of Care** appearing later in the Benefit Booklet).

Because the Member's Primary Care Physician is the key to using this Program, it is important to remember the following:

- **The Member should always call their Primary Care Physician first**, before receiving Medical Care, except for conditions requiring Emergency Services. Please schedule routine visits well in advance.
- **When the Member needs Specialist Services** their Primary Care Physician will give the Member an electronic Referral for specific care or will obtain a Preapproval from the Claims Administrator when required. A Standing Referral may be available to the Member if they have a life-threatening, degenerative or disabling disease or condition.

Female Members may visit any participating obstetrical/gynecological Specialist without a Referral. This is true whether the visit is for preventive care, routine obstetrical/gynecological care or problem-related obstetrical/gynecological conditions. The Member's Primary Care Physician must obtain a Preapproval for Specialist Services provided by Non-Participating Providers.

- **The Member's Primary Care Physician is required to select a Designated Provider for certain Specialist Services.** Their Primary Care Physician will submit an electronic Referral to his/her Designated Provider for these outpatient Specialist Services:
 - Physical and occupational therapy;
 - Diagnostic Services for Members age five and older.
 - Laboratory and Pathology tests

Designated Providers usually receive a set dollar amount per Member per month (capitation) for their services based on the Primary Care Physicians that have selected them.

Outpatient services are not covered when performed by any Provider other than the

Member's Primary Care Physician's Designated Provider.

Before selecting their Primary Care Physician, the Member may want to speak to the Primary Care Physician regarding his/her Designated Providers.

- **The Member's Primary Care Physician provides coverage 24 hours a day, 7 days a week.**
- **All continuing care as a result of Emergency Services** must be provided or Referred by the Member's Primary Care Physician or coordinated through Customer Service.
- **Some services must be authorized by the Member's Primary Care Physician or Referred Specialist or Preapproved by the Claims Administrator.** The Member's Primary Care Physician or Referred Specialist works with the Claims Administrator's Care Management and Coordination team during the Preapproval process. Services in this category include, but are not limited to: hospitalization; certain outpatient services; Skilled Nursing Facility services; and home health care. To access a complete list of services that require Preapproval, log onto www.ibx.com, or the Member can call Customer Service at the phone number shown on their ID Card to have the list mailed to them. A Member has the right to appeal any decisions through the ***Complaint and Grievance Appeal Process***. Instructions for the appeal will be described in the denial notifications.
- **All services must be received from Participating Providers** unless Preapproved by the Claims Administrator, or except in cases requiring Emergency Services or Urgent Care while outside the Service Area.
- See Access To Primary, Specialist, And Hospital Care in this section for procedures for obtaining Preapproval for use of a Non-Participating Provider. Use the Provider Directory to find out more about the individual Providers, including Hospitals and Primary Care Physicians and Referred Specialist, and their affiliated Hospitals. It includes a foreign language index to help the Member locate a Provider who is fluent in a particular language. The directory also lists whether the Provider is accepting new patients.
- **To change the Member's Primary Care Physician**, call Customer Service at the telephone number shown on their ID Card.
- **Medical Technology Assessment is performed by the Claims Administrator.** Technology assessment is the review and evaluation of available clinical and scientific information from expert sources. These sources include and are not limited to articles published by governmental agencies, national peer review journals, national experts, clinical trials, and manufacturer's literature. The Claims Administrator uses the technology assessment process to assure that new drugs, procedures or devices are safe and effective before approving them as a Covered Service. When new technology becomes available or at the request of a practitioner or Member, the Claims Administrator researches all scientific information available from these expert sources. Following this analysis, the Claims Administrator makes a decision about when a new drug, procedure or device has been proven to be safe and effective and uses this information to determine when an item becomes a Covered Service. A Member or their Provider should contact the Claims Administrator to determine whether a proposed treatment is considered "emerging technology" and whether the provider is considered an eligible provider to perform the "emerging technology" Covered Service. The Claims Administrator maintains the discretion

to limit eligible Providers for certain “emerging technology” Covered Services.

- **Prescription Drugs are covered under this Program.** Under this Program, Prescription Drugs, including medications and biologicals, are Covered Services or Supplies when ordered during the Member's Inpatient Hospital stay. In addition, if the Member does not have Prescription Drug coverage under a Claims Administrator Prescription Drug benefit, this Program will provide coverage for insulin and oral agents, as well as Prescription Drugs used in the treatment of Autism Spectrum Disorders, when the Member is not an Inpatient.

Groups may choose to provide additional Prescription Drug coverage for Prescription Drugs for use when a Member is not an Inpatient. The benefits and cost sharing will vary depending upon the program chosen. That coverage may also include a Drug Formulary. If so, the Member will be given a copy of the Drug Formulary, and the coverage may exclude, or require the Member to pay higher Copayments for certain Prescription Drugs. To obtain a copy of the Drug Formulary, the Member should call Customer Service at the phone number shown on their ID Card.

Prescription Drug benefits do not cover over-the-counter drugs except insulin.

Additionally, Prescription Drug benefits are subject to quantity level limits as conveyed by the Food and Drug Administration (“FDA”) or the Claims Administrator’s Pharmacy and Therapeutics Committee.

The Claims Administrator, for all Prescription Drug benefits, requires prior authorization of a small number of drugs approved by the FDA for use in specific medical conditions. Where prior authorization or quantity limits are imposed, The Member's Physician may request an exception for coverage by providing documentation of Medical Necessity. The Member may obtain information about how to request an exception by calling Customer Service at the phone number on their ID Card.

The Member, or their Physician acting on the Member's behalf, may appeal any denial of benefits or application of higher cost sharing through the ***Complaint and Grievance Appeal Process*** described later in this Benefit Booklet.

Disease Management And Decision Support

Disease Management and Decision Support programs help Members to be effective partners in their health care by providing information and support to Members with certain chronic conditions as well as those with everyday health concerns. Disease Management is a systematic, population-based approach that involves identifying Members with certain chronic diseases, intervening with specific information or support to follow PCP’s and Participating Professional Provider's treatment plan, and measuring clinical and other outcomes. Decision Support involves identifying Members who may be facing certain treatment option decisions and offering them information to assist in informed, collaborative decisions with their PCP’s and Participating Professional Provider's. Decision Support also includes the availability of general health information, personal health coaching, PCP’s and Participating Professional Provider's information, or other programs to assist in health care decisions.

Disease Management interventions are designed to help Members manage their chronic condition in partnership with their PCP’s and Participating Professional Provider's. Disease Management programs, when successful, can help such Members avoid long term complications, as well as relapses that would otherwise result in Hospital or Emergency room

care. Disease Management programs also include outreach to Members to obtain needed preventive services, or other services recommended for chronic conditions. Information and support may occur in the form of telephonic health coaching, print, audio library or videotape, or Internet formats.

The Claims Administrator will utilize medical information such as claims data to operate the Disease Management or Decision Support program, to identify Members with chronic disease for example, to predict which Members would most likely benefit from these services, and to communicate results to Member's treating PCP's and Participating Professional Provider's. The Claims Administrator will decide what chronic conditions are included in the Disease Management or Decision Support program.

Participation by a Member in Disease Management or Decision Support programs is voluntary. A Member may continue in the Disease Management or Decision Support program until any of the following occurs:

- The Member notifies the Claims Administrator that they decline participation; or
- The Claims Administrator determines that the program, or aspects of the program, will not continue;
- The Member's Employer decides not to offer the programs.

Discretionary Authority

The Claims Administrator retains discretionary authority to interpret this Program and the facts presented to make benefit determinations. Benefits under this Program will be provided only if the Claims Administrator determines in its discretion that the Member is entitled to them.

Out-Of-Area Services

Overview

Keystone Health Plan East, Inc. ("Keystone") has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever the Member obtains healthcare services outside of Keystone's Service Area, the claims for these services may be processed through one of these Inter-Plan Arrangements.

When the Member receives care outside of Keystone's Service Area, they will receive it from one of two kinds of providers. Most providers ("participating providers") contract with the local Blue Cross and/or Blue Shield in that geographic area ("Host Blue"). Some providers ("non-participating providers") don't contract with the Host Blue. Keystone explains below how we pay both kinds of providers.

Keystone covers only limited healthcare services received outside of our Service Area. As used in this section, "Out-of-Area Covered Healthcare Services" include Emergency Care, Urgent Care and Follow-up Care obtained outside the geographic area we serve. Any other services will not be covered when processed through any Inter-Plan Arrangements, unless authorized by the Member's Primary Care Physician ("PCP").

A. BlueCard® Program

Under the BlueCard® Program, when a Member obtains Out-of-Area Covered Healthcare Services within the geographic area served by a Host Blue, Keystone will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables the Member to obtain Out-of-Area Covered Healthcare Services, as defined above, from a healthcare provider participating with a Host Blue, where available. The participating provider will automatically file a claim for the Out-of-Area Covered Healthcare Services provided to the Member, so there are no claim forms for the Member to fill out. The Member will be responsible for the Copayment amount, as stated in the ***Schedule of Covered Services***.

Emergency Care Services: If the Member experiences a Medical Emergency while traveling outside Keystone's Service Area, go to the nearest Emergency or Urgent Care facility.

When the Member receives Out-of-Area Covered Healthcare Services outside Keystone's Service Area and the claim is processed through the BlueCard Program, the amount the Member pays for the Out-of-Area Covered Healthcare Services, if not a flat dollar copayment, is calculated based on the lower of:

- The billed covered charges for the Member's Covered Services; or
- The negotiated price that the Host Blue makes available to Keystone.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Member's healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with the Member's healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price Keystone has used for the Member's claim because they will not be applied after a claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, Keystone will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

B. Non-Participating Healthcare Providers Outside Keystone's Service Area

Your Liability Calculation

When Out-of-Area Covered Healthcare Services are provided outside of Keystone's Service Area by nonparticipating providers, the amount you pay for such services will normally be based on either the Host Blue's nonparticipating provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be responsible for the difference between the amount that the nonparticipating provider bills and the payment Keystone will make for the Out-of-Area Covered Healthcare Services as set forth in

the Group Contract. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

Exceptions

In certain situations, Keystone may use other payment methods, such as billed charges for Out-of-Area Covered Healthcare Services, the payment we would make if the healthcare services had been obtained within our Service Area, or a special negotiated payment to determine the amount Keystone will pay for services provided by nonparticipating providers. In these situations, you may be liable for the difference between the amount that the nonparticipating provider bills and the payment Keystone will make for the Out-of-Area Covered Healthcare Services as set forth in the Group Contract.

C. Blue Cross Blue Shield Global Core

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing Covered Services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) (TTY: 711) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a physician appointment or hospitalization, if necessary.

▪ Inpatient Services

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-share amounts. In such cases, the hospital will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for Covered Services. **You must contact Keystone to obtain precertification for non-emergency inpatient services.**

▪ Outpatient Services

Physicians, urgent care centers and other outpatient providers located outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

ACCESS TO PRIMARY, SPECIALIST, AND HOSPITAL CARE

Direct Access To Certain Care

A Member does not need a Referral from his/her Primary Care Physician for the following Covered Services:

- Emergency Services;
- Care from a participating obstetrical/gynecological Specialist;
- Mammograms;
- Mental Health Care, Serious Mental Illness Health Care and Alcohol Or Drug Abuse And Dependency; Inpatient Hospital Services that require Preapproval. This does not include a maternity Inpatient Admission;
- Dialysis services performed in a Participating Facility Provider or by a Participating Professional Provider;
- Nutrition Counseling for Weight Management; and
- Diabetic Education Program.

How To Obtain A Specialist Referral

The Member should always consult their Primary Care Physician first when they need Medical Care.

If the Member's Primary Care Physician refers them to a Referred Specialist or facility just follow these steps:

- The Member's Primary Care Physician will submit an electronic Referral indicating the services authorized.
- The Member's Referral is valid for 90 days from issue date as long as they are a Member.
- This form is sent electronically to the Referred Specialist or facility before the services are performed. Only services authorized on the Referral form will be covered.
- Any additional Medically Necessary treatment recommended by the Referred Specialist beyond the 90 days from the date of issue of the initial Referral will require another electronic Referral from the Member's Primary Care Physician.
- The Member must be enrolled at the time they receive services from a Referred Specialist or Non-Participating Provider in order for services to be covered.

See the ***Preapproval for Non-Participating Providers*** section of the Benefit Booklet for information regarding services provided by Non-Participating Providers.

How To Obtain A Standing Referral

If the Member has a life-threatening, degenerative or disabling disease or condition, they may receive a Standing Referral to a Participating Professional Provider to treat that disease or condition. The Referred Specialist will have clinical expertise in treating the disease or condition. A Standing Referral is granted upon review of a treatment plan by the Claims Administrator and in consultation with the Member's Primary Care Physician.

Follow these steps to initiate a Standing Referral request.

- Call Customer Service at the telephone number shown on the Member's ID Card. (Or, the Member may ask their Primary Care Physician to call Provider Services or Care Management and Coordination to obtain a "Standing Referral Request" form.)
- A "Standing Referral Request" form will be mailed or faxed to the requestor.
- The Member must complete a part of the form and their Primary Care Physician will complete the clinical part. The Member's Primary Care Physician will then send the form to Care Management and Coordination.

- Care Management and Coordination will either approve or deny the request for the Standing Referral. The Member, their Primary Care Physician and the Referred Specialist will receive notice of the approval or denial in writing. The notice will include the time period for the Standing Referral.

If the Standing Referral is Approved

If the request for the Standing Referral to a Referred Specialist is approved, the Referred Specialist, the Member, and the Primary Care Physician will be informed in writing by Care Management and Coordination. The Referred Specialist must agree to abide by all the terms and conditions that the Claims Administrator has established with regard to Standing Referrals. This includes, but is not limited to, the need for the Referred Specialist to keep the Member's Primary Care Physician informed of their condition. When the Standing Referral expires, the Member or their Primary Care Physician will need to contact Care Management and Coordination and follow the steps outlined above to see if another Standing Referral will be approved.

If the Standing Referral is Denied

If the request for a Standing Referral is denied, the Member and their Primary Care Physician will be informed in writing. The Member will be given information on how to file a formal Complaint, if they so desire.

Designating A Referred Specialist As A Member's Primary Care Physician

If the Member has a life-threatening, degenerative or disabling disease or condition, they may have a Referred Specialist named to provide and coordinate both their primary and specialty care. The Referred Specialist will be a Physician with clinical expertise in treating their disease or condition. It is required that the Referred Specialist agrees to meet the Program's requirements to function as a Primary Care Physician.

Follow these steps to initiate a request for a Member's Referred Specialist to be their Primary Care Physician.

- Call Customer Service at the telephone number shown on the Member's ID Card. (Or, the Member may ask their Primary Care Physician to call Provider Services or Care Management and Coordination to initiate the request.)
- A "Request for Specialist to Coordinate All Care" form will be mailed or faxed to the requestor.
- The Member must complete a part of the form and their Primary Care Physician will complete the clinical part. The Member's Primary Care Physician will then send the form to Care Management and Coordination.
- The Medical Director will speak directly with the Member's Primary Care Physician and the selected Referred Specialist to apprise all parties of the primary services that the Referred Specialist must be able to provide in order to be designated as a Member's Primary Care Physician. If Care Management and Coordination approves the request, it will be sent to the Provider Service area. That area will confirm that the Referred Specialist meets the same credentialing standards that apply to Primary Care Physicians. (At the same time, the Member will be given a Standing Referral to see the Referred Specialist.)

If the Referred Specialist as Primary Care Physician Request is Approved

If the request for the Referred Specialist to be the Member's Primary Care Physician is approved, the Referred Specialist, the Member's Primary Care Physician and the Member will be informed in writing by Care Management and Coordination.

If the Referred Specialist as Primary Care Physician Request is Denied

If the request to have a Referred Specialist designated to provide and coordinate the Member's primary and specialty care is denied, the Member and their Primary Care Physician will be informed in writing. The Member will be given information on how to file a formal Complaint, if they so desire.

Changing A Member's Primary Care Physician

If a Member wishes to transfer to a different Primary Care Physician, a request can be made at any time, by:

- submitting in writing, calling the telephone number shown on the back of the Member ID Card, or using the IBX Mobile app to the HMO's Customer Service Department, or
- logging into the website at www.ibxpress.com and selecting Account Settings and Member Information.

The change will become effective on the earlier of:

- 14 days after the request is received (includes weekends), or
- the first day of the upcoming month.

Exceptions: However, changes will take effect on the first of the current month:

- when the Member did not make a PCP selection at the time of enrollment, or
- if the Member's PCP is no longer a Participating Provider.

If the participating status of the Member's Primary Care Physician changes, the Member will be notified in order to select another Primary Care Physician.

The Member must remember to have their medical records transferred to their new Primary Care Physician.

Changing A Member's Referred Specialist

The Member may change the Referred Specialist to whom they have been referred by their Primary Care Physician or for whom the Member has a Standing Referral. To do so, the Member asks their Primary Care Physician to recommend another Referred Specialist before services are performed. Or, the Member may call Customer Service at the telephone number shown on their ID Card. Remember, only services authorized on the Referral form will be covered.

If the participating status of a Referred Specialist the Member regularly visit changes, they will be notified to select another Referred Specialist.

Continuity Of Care

The Member has the option, if their Physician agrees to be bound by certain terms and conditions as required by the Claims Administrator, of continuing an ongoing course of treatment with that Physician. This continuation of care shall be offered through the current period of active treatment for an acute condition or through the acute phase of a chronic condition or for up to 90 calendar days from the notice that the status of the Member's Physician has changed or the Member's Effective Date of Coverage when:

- The Member's Physician is no longer a Participating Provider because the Claims Administrator terminates its contract with that Physician, for reasons other than cause; or
- The Member first enrolls in the Program and is in an ongoing course of treatment with a Non-Participating Provider.

If the Member is in their second or third trimester of pregnancy at the time of their enrollment or termination of a Participating Provider's contract, the continuity of care with that Physician will extend through post-partum care related to the delivery.

The Member should follow these steps to initiate their continuity of care:

- Call Customer Service at the number on the Member's ID Card and ask for a "Request for Continuation of Treatment" form.
- The "Request for Continuation of Treatment" form will be mailed or faxed to the Member.
- The Member must complete the form and send it to Care Management and Coordination at the address that appears on the form.

If the Member's Physician agrees to continue to provide their ongoing care, the Physician must also agree to be bound by the same terms and conditions as apply to Participating Providers.

The Member will be notified when the participating status of their Primary Care Physician changes so that they can select another Primary Care Physician.

Preapproval For Non-Participating Providers

The Claims Administrator may approve payment for Covered Services provided by a Non-Participating Provider if the Member has:

- First sought and received care from a Participating Provider in the same American Board of Medical Specialties (ABMS) recognized specialty as the Non-Participating Provider that the Member has requested. (The Member's Primary Care Physician is required to obtain Preapproval from the Claims Administrator for services provided by a Non-Participating Provider.)
- Been advised by the Participating Provider that there are no Participating Providers that can provide the requested Covered Services; and
- Obtained authorization from the Claims Administrator prior to receiving care. The Claims Administrator reserves the right to make the final determination whether there is a Participating Provider that can provide the Covered Services.

If the Claims Administrator approves the use of a Non-Participating Provider, the Member will not be responsible for the difference between the Provider's billed charges and the Claims Administrator's payment to the Provider but the Member will be responsible for applicable cost-sharing amounts. If the Member receives any bills from the Provider, they need to contact Customer Service at the telephone number on their ID card. When the Member notifies the Claims Administrator about these bills, the Claims Administrator will resolve the balance billing.

Hospital Admissions

- If the Member needs hospitalization or outpatient Surgery, the Member's Primary Care Physician or Referred Specialist will arrange admission to the Hospital or outpatient surgical facility on their behalf.
- The Member's Primary Care Physician or Referred Specialist will coordinate the Preapproval for their outpatient Surgery or Inpatient admission with the Claims Administrator, and the Claims Administrator will assign a Preapproval number. Preapproval is not required for a maternity Inpatient Admission.
- The Member does not need to receive an electronic Referral from their Primary Care Physician for Inpatient Hospital Services that require Preapproval.

Upon receipt of information from the Member's Primary Care Physician or Referred Specialist, Care Management and Coordination will evaluate the request for hospitalization or outpatient

Surgery based on clinical criteria guidelines. Should the request be denied after review by a Claims Administrator Medical Director, the Member, their Primary Care Physician or their Referred Specialist has a right to appeal this decision through the Grievance appeal process.

During an Inpatient hospitalization, Care Management and Coordination is monitoring the Member's Hospital stay to assure that a plan for their discharge is in place. This is to make sure that the Member has a smooth transition from the Hospital to home, or to another setting such as a Skilled Nursing or Rehabilitation Facility. A Claims Administrator Case Manager will work closely with the Member's Primary Care Physician or Referred Specialist to help with their discharge and if necessary, arrange for other medical services.

Should the Member's Primary Care Physician or Referred Specialist agree with the Claims Administrator that Inpatient hospitalization services are no longer required, the Member will be notified in writing of this decision. Should the Member decide to remain hospitalized after this notification, the Hospital has the right to bill the Member after the date of the notification. The Member may appeal this decision through the Grievance appeal process.

Recommended Plan Of Treatment

The Member agrees, when enrolling in this Program, to receive care according to the recommendations of their Primary Care Physician or Referred Specialist. The Member has the right to give their informed consent before the start of any procedure or treatment. The Member also has the right to refuse any drugs, treatment or other procedure offered to them by providers in the Claims Administrator's network, and to be informed by their Physician of the medical consequences of their refusal of any drugs, treatment, or procedure.

The Claims Administrator and the Member's Primary Care Physician will make every effort to arrange a professionally acceptable alternative treatment. However, if the Member still refuses the recommended Plan of Treatment, the Claims Administrator will not be responsible for the costs of further treatment for that condition and the Member will be so notified. The Member may use the Grievance appeal process to have their case reviewed, if they so desire.

Special Circumstances

In the event that Special Circumstances result in a severe impact to the availability of Providers and services, to the procedures required for obtaining benefits for Covered Services under this Program described in this Benefit Booklet (For example, obtaining Referrals, use of Participating Providers), or to the administration of this Program by the Claims Administrator, the Claims Administrator may, on a selective basis, waive certain procedural requirements of this Program. Such waiver shall be specific as to the requirements that are waived and shall last for such period of time as is required by the Special Circumstances as defined below.

The Claims Administrator shall make a good faith effort to arrange for an alternative method of providing coverage. In such event, the Claims Administrator shall provide access to Covered Services in so far as practical, and according to its best judgment. Neither the Claims Administrator nor Providers in the Claims Administrator's network shall incur liability or obligation for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by Special Circumstances.

Special Circumstances, as recognized in the community and by the Claims Administrator and appropriate regulatory authority, are extraordinary circumstances not within the control of the Claims Administrator, including but not limited to:

- A major disaster;
- An epidemic;
- A pandemic;
- Riot;
- Civil insurrection; or
- The complete or partial destruction of facilities.

Member Liability

Except when certain cost sharing is specified in this Benefit Booklet or on the ***Schedule of Covered Services***, the Member is not liable for any charges for Covered Services when these services have been provided or Referred by their Primary Care Physician and they are eligible for such benefits on the date of service.

Right To Recover Payments Made In Error

If the Claims Administrator should provide coverage for any contractually excluded services through inadvertence or error, the Claims Administrator maintains the right to seek recovery of such payment from the Provider or Member to whom such payment was made.

INFORMATION ABOUT PROVIDER REIMBURSEMENT

The Claims Administrator reimbursement programs for health care providers are intended to encourage the provision of quality, cost-effective care for our Members. Set forth below is a general description of the Claims Administrator reimbursement programs, by type of participating health care provider. These programs vary by state.

Please note that these programs may change from time to time, and the arrangements with particular providers may be modified as new contracts are negotiated. If after reading this material the Member has any questions about how their health care provider is compensated, please speak with them directly or contact Customer Service.

Professional Providers

Primary Care Physicians: Most Primary Care Physicians (PCPs) are paid in advance for their services, receiving a set dollar amount per Member, per month for each Member selecting that PCP. This is called a capitation payment and it covers most of the care delivered by the PCP. Covered Services not included under capitation are paid fee-for-service according to the Claims Administrator fee schedule. Many Pennsylvania based PCPs are also eligible to receive additional payments for meeting certain medical quality, patient service and other performance standards. In Pennsylvania, the PCP Quality Incentive Payment System (QIPS) includes incentives for practices that have extended hours and submit encounter and referral data electronically, as well as an incentive that is based on the extent to which a PCP prescribes generic drugs (when available) relative to similar PCPs. In addition, the Practice Quality Assessment Score focuses on preventive care and other established clinical interventions.

Referred Specialist: Most Referred Specialist are paid on a fee-for-service basis, meaning that payment is made according to the Claims Administrator's fee schedule for the specific medical services that the Referred Specialist performs. Obstetricians are paid global fees that cover most of their professional services for prenatal care and for delivery.

Designated Providers: For a few specialty services, PCPs are required to select a Designated Provider to which they refer all of the Claims Administrator's patients for those services. The specialist services for which PCPs must select a Designated Provider vary by state and could

include, but are not limited to, radiology and Physical Therapy. Designated Providers usually are paid a set dollar amount per Member per month (capitation) for their services based on the PCPs that have selected them. Before selecting a PCP, Members may want to speak to the PCP regarding the Designated Provider that PCP has chosen.

Hospital-Based Provider: When the Member receives Covered Services from a Hospital-Based Provider while they are an Inpatient at a Participating Hospital or other Participating Facility Provider and are being treated by a Participating Professional Provider, the Member will receive benefits for the Covered Services provided by the Non-Participating Hospital-Based Provider. A Hospital-Based Provider can bill the Member directly for their services, for either the Provider's charges or amounts in excess of the Claims Administrator's payment to the Hospital-Based Providers (That is, "balance billing"). If the Member receives any bills from the Provider, the Member needs to contact Customer Services at the telephone number on the ID card. When the Member notifies the Claims Administrator about these bills, the Claims Administrator will resolve the balance billing.

Institutional Providers

Hospitals: For most inpatient medical and surgical Covered Services, Hospitals are paid per diem rates, which are specific amounts paid for each day a Member is in the Hospital. These rates usually vary according to the intensity of services provided. Some Hospitals are also paid case rates, which are set dollar amounts paid for a complete hospital stay related to a specific procedure or diagnosis, (For example, transplants).

For most outpatient and Emergency Covered Services and procedures, most Hospitals are paid specific rates based on the type of service performed. Hospitals may also be paid a global rate for certain outpatient Covered Services (For example, lab and radiology) that includes both the facility and Physician payment. For a few Covered Services, Hospitals are paid based on a percentage of billed charges. Most Hospitals are paid through a combination of the above payment mechanisms for various Covered Services.

Some Hospitals participate in a quality incentive program. The program provides increased reimbursement to these Hospitals when they meet specific quality and other criteria, including "Patient Safety Measures." Such patient safety measures are consistent with recommendations by The Leap Frog Group, Joint Commission on Accreditation of Healthcare Organizations (JCAHO), and the Agency for Health Care Research and Quality (AHRQ) and are designed to help reduce medical and medication errors. Other criteria are directed at improved patient outcomes and electronic submissions. This incentive program is expected to evolve over time.

Skilled Nursing Homes, Rehabilitation Hospitals, and other care facilities: Most Skilled Nursing Facilities and other special care facilities are paid per diem rates, which are specific amounts paid for each day a Member is in the facility. These amounts may vary according to the intensity of services provided.

Ambulatory Surgical Centers (ASCs)

Most ASCs are paid specific rates based on the type of service performed. For a few Covered Services, some ASCs are paid based on a percentage of billed charges.

Integrated Delivery Systems: In a few instances, we have global payment arrangements with integrated Hospital/Physician organizations called Integrated Delivery Systems (IDS). In these cases the IDS provides or arranges for some of the Hospital, Physician and ancillary Covered Services provided to some of our Members who select PCPs which are employed by or

participate with the IDS. The IDS is paid a global fee to cover all such Covered Services, whether provided by the IDS or other Providers. These IDSs are therefore “at risk” for the cost of these Covered Services. Some of these IDSs may provide incentives to their IDS-affiliated Professional Providers for meeting certain quality, service or other performance standards.

Physician Group Practices and Physician Associations

Certain Physician group practices and independent Physician associations (IPAs) employ or contract with individual Physicians to provide medical Covered Services. These groups are paid as outlined above. These groups may pay their affiliated Physicians a salary and/or provide incentives based on production, quality, service, or other performance standards. In Pennsylvania, we have entered into a joint venture with an IPA. This IPA is paid a global fee to cover the cost of all Covered Services, including Hospital, professional and ancillary Covered Services provided to Members who choose a PCP in this IPA. This IPA is therefore “at risk” for the cost of these Covered Services. This IPA provides incentives to its affiliated Physicians for meeting certain quality, service and performance standards.

Ancillary Service Providers

Some ancillary service providers, such as Durable Medical Equipment and Home Health Care Providers, are paid fee-for-service payments according to the Claims Administrator fee schedule for the specific medical services performed. Other ancillary service providers, such as those providing laboratory, dental or vision Covered Services, are paid a set dollar amount per Member per month (capitation). Capitated ancillary service vendors are responsible for paying their contracted providers and do so on a fee-for-service basis.

Mental Health/ Alcohol or Drug Abuse and Dependency

A mental health/Alcohol or Drug Abuse and Dependency (“behavioral health”) management company administers most of the behavioral health benefits, provides a network of Participating Behavioral Specialists and processes the related claims. The behavioral health management company is paid a set dollar amount per Member per month (capitation) for each Member and is responsible for paying its contracted providers on a fee-for-service basis. The contract with the behavioral health management company includes performance-based payments related to quality, provider access, service, and other such parameters.

A subsidiary of Independence Blue Cross has a less than one percent ownership interest in this behavioral health management company.

UTILIZATION REVIEW PROCESS AND CRITERIA

Utilization Review Process

Two conditions of this Program are that in order for a health care service to be covered or payable, the service must be:

- Eligible for coverage under this Program; and,
- Medically Necessary.

To assist the Claims Administrator in making coverage determinations for certain requested health care services, the Claims Administrator uses established Claims Administrator medical policies and medical guidelines based on clinically credible evidence to determine the Medical Necessity of the requested services. The appropriateness of the requested setting in which the services are to be performed is part of this assessment. The process of determining the Medical Necessity of requested health care services for coverage determinations based on the benefits available under a Member's benefit plan is called utilization review.

It is not practical to verify Medical Necessity on all procedures on all occasions, therefore certain procedures may be determined by the Claims Administrator to be Medically Necessary and automatically approved based on the accepted Medical Necessity of the procedure itself, the diagnosis reported or an agreement with the performing Provider. An example of such automatically approved services is an established list of services received in an emergency room which have been approved by the Claims Administrator based on the procedure meeting Emergency criteria and the severity of diagnosis reported (For example, rule out myocardial infarction, or major trauma). Other requested services, such as certain elective inpatient or outpatient procedures may be reviewed on a procedure specific or setting basis.

Utilization review generally includes several components which are based on when the review is performed. When the review is required before a service is performed (pre-service review) it is called Precertification (applicable when the Member's benefit plan provides benefits for services performed without the required Referral or by non-Participating Providers (That is, point-of-service coverage) or Preapproval. Reviews occurring during a Hospital stay are called concurrent reviews. Those reviews occurring after services have been performed (post-service reviews) are called retrospective reviews. The Claims Administrator follows applicable state and federally required standards for the timeframes in which such reviews are to be performed.

Generally, where a requested service is not automatically approved and must undergo Medical Necessity review, nurses perform the initial case review and evaluation for plan coverage approval using the Claims Administrator's medical policies, established guidelines and evidence-based clinical criteria and protocols; however only a Medical Director may deny coverage for a procedure based on Medical Necessity. The evidence-based clinical protocols evaluate the Medical Necessity of specific procedures and the majority is computer-based. Information provided in support of the request is entered into the computer-based system and evaluated against the clinical protocols. Nurses apply applicable benefit plan policies and procedures, taking into consideration the individual Member's condition and applying sound professional judgment. When the clinical criteria are not met, the given service request is referred to a Medical Director for further review for approval or denial. Independent medical consultants may also be engaged to provide clinical review of specific cases or for specific conditions. Should a procedure be denied for coverage based on lack of Medical Necessity a letter is sent to the requesting Provider and Member in accordance with applicable law.

The Claims Administrator's utilization review program encourages peer dialogue regarding coverage decisions based on Medical Necessity by providing Physicians with direct access to plan Medical Directors to discuss coverage of a case. The nurses, Medical Directors, other Professional Providers, and independent medical consultants who perform utilization review services are not compensated or given incentives based on their coverage review decisions. Medical Directors and nurses are salaried, and contracted external physician and other professional consultants are compensated on a per case reviewed basis, regardless of the coverage determination. The Claims Administrator does not specifically reward or provide financial incentives to individuals performing utilization review services for issuing denials of coverage. There are no financial incentives for such individuals which would encourage utilization review decisions that result in underutilization.

Precertification or Preapproval

When required and applicable, Precertification or Preapproval evaluates the Medical Necessity, including the appropriateness of the setting, of proposed services for coverage under the Member's benefit plan. Examples of these services include certain planned or elective inpatient

admissions and selected outpatient procedures according to the Member's benefit plan. Where required by the Member's benefit plan, Preapproval is initiated by the Provider and Precertification is initiated by the Member.

Where Precertification or Preapproval is required, coverage of the proposed procedure is contingent upon the review being completed and receipt of the approval certification. Coverage penalties may be applied when Precertification is required for a procedure but is not obtained. If the Primary Care Physician or Referred Specialist fails to obtain Preapproval when required, and provides Covered Services or Referrals without obtaining such Preapproval, the Member will not be responsible for payment.

While the majority of services requiring Precertification or Preapproval are reviewed for medical appropriateness of the requested procedure setting (For example, inpatient, short procedure unit, or outpatient setting), other elements of the Medical Necessity of the procedure may not always be evaluated and may be automatically approved based on the procedure or diagnosis for which the procedure is requested or an agreement with the performing Provider. Precertification or Preapproval is not required for Emergency services and is not performed where an agreement with the Participating Provider does not require such review.

The following are general examples of current Precertification or Preapproval requirements under benefit plans; however these requirements vary by benefit plan and state and are subject to change

- Hysterectomy;
- Nasal surgery procedures;
- Bariatric surgery; and
- Potentially cosmetic or Experimental/Investigative Services.

Concurrent Review

Concurrent review may be performed while services are being performed. This may occur during an Inpatient Admission and typically evaluates the expected and current length of stay to determine if continued hospitalization is Medically Necessary. When performed, the review assesses the level of care provided to the Member and coordinates discharge planning. Concurrent review continues until the patient is discharged. Not all inpatient stays are reviewed concurrently. Concurrent review is generally not performed where an inpatient facility is paid based on a per case or diagnosis-related basis, or where an agreement with the facility does not require such review.

Retrospective Review

Retrospective review occurs after services have been provided. This may be for a variety of reasons, including the Claims Administrator not being notified of a Member's inpatient admission until after discharge or where medical charts are unavailable at the time of a required concurrent review. Certain services are only reviewed on a retrospective basis.

Prenotification

In addition to the standard utilization reviews outlined above, the Claims Administrator also may determine coverage of certain procedures and other benefits available to Members through Prenotification, as required by the Members' benefit plan, and discharge planning. Prenotification is advance notification to the Claims Administrator of an inpatient admission or outpatient service where no Medical Necessity review (Precertification or Preapproval) is required, such as maternity admissions/deliveries. Prenotification is primarily used to identify

Members for concurrent review needs, to ascertain discharge planning needs proactively, and to identify who may benefit from case management programs.

Discharge Planning

Discharge planning is performed during an inpatient admission and is used to identify and coordinate a Member's needs and benefit plan coverage following the Inpatient Admission, such as covered home care, ambulance transport, acute rehabilitation, or Skilled Nursing Facility placement. Discharge planning involves the Claims Administrator's authorization of post-Hospital Covered Services and identifying and referring Members to disease management or case management benefits.

Selective Medical Review

In addition to the foregoing requirements, the Claims Administrator reserves the right, under its utilization and quality management programs, to perform a medical review prior to, during or following the performance of certain Covered Services ("selective medical review") that are otherwise not subject to review as described above. In addition, the Claims Administrator reserves the right to waive medical review for certain Covered Services for certain Providers, if the Claims Administrator determines that those Providers have an established record of meeting the utilization and/or quality management standards for those Covered Services. Regardless of the outcome of the Claims Administrator's selective medical review, there are no coverage penalties applied to the Member.

CLINICAL CRITERIA, GUIDELINES AND RESOURCES

The following guidelines, clinical criteria and other resources are used to help make Medical Necessity coverage decisions:

Clinical Decision Support Criteria

Clinical decision support criteria are an externally validated and computer-based system used to assist the Claims Administrator in determining Medical Necessity. These evidence-based, clinical decision support criteria are nationally recognized and validated. Using a model based on evaluating intensity of service and severity of illness, these criteria assist the Claims Administrator's clinical staff in evaluating the Medical Necessity and appropriateness of coverage based on a Member's specific clinical needs. Clinical decision support criteria help promote consistency in the Claims Administrator's plan determinations for similar medical issues and requests, and reduce practice variation among the Claims Administrator's clinical staff to minimize subjective decision-making.

Clinical decision support criteria may be applied for Covered Services including, but not limited to the following:

- Some elective surgeries—settings for inpatient and outpatient procedures (For example, hysterectomy and sinus surgery);
- Inpatient Hospital Services;
- Inpatient rehabilitation care;
- Home Health Care;
- Durable Medical Equipment; and
- Skilled Nursing Facility Services.

Centers for Medicare and Medicaid Services (CMS) Guidelines

These are a set of guidelines adopted and published by CMS for coverage of services by Medicare and Medicaid for persons who are eligible and have health coverage through Medicare or Medicaid.

The Claims Administrator's Medical Policies

These are the Claims Administrator's internally developed set of policies which document the coverage and conditions for certain medical/surgical procedures and ancillary services.

The Claims Administrator's medical policies may be applied for Covered Services including, but not limited to the following:

- Ambulance;
- Infusion;
- Speech Therapy;
- Occupational Therapy;
- Durable Medical Equipment; and
- Review of potential cosmetic procedures.

The Claims Administrator's Internally Developed Guidelines

These are a set of guidelines developed specifically by the Claims Administrator, as needed, with input by clinical experts based on accepted practice guidelines within the specific fields and reflecting the Claims Administrator's medical policies for benefit plan coverage.

DELEGATION OF UTILIZATION REVIEW ACTIVITIES AND CRITERIA

The Claims Administrator delegates its utilization review process to its affiliate, Independence Healthcare Management, a state- licensed utilization review entity. In certain instances, the Claims Administrator has delegated certain utilization review activities, which may include Preapproval, Precertification, concurrent review, and case management, to integrated delivery systems and/or entities with an expertise in medical management of a certain membership population (such as, neonates/premature infants) or a type of benefit or service (such as behavioral health or radiology). In such instances, a formal delegation and oversight process is established in accordance with applicable law and nationally-recognized accreditation standards. In such cases, the delegate's utilization review criteria are generally used, with the Claims Administrator's approval.

Utilization Review and Criteria for Behavioral Health Services

Utilization Review activities for behavioral health services (mental health and Alcohol or Drug Abuse and Dependency services) have been delegated by the Claims Administrator to its contracted behavioral health management company which administers the behavioral health benefits for the majority of the Claims Administrator's Members.

COORDINATION OF BENEFITS

If a Member or any of their Dependents have other group health insurance coverage which provides benefits for Hospital, medical, or other health expenses, the Member's benefit payments may be subject to Coordination of Benefits (COB). COB refers to the administration of health benefit coverage when a person is covered by more than one group plan. COB provisions:

- Determine which health plan will be the primary payor and which will be the secondary payor;
- Regulate benefit payments so that total payments by all insurers do not exceed total charges for Covered Services;
- Apply to all Member benefits, however, the Claims Administrator will provide access to Covered Services first and apply the applicable COB rules later;
- Allow the Claims Administrator to recover any expenses paid in excess of its obligation as a non-primary payor; and
- Apply to services for the treatment of injury resulting from the maintenance or use of a motor vehicle.

Coordination of Benefits Administration

Determination will be made as to whether the Member is also entitled to receive benefits under any other group health care insurance plan or under any governmental program for which any periodic payment is made by or for the Member, with the exception of student accident plans, group hospital indemnity plans paying \$100 per day or less and, if provided under the Member's Program, coverage for vision expenses. If so, the Claims Administrator shall determine whether the other insurer or government plan has primary responsibility for payment. In these cases, the payment under this Program may be reduced or eliminated. The Claims Administrator will provide access to Covered Services first and determine liability later.

If it is determined that this Program is the secondary plan, the Claims Administrator has the right to recover the expense already paid in excess of this Program's liability as the secondary plan. In such cases, only care provided or Referred by the Member's Primary Care Physician will be covered by this Program as secondary. The Member is required to furnish information and to take such other action as is necessary to assure the rights of the Claims Administrator. In determining whether this Program or another group health plan has primary liability the following will apply.

- If another plan under which an individual has coverage with does not have a COB provision, that plan will be primary and this Program will be secondary. In order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by their Primary Care Physician.
- If the other plan does include a Coordination of Benefits or non-duplication provision:
 - The plan which covers an individual as a Subscriber (meaning not a dependent) will be primary. The plan which covers the individual as a dependent will be secondary;
 - If there is a court decree which establishes financial responsibility for the health care expenses of the dependent child, the plan which covers the child as a dependent of the parent with such financial responsibility will be the primary plan;
 - Where both plans cover a child as a dependent, the plan of the parent whose date of birth (excluding year) occurs earlier in the calendar year will be primary (the Birthday Rule). If both parents have the same birthday, the plan covering the parent longer will be primary. If the other plan does not include this provision, the provisions of that plan will determine the order of benefits.
 - If parents are separated or divorced, and no court decree applies, the benefits for the child will be determined as follows:
 - The plan of the parent with custody of the child will be primary;
 - The plan of the spouse of the parent with custody of the child will be secondary;
 - The plan of the parent not having custody of the child will be third;
 - In cases of joint custody, benefits will be determined by the Birthday Rule.
 - Where there is a court decree which establishes financial responsibility for the health care expenses of the child, the plan which covers the child as a dependent of the parent with such financial responsibility will be the primary plan.
 - In cases of joint custody, benefits will be determined by the Birthday Rule as described in the second bulleted item above regarding the "Coordination of Benefits or non-duplication provision".
- The benefits of a plan covering the patient as a laid-off or retired employee or as the Dependent of a laid off or retired employee shall be determined after the benefits of any other plan covering such person as an employee or dependent of such person. If the other plan does not have the rule regarding laid-off or retired employees, and if, as a result, the plans do not agree on the order of benefits, the rule will be ignored.

- Where the determination cannot be made in accordance with the preceding paragraphs, the plan which has covered the patient for the longer period of time will be the primary plan.
- Expenses for the treatment of injury arising out of the maintenance or use of a motor vehicle shall be eligible for coverage only to the extent that such benefits are in excess of, and not in duplication of, benefits paid or payable:
 - Under a plan or policy of motor vehicle insurance, provided that non-duplication as contained herein is not prohibited by law; or
 - Through a program or other arrangement of qualified or certified self-insurance.
- The Claims Administrator may release to or obtain from any person or organization any information about coverage, expenses and benefits, which may be necessary to determine whether this Program has the primary responsibility of payment. For the purpose of COB, if the Member receives services or supplies available under this Benefit Booklet but such is not provided by nor Referred by the Member's Primary Care Physician payment will not be made by this Program except as provided under this Benefit Booklet.
- Services provided under any governmental program for which any periodic payment is made by or for the Subscriber shall always be the primary plan, except where prohibited by law.

This provision does not apply to an individual health care plan issued to or in the name of the Member.

SUBROGATION AND REIMBURSEMENT RIGHTS

By accepting benefits for Covered Services, you agree that the Claims Administrator has the right to enforce subrogation and reimbursement rights. This section explains these rights and the responsibilities of each Member pertaining to subrogation and reimbursement. The term Member includes Eligible Dependents. The term Responsible Third Party refers to any person or entity, including any insurance company, health benefits plan or other third party, that has an obligation (whether by contract, common law or otherwise) to pay damages, pay compensation, provide benefits or make any type of payment to you for an injury or illness.

The Claims Administrator retains full discretionary authority to interpret and apply these subrogation and reimbursement rights based on the facts presented.

Subrogation Rights

Subrogation rights arise when the Claims Administrator pays benefits on behalf of a Member and the Member has a right to receive damages, compensation, benefits or payments of any kind (whether by a court judgment, settlement or otherwise) from a Responsible Third Party. The Claims Administrator is subrogated to the Member's right to recover from the Responsible Third Party. This means that the Claims Administrator "stands in your shoes" – and assumes your right to pursue and receive the damages, compensation, benefits or payments from the Responsible Third Party to the full extent that the Claims Administrator has reimbursed you for medical expenses or paid medical expenses on your behalf, plus the costs and fees that are incurred by the Claims Administrator to enforce these rights. The right to pursue a subrogation claim is not contingent upon whether or not you pursue the Responsible Third Party for any recovery.

Reimbursement Rights

If a Member obtains any recovery — regardless of how it's described or structured — from a Responsible Third Party, the Member must fully reimburse the Claims Administrator for all

medical expenses that were paid to the Member or on the Member's behalf, plus the costs and fees that are incurred by the Claims Administrator to enforce these rights. The Claims Administrator has a right to full reimbursement.

Lien

By accepting benefits for Covered Services from the Claims Administrator you agree to a first priority equitable lien by agreement on any payment, reimbursement, settlement or judgment received by you, or anyone acting on your behalf, from any Responsible Third Party. As a result, you must repay to the Claims Administrator the full amount of the medical expenses that were paid to you or on your behalf out of the amounts recovered from the Responsible Third Party (plus the costs and fees that are incurred by the Claims Administrator to enforce these rights) first, before funds are allotted toward any other form of damages, whether or not there is an admission of fault or liability by the Responsible Third Party. The Claims Administrator has a lien on any amounts recovered by the Member from a Responsible Third Party, regardless of whether or not the amount is designated as payment for medical expenses. This lien will remain in effect until the Claims Administrator is reimbursed in full.

Constructive Trust

If you (or anyone acting on your behalf) receive damages, compensation, benefits or payments of any type from a Responsible Third Party (whether by a court judgment, settlement or otherwise), you agree to maintain the funds in a separate, identifiable account and that the Claims Administrator has a lien on the monies. In addition you agree to serve as the trustee over the monies for the benefit of Claims Administrator to the full extent that the Claims Administrator has reimbursed you for medical expenses or paid medical expenses on your behalf, plus the attorney's fees and the costs of collection incurred by the Claims Administrator.

- These subrogation and reimbursement rights apply regardless of whether money is received through a court decision, settlement, or any other type of resolution.
- These subrogation and reimbursement rights apply even if the recovery is designated or described as covering damages other than medical expenses (such as property damage or pain and suffering).
- These subrogation and reimbursement rights apply with respect to any recoveries made by the Member, including amounts recovered under an uninsured or underinsured motorist policy.
- The Claims Administrator is entitled to recover the full amount of the benefits paid to the Member or on the Member's behalf plus the costs and fees that are incurred by the Claims Administrator to enforce these rights without regard to whether the Member has been made whole or received full compensation for other damages (including property damage or pain and suffering). The recovery rights of the Claims Administrator will not be reduced by the "made whole" doctrine or "double recovery" doctrine.
- The Claims Administrator will not pay, offset any recovery, or in any way be responsible for attorneys' fees or costs associated with pursuing a claim against a Responsible Third Party unless the Claims Administrator agrees to do so in writing. The recovery rights of the Claims Administrator will not be reduced by the "common fund" doctrine.

- In addition to any coordination of benefits rules described in this booklet, the benefits paid by the Claims Administrator will be secondary to any no-fault auto insurance benefits and to any worker's compensation benefits (no matter how any settlement or award is characterized) to the fullest extent permitted by law.
- These subrogation and reimbursement rights apply and will not be decreased, restricted, or eliminated in any way if the Member receives or has the right to recover no-fault insurance benefits. All rights under this section are enforceable against the heirs, estate, legal guardians or legal representatives of the Member.
- The Claims Administrator is entitled to recover the full amount of the medical benefits paid without regard to any claim of fault on your part.

Obligations of Member

- Immediately notify the Claims Administrator or its designee in writing if you assert a claim against a Responsible Third Party, whether informally or through judicial or administrative proceedings.
- Immediately notify the Claims Administrator or its designee in writing whenever a Responsible Third Party contacts you or your representative - or you or your representative contact a Responsible Third Party - to discuss a potential settlement or resolution.
- Refuse any offer to settle, adjust or resolve a claim for damages, benefits or compensation that involves an injury, illness or medical expenses in any way, unless and until you receive written authorization from the Claims Administrator or its delegated representative.
- Fully cooperate with the Claims Administrator and its designated representative, as needed, to allow for the enforcement of these subrogation and reimbursement rights and promptly supply information/documentation when requested and promptly execute any and all forms/documents that may be needed.
- Avoid taking any action that may prejudice or harm the Claims Administrator ability to enforce these subrogation and reimbursement rights to the fullest extent possible.
- Fully reimburse the Claims Administrator or its designated representative immediately upon receiving compensation of any kind (whether by court judgment, settlement or otherwise) from a Responsible Third Party.
- Serve as trustee for any and all monies paid to (or payable to) you or for your benefit by any Responsible Third Party to the full extent the Claims Administrator paid benefits for an injury or illness.
- All of these Obligations apply to the heirs, estate, legal guardians or legal representatives of the Member.

IMPORTANT: Failure to Cooperate

If you fail or refuse to sign forms or documents as requested or otherwise fail or refuse to cooperate or abide by any of the obligations described above, the Claims Administrator or Plan Administrator, as applicable, has full discretion and authority to reduce or withhold benefit

payments to recover subrogation/reimbursement amounts that are owed and/or to terminate your participation in the benefit program.

CLAIM PROCEDURES

Most claims are filed by Providers in the Claims Administrator's network. The following applies if the Member must submit a claim.

Notice of Claims

The Claims Administrator will not be liable for any claims under this Program unless proper notice is furnished to the Claims Administrator that Covered Services in this Program have been rendered to a Member.

Written notice of a claim must be given to the Claims Administrator within 20 days, or as soon as reasonably possible after Covered Services have been rendered to the Member. Notice given by or on behalf of the Member to the Claims Administrator that includes information sufficient to identify the Member that received the Covered Services, shall constitute sufficient notice of a claim to the Claims Administrator.

The Member can give notice to the Claims Administrator by calling Customer Service. The telephone number and address of Customer Service can be found on the Member's ID Card. A charge shall be considered Incurred on the date a Member receives the Covered Service for which the charge is made.

Proof of Loss

Claims cannot be paid until a written proof of loss is submitted to the Claims Administrator. Written proof of loss must be provided to the Claims Administrator within 90 days after the charge for Covered Services is Incurred. Proof of loss must include all data necessary for the Claims Administrator to determine benefits. Failure to submit a proof of loss to the Claims Administrator within the time specified will not invalidate or reduce any claim if it is shown that the proof of loss was submitted as soon as reasonably possible, but in no event, except in the absence of legal capacity, will the Claims Administrator be required to accept a proof of loss later than 12 months after the charge for Covered Services is Incurred.

Claim Forms

If a Member (or if deceased, by his/her personal representative) is required to submit a proof of loss for benefits under this Program, it must be submitted to the Claims Administrator on the appropriate claim form. The Claims Administrator, upon receipt of a notice of claim will, within 15 days following the date notice of claim is received, furnish to the Member claim forms for filing proofs of loss. If claim forms are not furnished within 15 days after the giving of such notice, the Member shall be deemed to have complied with the requirements of this subsection as to filing a proof of loss upon submitting, within the time fixed in this subsection for filing proofs of loss, itemized bills for Covered Services as described below. Itemized bills may be submitted to the Claims Administrator at the address appearing on the Member's ID Card. Itemized bills cannot be returned.

Submission of Claims Forms

For Member-submitted claims, the completed claim form, with all itemized bills attached, must be forwarded to the Claims Administrator at the address appearing on the claim form in order to satisfy the requirement of submitting a written proof of loss and to receive payment for benefits provided under this Program.

To avoid delay in handling Member-submitted claims, answers to all questions on the claim form must be complete and correct. Each claim form must be accompanied by itemized bills showing all of the following information:

- Person or organization providing the service or supply;
- Type of service or supply;
- Date of service or supply;
- Amount charged; and
- Name of Patient.

A request for payment of a claim will not be reviewed and no payment will be made unless all the information and evidence of payment required on the claim form has been submitted in the manner described above. The Claims Administrator reserves the right to require additional information and documents as needed to support a claim that a Covered Service has been rendered.

Timely Payment of Claims

Claims payment for benefits payable under this Program will be processed immediately upon receipt of proper proof of loss.

Physical Examinations and Autopsy

The HMO at its own expense shall have the right and opportunity to examine the Member when and so often as it may reasonably require during the pendency of claim under the Contract; and the HMO shall also have the right and opportunity to make an autopsy in case of death, where it is not prohibited by law.

Payment of Claims

If any indemnity of the Contract shall be payable to the estate of the Member, or to a Member or beneficiary who is a minor or otherwise not competent to give a valid release, the HMO may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Member or beneficiary who is deemed by the HMO to be equitably entitled thereto. Any payment made by the HMO in good faith pursuant to this provision shall fully discharge the HMO to the extent of such payment.

Time Limit on Certain Defenses

After three (3) years from the date of issue of the Contract, no misstatements, except fraudulent misstatements made by the Applicant in the Application for such Contract, shall be used to void said Contract or to deny benefits for a claim incurred commencing after the expiration of such three (3) year period.

Legal Action

No legal action may be commenced against the Health Benefit Plan with respect to the Contract until at least sixty (60) days after the Health Benefit Plan has received a properly completed claim form, Referral or encounter form. No legal action against the Health Benefit Plan with respect to the Contract may be filed later than three (3) years after the Covered Services or supplies were performed or provided.

In addition, no legal action regarding a Complaint or Grievance may be commenced against the Health Benefit Plan until the Member has exhausted his or her administrative remedies and appeals as detailed in this Contract.

COMPLAINT AND GRIEVANCE APPEAL PROCESS RESOLVING PROBLEMS

MEMBER COMPLAINT PROCESS

The Claims Administrator has a process for Members to express complaints. To register a Complaint, Members should call the Member Services Department at the telephone number on the Identification Card or write to the Claims Administrator at the following address:

**General Correspondence
1901 Market Street
Philadelphia, PA 19103**

Most Member concerns are resolved informally at this level. However, if the Claims Administrator is unable to immediately resolve the Member Complaint, it will be investigated and the Member will receive a response in writing within **30 days**.

MEMBER APPEAL PROCESS

Filing an Appeal - The Claims Administrator maintains procedures for the resolution of Member appeals. Member appeals may be filed within **180 days** of the receipt of a decision from the Claims Administrator stating an adverse benefit determination. An appeal occurs when the Member or, after obtaining the Member's authorization, either the Provider or another authorized representative requests a change of a previous decision made by the Claims Administrator by following the procedures described here. (In order to authorize someone else to be the Member's representative for the appeal, the Member must complete a valid authorization form. The Member must contact the Claims Administrator as directed below to obtain a Member/Enrollee Authorization to appeal by Provider or Other Representative" form or for questions regarding the requirements for an authorized representative.)

The Member or other authorized person on behalf of the Member (Designee), may request an appeal by calling or writing to the Claims Administrator, as defined in the letter notifying the Member of the decision or as follows:

**Member Appeals Department
P.O. Box 41820
Philadelphia, PA, 19101-1820
Toll Free 1-888-671-5276 (TTY: 711)

Definitions

MEDICAL NECESSITY APPEAL – An appeal by or on behalf of a Member that focuses on issues of Medical Necessity and requests the Claims Administrator to change its decision to deny or limit the provision of a Covered Service. Medical Necessity Appeals include appeals of adverse benefit determinations based on the exclusions for Experimental/Investigative or cosmetic services.

ADMINISTRATIVE APPEAL - An appeal by or on behalf of a Member that focuses on unresolved member disputes or objections regarding the Claims Administrator decision that concerns coverage terms such as contract exclusions and non-covered benefits, exhausted benefits, claims payment issues, participating or Non-Participating healthcare Provider status, cost sharing requirements, and rescission of coverage (except for failure to pay premiums or coverage contributions). Although an Administrative Appeal may present issues related to Medical Necessity, these are not the primary issues that affect the outcome of the appeal.

PRE-SERVICE REVIEW – A request for benefits that, under the terms of this Program, must be pre-certified or pre-approved (either in whole or in part) before medical care is obtained, in order for coverage to be available.

POST-SERVICE REVIEW – A request for benefits that is not a Pre-Service request. (Post-Service Reviews concerning claims for services that the Member has already obtained do not qualify for review as Urgent/Expedited Appeals.)

URGENT/EXPEDITED/ APPEAL – Any appeal for medical care or treatment with respect to which the application of the time periods for making non-urgent determinations could seriously jeopardize the life or health of the Member or the ability of the Member to regain maximum function, or in the opinion of a physician with knowledge of the Member's medical condition would subject the Member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the appeal. This process is handled by the Plan Administrator.

General Information

The Member/Designee may at any time request the aid of a plan employee in preparing the appeal, at no charge. This employee has not participated in the previous decision to deny coverage for the issues in dispute and is not a subordinate of anyone who previously reviewed the file.

The Member/Designee is entitled to a full and fair review. Specifically, at any time during the process, the Member/Designee may submit additional information pertaining to the case, to the Claims Administrator. The Member/Designee may specify the remedy or corrective action being sought. At the Member's request, the Claims Administrator will provide access to, and copies of, all relevant documents, records, and other information that are not confidential, proprietary, or privileged. The Claims Administrator will automatically provide the Member/Designee with any new or additional evidence considered, relied upon, or generated by the plan in connection with the appeal, which is used to formulate the rationale. Such evidence is provided as soon as possible and in advance of the date the adverse notification is issued. This information is provided to the Member/Designee at no charge.

The Claims Administrator will not terminate or reduce an ongoing course of treatment without providing the Member/Designee with advance notice and the opportunity for advanced review.

If the appeal is upheld, the letter states the reason(s) for the decision. If a benefit provision, internal, rule, guideline, protocol, or other similar criterion is used in making the determination; the Member/Designee may request copies of this information at no charge. The letter explains the scientific or clinical judgment, if applicable, for the determination. The letter also indicates the qualifications of the individual/individuals who decided the appeal and their understanding of the nature of the appeal. The Member/Designee may request in writing, at no charge, the name of the individuals who participated in the decision to uphold the denial.

If the health plan is subject to the requirements of the Employee Retirement Income Security Act (ERISA), following the appeal the Member may have the right to bring civil action under Section 502(a) of the Act.

Changes in Members Grievance Processes: Please note that the Appeals Process described here may change at any time due to changes in the applicable regulations and/or accreditation standards, to improve or facilitate the review process, or to reflect other decisions regarding the administration of the Member Appeals processes for this Program.

All Internal Appeals can be initiated by contacting:

Member Appeals Department
P.O. Box 41820
Philadelphia, PA, 19101-1820
Toll Free 1-888-671-5276 (TTY: 711)
Toll Free Fax 1-888-671-5274

INTERNAL APPEALS - There are two levels of appeal. The internal, standard appeal process for Administrative Appeals and Medical Necessity Appeals consists of two internal levels of review—the first by the Claims Administrator and a second by the Plan Administrator. Further review, if any, is only available through the Plan Administrator. There is also an internal Urgent/Expedited Appeal Process available through the Plan Administrator in the event **the Member's** condition involves an issue that may jeopardize the Member's life, health, ability to regain maximum function, or would subject **the Member** to severe pain that cannot be adequately managed, as determined and validated by the Member's Physician, if reviewed in **standard Pre-Service appeal timeframes.**

Level One Standard Appeal

The initial request for an appeal will be evaluated and the decision completed within the following timeframes for a standard appeal on an Administrative or Medical Necessity Appeal issue:

Standard Pre-Service service Appeal – within **15 days** of receipt of the Appeal request;
Standard Post-Service service Appeal – within **30 days** of receipt of the Appeal request.

An employee of the Claims Administrator, who has had no previous involvement with the case and who is not the subordinate of anyone involved in the previous determination, reviews the appeal. A Medical Necessity Appeal is decided by a health professional. This individual holds an active, unrestricted license to practice medicine or another health profession. Additionally, either this individual or an independent consultant is of the same profession and similar specialty that typically manages the care under review.

The Member/Designee will be sent written notice of the First Level decision within the timeframe stated above along with a description on how the Member/Designee can appeal to the next level.

Level Two Standard Appeal

If not satisfied with the First Level decision, the Member or designee may request a Second Level Appeal within **60 days** of receipt of the First Level decision notice.

Under the appeal process in effect for this Program, the Plan Administrator is responsible for the standard Second Level Administrative Appeal and Medical Necessity Appeal processes. Once the request for a Second Level Standard Appeal is received, the Claims Administrator forwards the request and all Appeal documents to the Plan Administrator for a determination. The Plan Administrator advises the Member/Designee of the decision regarding the Administrative Appeal or Medical Necessity Appeal and of any additional Appeal rights that may be available for an external review.

Urgent/Expedited Appeals

Under the appeal process in effect for this Program, the Plan Administrator is responsible for the Expedited Administrative Appeal and Expedited Medical Necessity Appeal processes. Once the request for an Urgent/Expedited Appeal is received, the Claims Administrator forwards the request and all appeal documents in its possession to the Plan Administrator. The Plan Administrator advises the Member/Designee of the decision regarding the Expedited Administrative Appeal or Medical Necessity Appeal and of any additional appeal rights that may be available for an external review.

INTERNAL APPEALS

Level One Standard Appeal

The initial request for an internal appeal will be reviewed and the decision completed within the following timeframes for a standard appeal on an Administrative or Medical Necessity Appeal issue:

Standard Pre-Service service Appeal – within **15 days** of receipt of the Appeal request;
Standard Post-Service service Appeal – within **30 days** of receipt of the Appeal request.

An employee of the Claims Administrator, who has had no previous involvement with the case and who is not the subordinate of anyone involved in the previous determination, reviews the internal appeal. A Medical Necessity Appeal is decided by a health professional. This individual holds an active, unrestricted license to practice medicine or another health profession. Additionally, either this individual or an independent consultant is of the same profession and similar specialty that typically manages the care under review.

The Member will be sent written notice of the First Level decision within the timeframe stated above along with a description on how the Member can appeal to the next level.

Level Two Standard Appeal

If not satisfied with the First Level decision, the Member/Designee may request a Second Level Appeal within **60 days**. The appeal will be reviewed and the decision completed within the following timeframes for an Appeal on an Administrative or Medical Necessity Appeal issue:

Standard Pre-Service Appeal – within **15 days** of receipt of the appeal request;
Standard Post-Service Appeal – within **30 days** of receipt of the appeal request.

The Member/Designee has the right to present the Member's Appeal to the Second Level Appeal Committee in person or via conference call. The committee is composed of an employee/employees of the Claims Administrator who have no previous involvement with the case and are not subordinates of anyone previously involved with the case. For Medical Necessity reviews, at least one of these individuals is a Plan Medical Director who holds an active, unrestricted license. Second Level Appeal Committee meeting is a forum where Members/Designees each have an equal amount of time to present their issues in an informal setting that is not open to the public. Two other people may accompany the Member/Designee, unless the Member receives prior approval from the Claims Administrator for additional assistance due to special circumstances. Members of the press may only attend in their personal capacity as a Member's representative. Members/Designees may not audiotape, videotape, or transcribe the committee proceedings. The Claims Administrator will contact the Member/Designee to schedule the Committee meeting for the Standard Appeal. The Appeal review may also occur based on the Appeal record without the Member's participation if he/she does not want to participate or repeated attempts to schedule the Member's participation fail. Written notice of the second level decision will be sent within the timeframes stated above.

The second level decision is the final standard level of internal appeal. The external review process for both Medical Necessity and Administrative Appeals is described under the section entitled "External Standard and Expedited Reviews" below.

Urgent/Expedited Appeals

If the case involves an urgent condition, the Member/Designee may request an Urgent/Expedited Internal Appeal. The Internal Appeal mirrors the process described under the “Level Two Standard Appeal” above.

A determination is made and the Member/Designee is notified within 72 hours of receipt of the Urgent/Expedited request by the Claims Administrator. Additionally, the Claims Administrator sends written notification to the Member/Designee within three calendar days of the verbal decision.

Individuals with Urgent Care conditions or who are receiving an on-going course of treatment may proceed with an Expedited External Review at the same time as the Internal Urgent/Expedited Appeal Process.

Additional Appeal rights for both Medical Necessity and Administrative Appeals are described below under “External Standard and Expedited Reviews.”

EXTERNAL STANDARD AND URGENT/EXPEDITED REVIEWS

If the Member/Designee is not satisfied with the decision of the Internal Standard Second Level or Urgent/Expedited Appeal, the Member/Designee may file an external review—Standard or Expedited—as described below for either an Administrative or Medical Necessity issue. Both types of external review are submitted to Independent Review Organizations (IROs).

External Standard Review

The Member/Designee may request an external review by an IRO by calling or writing to the Claims Administrator within **180 calendar days** of receipt of the Internal Appeal decision letter. The Member/Designee is not required to pay any of the costs associated with the external review.

The Member/Designee is sent written confirmation of receipt of his/her external review request from the Claims Administrator within five business days of receipt of the request. This confirmation includes the name and contact information for the Claims Administrator staff person assigned to facilitate the processing of the Member’s Appeal and information on the IRO assignment. Information on the IRO assignment identifies the assigned IRO by name and states the qualifications of the individual who reviews the appeal.

Whenever possible, the IRO assigned to the external review request, is a different organization than the one that supplied the same/or similar specialty review for the internal Appeal process. The individual appointed by the IRO to review the Member’s external review, has not been previously involved in any aspect of decision-making on the appeal, nor are they a subordinate of any previous decision-maker.

The IRO has no direct or indirect professional, familial or financial conflicts of interest with the Claims Administrator, with the Member, or the Designee. The Claims Administrator’s arrangements for assignment of an IRO and payment for the services of an IRO do not constitute a conflict of interest. When a conflict of interest is raised or another material objection is recognized, the Claims Administrator assigns a new IRO and/or requires the assigned IRO to appoint a new reviewer. This reviewer is not the same person who served as a matched

specialist for the internal appeal process, nor a subordinate of that person. If the Member/Designee feels that a conflict exists, he/she should call or write the contact person listed on the acknowledgement letter from the Claims Administrator no later than two business days from receipt of the acknowledgment letter from the Claims Administrator.

Within 15 calendar days of receipt of the Member's request, the Claims Administrator sends the Member/Designee and the IRO, a letter listing all documents forwarded to the IRO. These documents include copies of all information submitted for the Internal Appeal process, as well as any additional information that the Member/Designee or the Claims Administrator may submit. If the Member wishes to submit additional information for consideration by the IRO, he should do so within ten calendar days of the Member's request for an external review.

The Claims Administrator does not interfere with the IRO's proceedings or appeals decisions. The IRO conducts a thorough review in which it considers all previously determined facts, allows the introduction of new information considers and assesses sound medical evidence, and makes a decision that is not bound by the decisions or conclusions of the Internal Appeal process.

The IRO makes its final decision within **30 calendar days** of receipt of the Member's request by the Claims Administrator and simultaneously issues its decision in writing to the Member or Designee and to the Claims Administrator. The established deadline for a decision from the IRO may only be exceeded for good cause when a reasonable delay for a specific period is acceptable to the Member or Designee. If the decision of the IRO is that the services are covered, the Claims Administrator authorizes the service and/or pays the claims. The Member/Designee is notified in writing of the time and procedure for claim payment or approval of the service in the event of an overturn of the Member's Internal Appeal. The Claims Administrator implements the IRO's decision within the time period, if any, specified by the IRO.

The external review decision is binding on the Claims Administrator.

External Urgent/ Expedited Review

The Member/Designee may request an external review for urgent/expedited situations through an IRO. The Member or designee is not required to pay any of the costs associated with the external review.

With the exception of time frames, the Urgent/Expedited External Review mirrors the process described above under the External Standard Review.

Within **24 hours** of receipt of the Member's request for an Urgent/Expedited Review, the Claims Administrator confirms the request and faxes the request to the assigned IRO. During this time, the Claims Administrator also forwards to the IRO, by secure electronic transmission or overnight delivery, all information submitted in the Internal Appeal Process and any additional information that the Member, Designee, or the Claims Administrator wishes to submit to the IRO.

The IRO makes a decision and simultaneously notifies the Member/Designee and the Claims Administrator in writing within **48 hours** of receipt of all relevant documentation. The decision letter identifies the assigned IRO by name and states the qualifications of the individual that the IRO appoints to review the external review.

The time period for issuing the final decision on the Urgent/Expedited Review can be extended for **five calendar days** for good cause when such a delay is acceptable to the Member or his authorized representative.

If the decision of the IRO is that the services are eligible, the Claims Administrator authorizes the service and/or pays the claims. The Member is notified in writing of the time and procedure for claim payment and/or approval of the service in the event of an overturn of the appeal. The Claims Administrator implements the IRO's decision within the time period, if any, specified by the IRO.

The external review decision is binding on the Claims Administrator

OTHER COVERAGE

- Worker's Compensation
Any benefits provided by Worker's Compensation are not duplicated by this Program.
- Medicare
Any services paid or payable by Medicare when Medicare is:
 - Primary; or
 - Would have been primary if the Member had enrolled for Medicare, are not duplicated by this Program. For working Members over age 65, the primary payor will be determined in accordance with TEFRA or existing regulations regarding Medicare reimbursement.

NOTE: For more information regarding other coverage, see "Coordination Of Benefits" and "Subrogation".

INDEPENDENT CORPORATION

The Administrative Services Only Agreement ("Agreement"); is between the Group and Keystone. Keystone provides access to a network of health care providers. Keystone is a controlled affiliate of Independence Blue Cross operating under a license from Blue Cross and Blue Shield Association (the "Association"), which is a national association of independent Blue Cross and Blue Shield Plans throughout the United States. Although all of these independent Blue Cross and Blue Shield Plans operate from a license with the Association, each of them is a separate and distinct corporation. The Association allows Keystone to use the familiar Blue Cross words and symbols. Keystone, which is entering into the contract, is not contracting as an agent of the national Association. Keystone shall be liable to the Enrollee only for those obligations stated under the Agreement. This paragraph does not add any obligations to the Agreement.

If the Member has questions about any of the information in this Benefit Booklet, or needs assistance at any time, please feel free to contact Customer Services by calling the telephone number shown on the Member's ID Card.

IMPORTANT DEFINITIONS

The terms below have the following meaning when describing the benefits in this Benefit Booklet. They will be helpful to you (the Member) in fully understanding your benefits.

Accidental Injury

Injury to the body that is solely caused by an accident, and not by any other causes.

Accredited Educational Institution

- A publicly or privately operated academic institution of higher learning which:
- Provides recognized courses or a course of instruction.
- Confers any of the following, when a student completes the course of study:
 - A diploma;
 - A degree; or
 - Another recognized certification of completion.
- Is duly recognized, and declared as such, by the appropriate authority, as follows:
 - An authority of the state in which such institution must also be accredited by a nationally recognized accrediting association as recognized by the United States Secretary of Education.

The definition may include, but is not limited to, colleges and universities; and technical or specialized schools.

Administrative Services Only Agreement

The agreement for Administrative Services entered into between: The Group and the Claims Administrator whereby the Group has requested that the Claims Administrator provide certain administrative, claims and managed care services, in connection with this Program.

Acupuncture

A therapeutic and/or preventive medical procedure performed by the insertion of one or more specially manufactured solid metallic needles into a specific location(s) on the body. The intent is to stimulate Acupuncture points, with or without subsequent manual manipulation. Acupuncture has been used to induce anesthesia, relieve pain, alleviate withdrawal symptoms of addiction, and treat asthma and other disorders.

Alcohol Or Drug Abuse And Dependency

Any use of alcohol or other drugs which produces a pattern of pathological use that:

- Causes impairment in the way people relate to others; or
- Causes impairment in the way people function in their jobs or careers; or
- Produces a dependency that makes a person physically ill, when the alcohol or drug is taken away.

Alcohol Or Drug Abuse And Dependency Treatment Facility

A facility which is licensed by the Department of Health as an alcoholism or drug addiction treatment program that is primarily engaged in providing Detoxification and rehabilitation treatment for Alcohol Or Drug Abuse And Dependency.

Allowed Amount

This refers to the basis on which a Member's Deductibles, Coinsurance, Out-of-Pocket Maximum and benefits are calculated.

- For services provided by a Participating Facility Provider, the term "Allowed Amount" means the lesser of the actual charge and the amount paid by the Claims Administrator under a special pricing arrangement with Participating Facility Provider(s) unless the Participating Facility Provider's contractual arrangement with the Claims Administrator provides otherwise.
- For services provided by a Participating Professional Provider, "Allowed Amount" is the Claims Administrator's fee schedule amount.
- For services provided by Participating Ancillary Service Providers. "Allowed Amount" means the amount that the Claims Administrator has negotiated with the Participating Ancillary Service Provider as total reimbursement for the Covered Services.

Alternative Therapies/Complementary Medicine

Complementary and alternative medicine is defined as a group of diverse medical and health care systems, practices, and products, currently not considered to be part of conventional medicine based on recognition by the National Institutes of Health.

Ambulatory Surgical Facility

A facility licensed by the Pennsylvania Department of Health, which provides specialty or multispecialty outpatient surgical treatment or procedure that is not located on the premises of a Hospital.

It is a Facility Provider which:

- Has an organized staff of Physicians;
- Is licensed as required; and
- Has been approved by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); or
- Has been approved by the Accreditation Association for Ambulatory Health Care, Inc.; or
- Has been approved by the Claims Administrator.

It is also a Facility Provider which:

- Has permanent facilities and equipment for the primary purposes of performing surgical procedures on an Outpatient basis;
- Provides treatment, by or under the supervision of Physicians and nursing services, whenever the patient is in the facility;
- Does not provide Inpatient accommodations; and
- Is not, other than incidentally, a facility used as an office or clinic for the private practice of a Professional Provider.

Ancillary Service Provider

An individual or entity that provides Covered Services, supplies or equipment such as, but not limited to:

- Infusion Therapy Services;
- Durable Medical Equipment; and

The process of giving the Member an approved drug or agent, in order to:

- Cause the Member's muscles to relax;
- Cause the Member to lose feeling; or
- Cause the Member to lose consciousness.

Annual Benefit Maximum

- The maximum amount of benefits provided to a Member in each Benefit Period.
- This amount is shown in the ***Schedule of Covered Services***.
- It does not include the amount the Member pays for Covered Services in the form of:
 - Copayments;
 - Coinsurance; and/or
 - Deductibles.

Artificial Insemination

The medical process of helping a woman become pregnant by:

- Taking sperms from a male partner or donor;
- Inserting these sperms into a woman's vagina or uterus;
- Taking the above steps, without there needing to be any physical contact between the man and the woman.

The process includes simple sperm preparation, sperm washing and/or thawing.

Attention Deficit Disorder

A disease that makes a person have a hard time paying attention; be too impulsive; and be overly active.

Authorized Generics

Brand Name Drugs that are marketed without the brand name on its label. An authorized generic may be marketed by the Brand Name Drug company, or another company with the brand company's permission. Unlike a standard generic drug, the Authorized Generic is not approved by the Food and Drug Administration (FDA) abbreviated new drug application process (ANDA). For Cost sharing purposes Authorized generics are treated as Brand Name Drugs.

Autism Service Provider

A person, entity or group that provides treatment of Autism Spectrum Disorders (ASD), using an ASD Treatment Plan, and that is either:

- Licensed or certified in this Commonwealth; or
- Enrolled in the Commonwealth's medical assistance program on or before the effective date of the Pennsylvania Autism Spectrum Disorders law.

An Autism Service Provider shall include a Behavioral Specialist.

Autism Spectrum Disorders (ASD)

Any of the Pervasive Developmental Disorders defined by the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) or its successor.

Autism Spectrum Disorders Treatment Plan (ASD Treatment Plan)

A plan for the treatment of Autism Spectrum Disorders:

- Developed by a licensed Physician or licensed Psychologist who is a Participating Professional Provider; and

- Based on a comprehensive evaluation or reevaluation, performed in a manner consistent with the most recent clinical report or recommendations of the American Academy of Pediatrics.

Away From Home Care Coordinator

The staff whose functions include assisting members with registering as a Guest Member for Guest Membership Benefits under the Away From Home Care Program.

Away From Home Care Program

A program, made available to independent licensees of the Blue Cross Blue Shield Association, that provides Guest Membership Benefits to Members registered for the Program while traveling out of Keystone's Service Area for an extended period of time. The Away From Home Care Program offers portable HMO coverage to Members traveling in a Host HMO Service Area. Registration for Guest Membership Benefits under the Away From Home Care Program is coordinated by the Away From Home Care Coordinator.

Behavioral Specialist

An individual with appropriate certification or licensure by the applicable state, who designs, implements or evaluates a behavior modification intervention component of an ASD (Autism Spectrum Disorder) Treatment Plan, through Applied Behavioral Analysis which includes:

- Skill acquisition and reduction of problematic behavior;
- Improve function and/or behavior significantly; or
- Prevent loss of attained skill or function.

Benefit Period

The specified period of time as shown in the ***Schedule of Covered Services*** within which the Member has to use Covered Services in order to be eligible for payment by their Claims Administrator. A charge shall be considered Incurred on the date the service or supply was provided to the Member.

Benefits Administrator

The person or entity designated by the Group to perform specific responsibilities, including but not limited to, administrative and reporting activities associated with this Program, such as assisting Members with their questions or notifying the Claims Administrator of new Members or enrollment changes (marital status, address, eligibility for Medicare). The Benefits Administrator is not the Health Benefit Plan.

Birth Center

A Facility Provider approved by the Claims Administrator which:

- Is primarily organized and staffed to provide maternity care;
- Is where a woman can go to receive maternity care and give birth;
- Is licensed as required in the state where it is situated; and
- Is under the supervision of a Physician or a licensed certified nurse midwife.

BlueCard Program

A program that enables Members obtaining health care services while traveling outside the Keystone Service Area to receive all the same benefits of their Program and access to BlueCard Providers and savings. The program links participating health care providers and the independent Blue Cross and Blue Shield Licensees across the country and also to some international locations through a single electronic network for claims processing and

reimbursement.

Case Management

Comprehensive Case Management programs serve Members who have been diagnosed with an illness or injury that is complex, catastrophic, or chronic.

The objectives of Case Management are to:

- Make it easier for Members to get the service and care they need in an efficient way;
- Link the Member with appropriate health care or support services;
- Assist Providers in coordinating prescribed services;
- Monitor the quality of services delivered; and
- Improve Members' health outcomes.

Case Management supports Members and Providers by:

- Locating services;
- Coordinating services; and/or
- Evaluating services.

These steps are taken, across various levels and sites of care, for a Member who has been diagnosed with a complex, catastrophic or chronic illness and/or injury.

Certified Registered Nurse

Any one of the following types of nurses who are certified by the state Board of Nursing or a national nursing organization recognized by the State Board of Nursing:

- A certified registered nurse anesthetist;
- A certified registered nurse practitioner;
- A certified entrestomal therapy nurse;
- A certified community health nurse;
- A certified psychiatric mental health nurse; or

A medically prescribed, multidisciplinary approach that consists of tasks that:

- Establish new ways for a person to compensate for brain function that has been lost due to injury, trauma, stroke, or encephalopathy; or
- Reinforce or re-establish previously learned patterns of behavior.

It consists of a variety of therapy modalities which lessen and ease problems caused by deficits in:

- Attention;
- Visual processing;
- Language;
- Memory;
- Reasoning; and
- Problem solving.

Cognitive rehabilitation is performed by any of the following professionals, using a team approach:

- A Physician;
- A neuropsychologist;
- A psychologist; as well as, a physical, occupational or speech therapist.

Coinsurance

A type of cost-sharing in which the Member assumes a percentage of the Claims Administrator's fee schedule amount for Covered Services (such as 20%). The Coinsurance percentage is listed in the ***Schedule of Covered Services***.

Compendia

Compendia are reference documents used by the Claims Administrator to determine if a Prescription Drug should be covered. Compendia provide:

- Summaries of how drugs work;
- Information about which drugs are recommended to treat specific diseases; and
- The appropriate dosing schedule for each drug.

Over the years, some compendia have merged with other publications. The Claims Administrator only reviews current compendia when making coverage decisions.

Complaint

A dispute or objection regarding coverage, including:

- Exclusions and non-Covered Services under the Program;
- Participating or Non-Participating Providers' status; or
- The operations or management policies of the Claims Administrator.

This definition does not include:

- A Grievance appeal (Medical Necessity appeal); or
- Disputes or objections that were resolved by the Claims Administrator and did not result in the filing of a Complaint appeal (written or oral).

Conditions For Departments (for Qualifying Clinical Trials)

The conditions described in this paragraph, for a study or investigation conducted by the Department of Veteran Affairs, Defense or Energy, are that the study or investigation has been reviewed and approved through a system of peer review that the Government determines:

- To be comparable to the system of peer review of studies and investigations used by the National Institutes of Health (NIH); and
- Assures unbiased review of the highest scientific standards by Qualified Individuals who have no interest in the outcome of the review.

Consumable Medical Supply

Non-durable medical supplies that cannot withstand repeated use, are usually disposable, and are generally not useful to a person in the absence of illness or injury.

Contraceptive Drugs

FDA approved drugs to be dispensed for the use of contraception. These include oral contraceptives, such as birth control pills, as well as injectable contraceptive drugs.

Coordination of Benefits (COB)

A provision that is intended to avoid claims payment delays and duplication of benefits, when a person is covered by two or more Group plans that provide benefits or services for medical, dental or other care or treatment.

- It avoids claims payment delays by establishing an order in which plans pay their claims, and by providing the authority for the orderly transfer of information needed to pay claims promptly.

- It avoids duplication of benefits by permitting a reduction of the benefits of a plan when, by the Rules established by this provision, that plan does not have to pay benefits first.
- This provision does not apply to:
 - Student accident plans paying \$100 per day or less; or
 - Group hospital indemnity plans paying \$100 per day or less.

Copayment

A specified dollar amount that is applied to a specific Covered Service for which the Member is responsible per Covered Service. Copayments, if any, are identified in the **Schedule of Covered Services**.

Covered Service

A service or supply specified in this Benefit Booklet for which benefits will be provided by the Claims Administrator.

Custodial Care (Domiciliary Care)

Care provided primarily for Maintenance of the patient or care which is designed essentially:

- To assist the patient in meeting his activities of daily living; and
- Which is not primarily provided for its therapeutic value in the treatment of an illness, disease, bodily injury, or condition.

Custodial Care includes help in tasks which do not require the technical skills or professional training of medical or nursing personnel in order to be performed safely and effectively.

Such tasks include, but are not limited to:

- Walking;
- Bathing;
- Dressing;
- Feeding;
- Preparation of special diets; and;
- Supervision over self-administration of medications.

Day Rehabilitation Program

A level of Outpatient Care consisting of four to seven hours of daily rehabilitative therapies and other medical services five days per week.

The Member returns Home:

- Each evening; and
- For the entire weekend.

Therapies provided may include a combination of therapies, such as:

- Physical Therapy;
- Occupational Therapy; and
- Speech Therapy.

Other medical services such as:

- Nursing services;
- Psychological therapy; and
- Case Management services.

Day Rehabilitation sessions also include a combination of:

- One-to-one therapy; and
- Group therapy.

Decision Support

Services that help members make well-informed decisions about health care and support their ability to follow their Participating Provider's treatment plan. Some examples of support services are:

- Major treatment choices; and
- Every day health choices.

Dependent

An individual, who relies on the Member for some level of aid and support and:

- Who resides in the Service Area;
- For whom Medicare is not primary pursuant to any federal or state regulation, law or ruling;
- Who is enrolled under the Claims Administrator coverage; and
- Who meets all of the eligibility requirements established by the Group and the Claims Administrator as described in the Eligibility section of the **General Information** section of this Benefit Booklet.

Designated Provider

A Participating Provider with whom the Claims Administrator has contracted the following outpatient services:

- Certain rehabilitation Therapy Services (other than Speech Therapy);
- Diagnostic radiology services for Members age five or older; or
- Laboratory and pathology tests.

The Member's Primary Care Physician will provide a Referral to the Designated Provider for these services.

Detoxification

The process by which a person who is alcohol or drug intoxicated, or alcohol or drug dependent, is assisted under the following circumstances:

- In a state licensed Facility Provider; or
- In the case of opiates, by an appropriately licensed Behavioral Health/Alcohol Or Drug Abuse And Dependency provider, in an ambulatory (Outpatient) setting.

This treatment process will occur through the period of time necessary to eliminate, by metabolic or other means, any or each of the following problems:

- The intoxicating alcohol or drug;
- Alcohol or drug dependency factors; or
- Alcohol in combination with drugs, as determined by a licensed Physician, while keeping the physiological and psychological risk to the patient at a minimum.

Disease Management

An approved program designed to identify and help people, who have a particular chronic disease, to stay as healthy as possible

- Disease Management programs use a population-based approach to:
 - Identify Members who have or are at risk for a particular chronic medical condition;
 - Intervene with specific programs of care; and
 - Measure and improve outcomes.
- Disease Management programs use evidence-based guidelines to:
 - Educate and support Members and PCP's and Participating Professional Providers;
 - Matching interventions to Members with greatest opportunity for improved clinical or functional outcomes.
- To assist Members with chronic disease(s), Disease Management programs may employ:
 - Education;
 - Provider feedback and support statistics;
 - Compliance monitoring and reporting; and/or
 - Preventive medicine.
- Disease Management interventions are intended to both:
 - Improve delivery of services in various active stages of the disease process; as well as to reduce/prevent relapse or acute exacerbation of the condition.

Drug Formulary

A listing of Prescription Drugs preferred for use by the Claims Administrator. This list shall be subject to periodic review and modification by the Claims Administrator.

Durable Medical Equipment (DME)

Equipment that meets the following criteria:

- It is durable and can withstand repeated use;
- It is medical equipment, meaning it is primarily and customarily used to serve a medical purpose;
- It generally is not useful to a person in the absence of an illness or injury;and
- It is appropriate for use in the home.

Durable Medical Equipment includes, but is not limited to:

- Diabetic supplies;
- Canes
- Crutches;
- Walkers;
- Commode chairs;
- Home oxygen equipment;
- Hospital beds;
- Traction equipment; and
- Wheelchairs.

Effective Date

The date on which coverage for a Member begins under the Program. All coverage begins at 12:01 a.m. on the date reflected on the records of the Claims Administrator.

Elective Abortion

Is a voluntary termination of pregnancy other than one which is necessary to prevent the death of a woman, or to terminate a pregnancy that was caused by rape or incest.

Emergency Services (Emergency)

Any health care services provided to a Member after the sudden onset of a medical condition. The condition manifests itself by acute symptoms of sufficient severity or severe pain, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the Member or with respect to a pregnant Member, the health of the pregnant Member or her unborn child, in serious jeopardy; or
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

Emergency transportation and related Emergency Service provided by a licensed ambulance service shall constitute an Emergency Service.

Employee

An individual of the Group contracting with the Claims Administrator and:

- Who meets the eligibility requirements for enrollment;
- Who, at enrollment, is specified as meeting the eligibility requirements; and
- In whose name the Identification Card is issued.

Enrollment/Change Form

The properly completed, written request for enrollment for Program membership:

- Submitted in a format provided by the Claims Administrator; and
- Together with any amendments or modifications to that written request.

Essential Health Benefits

A set of health care service categories that must be covered by certain plans in accordance with the Affordable Care Act. Essential health benefits must include items and services within at least the following 10 categories: ambulatory patient services; emergency services; hospitalization; maternity and newborn care; mental health and substance use disorder services, including behavioral health treatment; prescription drugs; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services, including oral and vision care.

Experimental/Investigative Services

A drug, biological product, device, medical treatment or procedure, or diagnostic test, which meets any of the following criteria:

- Is the subject of ongoing Clinical Trials;
- Is the research, experimental, study or investigational arm of an on-going Clinical Trial(s) or is otherwise under a systematic, intensive investigation to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment or diagnosis;
- Is not of proven benefit for the particular diagnosis or treatment of the Member's particular condition;
- Is not generally recognized by the medical community, as clearly demonstrated by Reliable Evidence, as effective and appropriate for the diagnosis or treatment of the Member's particular condition; or
- Is generally recognized, based on Reliable Evidence, by the medical community as a diagnostic or treatment intervention for which additional study regarding its safety and efficacy for the diagnosis or treatment of the Member's particular condition, is recommended.

Any drug, biological product, device, medical treatment or procedure, or diagnostic procedure, is not considered Experimental/Investigative if it meets all of the criteria listed below:

- When required the drug, biological product, device, medical treatment or procedure, or diagnostic test, must have final approval from the appropriate governmental regulatory bodies (e.g. FDA).
- Reliable Evidence demonstrates that the drug, biological product, device, medical treatment or procedure, or diagnostic test, meets technical standards, is clinically valid, and has a definite positive effect on health outcomes.
- Reliable Evidence demonstrates that the drug, biological product, device, medical treatment or procedure, or diagnostic tests, leads to measurable improvement in health outcomes (i.e., the beneficial effects outweigh any harmful effects).
- Reliable Evidence clearly demonstrates that the drug, biological product, device, medical treatment or procedure, or diagnostic test, is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable.
- Reliable Evidence clearly demonstrates that improvement in health outcomes, as defined in the paragraph above, is possible in standard conditions of medical practice, outside clinical investigative settings.
- Reliable Evidence shows that the prevailing opinion among experts regarding the drug, biological product, device, medical treatment or procedure, or diagnostic test, is that studies or clinical trials have determined its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment for a particular diagnosis.

Any approval granted as an interim step in the FDA regulatory process (For example: An Investigational New Drug Exemption as defined by the FDA), is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of a drug or biological product (e.g. infusable agent) for another diagnosis or condition shall require that one or more of the established reference Compendia identified in the Company's policies recognize the usage as appropriate medical treatment.

Facility Provider

An institution or entity licensed, where required, to provide care.

Such facilities include:

- Ambulatory Surgical Facility;
- Birth Center;

Liquid nutritional products which are specifically formulated to treat one of the following genetic diseases: phenylketonuria, branched-chain ketonuria, galactosemia, homocystinuria.

Medical Policy

Medical Policy is used to determine whether Covered Services are Medically Necessary.

Medical Policy is developed based on various sources including, but not limited to:

- Peer-reviewed scientific literature published in journals and textbooks; and
- Guidelines put forth by governmental agencies; and
- Respected professional organizations; and
- Recommendations of experts in the relevant medical specialty.

Medical Screening Evaluation

An examination and evaluation within the capability of the Hospital's emergency department, including ancillary services routinely available to the emergency department, performed by qualified personnel.

Medical Technology Assessment

The review and evaluation of available clinical and scientific information from expert sources. These sources include, and are not limited to:

- Publications from government agencies;
- Peer-reviewed journals;
- Professional guidelines;
- Regional and national experts;
- Clinical trials; and
- Manufacturers' literature.

The Claims Administrator uses the technology assessment process to assure that new drugs, procedures or devices are safe and effective before approving them as a Covered Service.

When new technology becomes available or at the request of a practitioner or Member:

- The Claims Administrator researches all scientific information available from these expert sources.
- Following this analysis, the Claims Administrator:
 - Makes a decision about when a new drug, procedure or device has been proven to be safe and effective; and
 - Uses this information to determine when an item becomes a Covered Service.

Medically Necessary (Medical Necessity)

Shall mean:

- Health care services that a Physician, exercising prudent clinical judgment, would provide to a patient for the purpose of:
 - Preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms.
- Health care services that a Physician, exercising prudent clinical judgment, would provide to a patient, that are:
 - In accordance with generally accepted standards of medical practice;
 - Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or disease;
 - Not primarily for the convenience of the patient, Physician, or other health care provider; and
 - Not more costly than an alternative service or sequence of services that are at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.
- For these purposes, "generally accepted standards of medical practice" means standards that are based on:
 - Credible scientific evidence, published in peer-reviewed medical literature that is generally recognized by the relevant medical community, Physician Specialty Society recommendations;
 - The views of Physicians practicing in relevant clinical areas; and
 - Any other relevant factors.

SECTION 1.

INTRODUCTION

This Benefit Booklet has been prepared so that the Member may become acquainted with the Prescription Drug program available to employees who are eligible and enrolled in it. The benefits described are subject to the terms of the Group Contract issued by QCC Insurance Company (referred to as the Health Benefit Plan). Changes impacting this Benefit Booklet will be evidenced by a Notice of Change to the Benefit Booklet and/or a revised edition of the Benefit Booklet.

Benefits will not be available for services to a greater extent or for a longer period than is Medically Necessary, as determined by the Health Benefit Plan. The amount of benefits for Prescription Drugs will not be more than the amount charged by the Pharmacy and will not be greater than any maximum amount or limit described or referred to in this Benefit Booklet.

See "Important Notice" below:

Important Notice: Regarding Experimental Drugs Or Investigative Drugs

The Health Benefit Plan does not cover Drugs it determines to be experimental or investigative in nature because those Drugs are not accepted by the general medical community for the condition being treated or not approved as required by federal or governmental agencies. However, the Health Benefit Plan acknowledges that situations exist when a Member and the Member's Physician agree to utilize Experimental Drugs or Investigative Drugs. If a Member is prescribed and dispensed Experimental Drugs or Investigative Drugs, the Member shall be responsible for the cost of the Drugs. A Member or the Member's Physician may contact the Health Benefit Plan to determine whether a Drug is considered an Experimental Drug or Investigative Drug. The term "Experimental Drug or Investigative Drug" is defined in the ***Important Definitions*** section of this Benefit Booklet.

Important Notice: Regarding Treatment Which Is Not Medically Necessary

The Health Benefit Plan only covers Drugs which it determines Medically Necessary. A Member Pharmacy accepts our decision and will not bill the Member for Drugs which the Health Benefit Plan determines are not Medically Necessary without the Member's consent. A Non-Member Pharmacy, however, is not obligated to accept the Health Benefit Plan's determination and the Member may not be reimbursed for Drugs which the Health Benefit Plan determines are not Medically Necessary. The Member is responsible for these charges when Drugs are dispensed by a Non-Member Pharmacy. The Member can avoid these charges simply by choosing a Member Pharmacy for their care.

The terms "Medically Necessary", "Member Pharmacy", and "Non-Member Pharmacy" are defined in the ***Important Definitions*** section of this Benefit Booklet.

Important Notice: Regarding Drugs Used For Cosmetic Purposes

The Health Benefit Plan does not cover Drugs which it determines are prescribed for cosmetic purposes because they are not necessitated as part of the Medically Necessary treatment of an illness, injury or congenital birth defect. However, the Health Benefit Plan acknowledges that situations exist when a Member and the Member's Physician decide to pursue a course utilizing Drugs used for Cosmetic Purposes. In such cases, the Member is responsible for the cost of the Drugs. A Member or the Member's Physician may contact the Health Benefit Plan to determine whether a Drug is considered prescribed for cosmetic purposes.

The term "Drugs used for Cosmetic Purposes" is defined in the **Important Definitions** section of this Benefit Booklet.

Regarding Non-Discrimination Rights:

The Member has the right to receive health care services without discrimination:

- Based on race, ethnicity, age, mental or physical disability, genetic information, color, religion, gender, national origin, source of payment, sexual orientation, or sex, including stereotypes and gender identity;
- For Medically Necessary health services made available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender;
- Based on an individual's sex assigned at birth, gender identity, or recorded gender, if it is different from the one to which such health service is ordinarily available;
- Related to gender transition if such denial or limitation results in discriminating against a transgender individual.

Discretionary Authority

The Health Benefit Plan or Plan Administrator, as applicable, retains discretionary authority to interpret the benefit plan and the facts presented to make benefit determinations. Benefits under this Program will be provided only if the Health Benefit Plan or Plan Administrator, as applicable, determines in its discretion that the Member is entitled to them.

SECTION 2.

PREScription DRUG BENEFITS

Subject to the Exclusions, conditions and limitations of the Program, a Member is entitled to benefits for Prescription Drugs as described in this Benefit Booklets **Prescription Drug Benefits** section subject to any Copayment, Coinsurance or Deductible, and in the amounts as specified below. For services which are not provided by a Member Pharmacy, the Member may pay a higher Copayment, Coinsurance level and/or Deductible as described below.

Prescription Drugs Ordered From A Member Pharmacy

Benefits will be provided for covered Prescription Drugs prescribed by a Physician and dispensed by a Member Pharmacy in accordance with the Prescription Drug Order presented by the Member or the Member's Health Care Practitioner. Benefits are available for up to a 30 day supply, or the appropriate therapeutic limit, whichever is less.

Benefits are also available for diabetic supplies such as blood testing strips, insulin syringes and lancets. A Member Pharmacy will furnish requested Prescription Drugs in accordance with the terms and conditions of the Group Contract and will not collect from or charge a Member any amount in excess of the applicable Copayment and Coinsurance, and/or Deductible.

The Health Benefit Plan will only provide benefits for covered specialty Drugs through the Pharmacy Benefits Manager's (PBM's) Specialty Pharmacy Program for the appropriate cost sharing indicated in the "Copayments And Coinsurance" subsection of the **Prescription Drug Benefits** section for Member Pharmacies. Benefits are available for up to a 30 day supply*. No benefits shall be provided for Prescription Drugs obtained from a Specialty Pharmacy Program other than the PBM's Specialty Pharmacy Program. The responsibility to initiate the Specialty Pharmacy process is the Members'.

- * Select specialty Drugs will be subject to 'split fill' whereby the initial prescription will be dispensed in two separate amounts. The first amount is dispensed without delay. The second amount may be dispensed subsequently, allowing time for any necessary clinical intervention due to medication side effects that may require dose modification or therapy discontinuation. The Member's cost share is prorated for each amount of the split fill.

Prescription Drugs Ordered From A Non-Member Pharmacy

Benefits will be provided for covered Prescription Drugs prescribed by a Physician and dispensed to a Member for Prescription Drugs purchased by a Member from a Non-Member Pharmacy if:

- Prescription Drugs were dispensed subject to a Prescription Drug Order;
- The Member submits to the Health Benefit Plan a completed claim form and proper proof of payment; and
- The Prescription Drug is not excluded under the Group Contract.

The Health Benefit Plan shall reimburse the Member's Allowable Charges less any applicable Deductible, Copayment and Coinsurance for up to a 30 day supply of the purchased Prescription Drug, or the appropriate therapeutic limit, whichever is less.

Prescription Drugs Ordered From A Member Mail Order Pharmacy

Benefits shall be provided for covered Prescription Drugs for chronic conditions ordered by mail by a Member or the Member's prescribing Health Care Practitioner and submits to a Member Mail Order Pharmacy a written Prescription Drug Order specifying the amount of the Prescription Drug to be supplied. Benefits shall be available for up to a 90 day supply of a Covered Drug, or the appropriate therapeutic limit, whichever is less, subject to the amount specified in the Prescription Drug Order and applicable law. In addition, benefits shall also be provided for covered Prescription Drugs prescribed by a Physician for a chronic condition and dispensed by a participating Act 207 retail Pharmacy. The cost sharing indicated in the "Copayments and Coinsurance" subsection for Member Mail Order Pharmacies will apply. Benefits are available for up to a 90-day supply. To verify that a retail Pharmacy is a participating Act 207 Pharmacy, access www.ibx.com.

Prescription Drugs Ordered From A Non-Member Mail Order Pharmacy

No benefits shall be provided for Prescription Drugs obtained by mail from a Non-Member Mail Order Pharmacy.

Refills Of Prescription Drug Orders

If the applicable Prescription Drug Order and law allow, benefits shall be provided for refills of Prescription Drugs obtained from a Member Pharmacy, a Non-Member Pharmacy, or a Member Mail Order Pharmacy according to the terms and conditions set out above. No benefits shall be provided for refills of Prescription Drugs obtained by mail from a Non-Member Mail Order Pharmacy.

Ordering And Delivery Costs

Except for benefits described herein for Prescription Drugs obtained from a Member Mail Order Pharmacy, benefits shall not be provided for costs associated with ordering and/or delivery of drugs from pharmacies. Such costs include, but are not limited to, transportation, telephone, mail, courier or parcel service costs.

Copayments And Coinsurance

Benefits for Prescription Drugs are subject to payment by a Member of the following amounts to the dispensing Pharmacy:

- Member Pharmacies:
 - \$20 per Prescription Drug Order or refill for a Generic Prescription Drug.
 - \$50 per Prescription Drug Order or refill for a Preferred Brand Prescription Drug and diabetic supplies, except for glucometers and lancets.
 - \$100 per Prescription Drug Order or refill for a Non-Preferred Drug Prescription Drug.
- Non-Member Pharmacies:

70% of Allowable Charges per Prescription Drug Order or refill for Covered Prescription Drugs and diabetic supplies.
- Member Mail Order Pharmacies:
 - \$20 per Prescription Drug Order or refill for up to a 30 day supply of a Generic Prescription Drug.
 - \$40 per Prescription Drug Order or refill for a 31-90 day supply of a Generic Prescription Drug.
 - \$50 per Prescription Drug Order or refill for up to a 30 day supply of a Preferred Brand Prescription Drug and diabetic supplies, except for glucometers and lancets.

- \$100 per Prescription Drug Order or refill for a 31-90 day supply of a Preferred Brand Prescription Drug and diabetic supplies, except for glucometers and lancets.
- \$100 per Prescription Drug Order or refill for up to a 30 day supply of a Non-Preferred Drug Prescription Drug.
- \$200 per Prescription Drug Order or refill for a 31-90 day supply of a Non-Preferred Drug Prescription Drug.

Out-of-pocket expenses incurred by a Member for Prescription Drug benefits will be included in the calculation of the Member's overall medical plan out-of-pocket limit.

The dollar amount paid by a drug manufacturer will not accumulate toward any applicable Deductible or Out-of-Pocket Limit.

Administrative Procedures

Members shall comply with administrative procedures established and furnished to Members by the Health Benefit Plan and Plan Administrator to obtain the benefits described in the coverage. Such procedures shall include, but are not limited to, using forms supplied by a Member Mail Order Pharmacy to order Covered Drugs from Member Mail Order Pharmacy, and submitting to the Member Mail Order Pharmacy a brief history of Member's Prescription Drug usage.

Information about criteria and how cost-share will be determined for tier and formulary exceptions can be found in the Formulary Exception Policy. Tier exceptions can only be requested for coverage of Non-Preferred Drugs at the preferred drug tier for brand drugs or at the generic tier for generic products. The policy is available at www.ibx.com/formularyexceptionspolicy. The Member may request a hardcopy of the policy or obtain information about how to request an exception by calling Customer Service at the phone number on the Identification Card.

SECTION 3.

PRESCRIPTION DRUG EXCLUSIONS

Except as specifically provided in this Benefit Booklet, no benefits shall be provided for the following:

- Drugs dispensed without a Prescription Drug Order except insulin and diabetic supplies, such as diabetic blood testing strips, lancets and glucometers;
- Prescription Drugs for which there is an equivalent that does not require a Prescription Drug Order (That is, over-the-counter medicines), whether or not prescribed by a physician. This exclusion does not apply to insulin;

- Drugs which have been paid under the Health Benefit Plan's Comprehensive Major Medical or Personal Choice Contract, covering this same Employer Group;
- Pharmacological therapy for weight reduction or diet agents;
- Dietary Supplements, amino acid supplements, health foods, and prescription vitamins except for pre-natal and pediatric vitamins;
- Smoking deterrent agents. This exclusion does not apply to prescribed smoking deterrent agents.
- Injectables used for the treatment of infertility when they are prescribed solely to enhance or facilitate conception;
- The administration or injection of Drugs;
- Blood and blood products;
- Intravenous drugs and intravenous solutions administered by home infusion companies;
- Drugs for a use not approved by the U.S. Food and Drug Administration;
- Drugs not approved by the Health Benefit Plan or prescribed drug amounts exceeding the eligible dosage limits established by the Health Benefit Plan.

SECTION 4.

ELIGIBILITY UNDER THE PROGRAM

Effective Date: The date the Group agrees that all Eligible Persons may apply and become covered for the benefits as set forth in the Program and described in this Benefit Booklet.

Eligible Person

The Member is eligible to be covered under this Prescription Drug Program if the Member is determined by the Group as eligible to apply for coverage and sign the Application. Eligibility shall not be affected by the Member's physical condition and determination of eligibility for the coverage by the Employer shall be final and binding.

Eligible Dependent

The Member's family is eligible for coverage (Dependent coverage) when the Member is eligible for Employee coverage. An Eligible Dependent is defined as the Member's spouse under a legally valid existing marriage, the Member's children whom the Member continuously financially support or whose coverage is the Member's responsibility under the terms of a qualified medical child support order (including stepchildren, children legally placed for adoption and the Member or the Member's spouse's legally adopted children). The limiting age for covered children is to the end of the month in which they reach age 26.

In addition, a full-time student will be considered eligible for coverage when they are on a Medically Necessary leave of absence from an Accredited Educational Institution. The Dependent child will be eligible for coverage until the earlier of one year from the first day of the leave of absence or the date on which the coverage otherwise would terminate. The limiting age referenced above will be applicable regardless of the status of the Medically Necessary leave of absence.

A full-time student who is eligible for coverage under the coverage who is:

- A member of the Pennsylvania National Guard or any reserve component of the U.S. armed forces and who is called or ordered to active duty, other than active duty for training for a period of 30 or more consecutive days; or
- A member of the Pennsylvania National Guard who is ordered to active state duty, including duty under Pa. C.S. Ch. 76 (relates to Emergency Management Assistance Compact), for a period of 30 or more consecutive days.

Eligibility for these Dependents will be extended for a period equal to the duration of the Dependent's service on duty or active state duty or until the individual is no longer a full-time student regardless of the age of the Dependent when the educational program at the Accredited Educational Institution was interrupted due to military duty.

As proof of eligibility, the Employee must submit a form to the Health Benefit Plan approved by the Department of Military & Veterans Affairs (DMVA):

- Notifying the Health Benefit Plan that the Dependent has been placed on active duty;
- Notifying the Health Benefit Plan that the Dependent is no longer on active duty;

- Showing that the Dependent has re-enrolled as a full-time student in an Accredited Educational Institution for the first term or semester starting 60 or more days after their release from active duty.

Eligibility will be continued past the limiting age for unmarried children, regardless of age, who are incapable of self-support because of mental or physical incapacitation and who are dependent on the Member for over half of their support. The Health Benefit Plan may require proof of the Member's eligibility under the prior Health Benefit Plan's plan and also from time to time under this Prescription Drug Program.

The newborn child(ren) of any Member shall be entitled to the benefits provided by the Health Benefit Plan from the date of birth for a period of 31 days. Coverage of newborn children within such 31 days shall include care which is necessary for the treatment of medically diagnosed congenital defects, birth abnormalities, prematurity and routine nursery care. To be eligible for Dependent coverage beyond the 31 day period, the Member must enroll the newborn child within such 31 days. To continue coverage beyond 31 days for a newborn child, who does not otherwise qualify for coverage as a Dependent, the Member must apply within 31 days after the birth of the newborn and the appropriate rate must be paid when billed.

A newly acquired Dependent shall be eligible for coverage under this coverage on the date the Dependent is acquired provided that the Member applies to the Health Benefit Plan for addition of the Dependent within 31 days after the Dependent is acquired and the Member makes timely payment of the appropriate rate. If Application is made later than 31 days after the Dependent is acquired, coverage shall become effective on the first billing date following 30 days after the Member's Application is accepted by the Health Benefit Plan.

A Dependent child of a custodial parent covered under this coverage may be enrolled under the terms of a qualified release or court order, as required by law.

No Dependent may be eligible for coverage as a Dependent of more than one Employee of the Enrolled Group. No individual may be eligible for coverage hereunder as an Employee and as a Dependent of an Employee at the same time.

SECTION 5.

GENERAL INFORMATION

Benefits To Which You Are Entitled

The liability of the Health Benefit Plan is limited to the benefits specified in this Benefit Booklet and as set forth in the Group Program document. No person other than a Member is entitled to receive benefits as provided under this Program. Benefits for Covered Services specified under the Program will be provided only for services and supplies that are rendered by a provider specified in the *Important Definitions* section of this Benefit Booklet.

Termination Of Coverage At Termination Of Employment Or Membership In The Group

When a Member ceases to be an Eligible Employee or Eligible Dependent, or the required contribution is not paid, the Member's coverage will terminate at the end of the last month for which payment was made. However, if benefits under this Program are provided by and/or approved by the Health Benefit Plan before the Health Benefit Plan receives notice of the Member's termination under this Program, the cost of such benefits will be the sole responsibility of the Member. In that circumstance, the Health Benefit Plan will consider the effective date of termination of a Member under this Program to be not more than 30 days before the first day of the month in which the Group notified the Health Benefit Plan of such termination.

When The Employee Terminates Employment - Continuation Of Coverage Provisions Consolidated Omnibus Budget Reconciliation Act Of 1985, As Amended (COBRA)

The Employee should contact their Employer for more information about COBRA and the events that may allow the Employee or the Employee's eligible Dependents to temporarily extend health care coverage.

When The Employee Terminates Employment - Continuation Of Coverage Provisions Pennsylvania Act 62 Of 2009 (Mini-COBRA)

This subsection, and the requirements of Mini-COBRA continuation, applies to groups consisting of two to 19 Employees.

For purposes of this subsection, a "qualified beneficiary" means any person who, before any event which would qualify that person for continuation under this subsection, has been covered continuously for benefits under this Program or for similar benefits under any group policy which it replaced, during the entire three-month period ending with such termination as:

- A covered Employee;
- The Employee's spouse; or
- The Employee's Dependent child.

In addition, any child born to or placed for adoption with the Employee during Mini-COBRA continuation will be a qualified beneficiary.

Any person who becomes covered under this Program during Mini-COBRA continuation, other than a child born to or placed for adoption with the Employee during Mini-COBRA continuation, will not be a qualified beneficiary.

- If An Employee Terminates Employment or Has a Reduction of Work Hours: If the Employee's group benefits end due to the Employee's termination of employment or reduction of work hours, the Employee may be eligible to continue such benefits for up to nine months, if:
 - The Employee's termination of employment was not due to gross misconduct;
 - The Employee is not eligible for coverage under Medicare;
 - The Employee verifies that the Employee is not eligible for group health benefits as an eligible dependent; and
 - The Employee is not eligible for group health benefits with any other carrier.

The continuation will cover the Employee and any other qualified beneficiary who loses coverage because of the Employee's termination of employment (for reasons other than gross misconduct) or reduction of work hours, subject to the "When Continuation Ends" paragraph of this subsection.

- The Employer's Responsibilities: The Employee's employer must notify the Employee, the plan administrator, and the Health Benefit Plan, in writing, of:
 - The Employee's termination of employment (for reasons other than gross misconduct) or reduction of work hours;
 - The Employee's death;
 - The Employee's divorce or legal separation from an eligible dependent;
 - The Employee becomes eligible for benefits under Social Security;
 - The Employee's dependent child ceases to be a dependent child pursuant to the terms of the group health benefits Benefit Booklet;
 - Commencement of Employer's bankruptcy proceedings.

The notice must be given to the Employee, the plan administrator and the Health Benefit Plan no later than 30 days of any of these events.

- The Qualified Beneficiary's Responsibilities: A person eligible for continuation under this subsection must notify, in writing, the administrator or its designee of their election of continuation coverage within 30 days of receipt of the Notice from the Employer.

Continuation coverage shall be effective as of the date of the event.

Upon receipt of the Employee's, or the Employee's eligible dependent's election of continuation coverage, the administrator, or its designee, shall notify the Health Benefit Plan of the election within 14 days.

- If an Employee Dies: If the covered Employee dies, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- If an Employee's Marriage Ends: If the Employee's marriage ends due to legal divorce or legal separation, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.

- If a Dependent Loses Eligibility: If the Employee's Dependent child's group health benefits end due to the Dependent's loss of dependent eligibility as defined in this Benefit Booklet, other than the Employee's coverage ending, the Dependent may elect to continue such benefits. However, such Dependent child must be a qualified beneficiary. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- Election of Continuation: To continue the qualified beneficiary's group health benefits, the qualified beneficiary must give the plan administrator written notice that the qualified beneficiary elects to continue benefits under the Program. This must be done within 30 days of the date a qualified beneficiary receives notice of the qualified beneficiary's continuation rights from the plan administrator as described above or 30 days of the date the qualified beneficiary's group health benefits end, if later. The Employer must notify the Health Benefit Plan of the qualified beneficiary's election of continuation within 14 days of the election of continuation. Furthermore, the qualified beneficiary must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the plan administrator by the qualified beneficiary, in advance, at the time and in the manner set forth by the plan administrator. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified beneficiary stayed insured under this benefit plan on a regular basis. It includes any amount that would have been paid by the employer. An additional administrative charge of up to 5% of the total premium charge may also be required by the Health Benefit Plan.

- Grace in Payment of Premiums: A qualified beneficiary's premium payment is timely if, with respect to the first payment after the qualified beneficiary elects to continue, such payment is made no later than 45 days after such election. In all other cases, the premium payment is timely if it is made within 31 days of the specified date.
- When Continuation Ends: A qualified beneficiary's continued group health benefits under this Program ends on the first to occur of the following:
 - With respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - With respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation, or the end of the Employee's covered Dependent's eligibility, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - With respect to the Employee's Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the nine month period which starts on the date the group health benefits would otherwise end;
 - The date coverage under this Program ends;
 - The end of the period for which the last premium payment is made;

- The date the qualified beneficiary becomes covered under any other group health plan (as an employee or otherwise) which contains no limitation or exclusion with respect to any pre-existing condition of the qualified beneficiary other than a pre-existing condition exclusion or limitation which the qualified beneficiary satisfies under the Health Insurance Portability and Accountability Act of 1996, as first constituted or later amended;
- The date the Employee and/or eligible dependent become eligible for Medicare.

THE HEALTH BENEFIT PLAN'S RESPONSIBILITIES RELATIVE TO THE PROVISION OF CONTINUATION COVERAGE UNDER THIS PROGRAM ARE LIMITED TO THOSE SET FORTH IN THIS SUBSECTION OF THIS BENEFIT BOOKLET.

THE HEALTH BENEFIT PLAN IS NOT THE PLAN ADMINISTRATOR UNDER THE PROGRAM OR FOR PURPOSES OF ERISA OR ANY OTHER FEDERAL OR STATE LAW. IN THE ABSENCE OF THE DESIGNATION OF ANOTHER PARTY AS PLAN ADMINISTRATOR, THE PLAN ADMINISTRATOR SHALL BE THE EMPLOYER.

Continuation Of Incapacitated Child

If an unmarried child is incapable of self-support because of mental or physical incapacity and is dependent on the Member for over half of their support, the Member may apply to the Health Benefit Plan to continue coverage of such child under this Program upon such terms and conditions as the Health Benefit Plan may determine. Coverage of such Dependent child shall terminate upon the child's marriage. Continuation of benefits under this provision will only apply if the child was eligible as a Dependent and mental or physical incapacity commenced prior to age 26.

The disability must be certified by the attending Physician; furthermore, the disability is subject to annual medical review. In a case where a handicapped child is over the limiting age and joining the Health Benefit Plan for the first time, the handicapped child must have been covered under the prior Health Benefit Plan and submit proof from the prior Health Benefit Plan that the child was covered as a handicapped person.

When The Member Files A Claim

When the Member needs to file a claim, the Member should fill out the claim form and return it with the Member's itemized bills to QCC Insurance Company no later than 20 days after the Member's Prescription Drugs are provided to the Member. The claim should include the date and information required by the Health Benefit Plan to determine benefits. An expense will be considered Incurred on the date the Prescription Drugs are rendered.

If it was not possible to file the claim within the 20-day period, the Member's benefits will not be reduced, but in no event will the Health Benefit Plan be required to accept the claim more than two years after the end of the Benefit Period in which the Prescription Drugs were rendered.

Release Of Information

Each Member agrees that any person or entity having information relating to an illness or injury, for which benefits are claimed under this Program, may furnish to the Health Benefit Plan any information (including copies of records relating to the illness or injury).

In addition, the Health Benefit Plan may furnish similar information to other entities providing similar benefits at their request.

The Health Benefit Plan shall provide to the Contractholder at the Contractholder's request certain information regarding claims and charges submitted to the Health Benefit Plan in a mutually acceptable format. The parties understand that any information provided to the Contractholder will be adjusted by the Health Benefit Plan to prevent the disclosure of the identity of any Member or other patient treated by said providers. The Contractholder shall reimburse the Health Benefit Plan for the actual costs of preparing and providing said information.

The Health Benefit Plan may also furnish membership and/or coverage information to affiliated Health Benefit Plans or other entities for the purpose of claims processing or facilitating patient care.

Limitation Of Actions

No legal action may be taken to recover benefits prior to 60 days after notice of claim has been given as specified above, and no such action may be taken later than three years after the date Covered Drugs are dispensed.

Claim Forms

The Health Benefit Plan will furnish to the Member making the claim, or to the Contractholder, for delivery to such Member, such forms as are required for filing proof of loss.

Member/Provider Relationship

- The choice of a Provider is solely the Member's.
- The Health Benefit Plan does not furnish Covered Drugs but only makes payment for Covered Drugs received by Members. The Health Benefit Plan is not liable for any act or omission of any Provider. The Health Benefit Plan has no responsibility for a Provider's failure or refusal to render Covered Drugs to a Member.

Agency Relationships

The Contractholder is the agent of the Member, not the Health Benefit Plan.

Identification Cards And Benefit Booklets/Certificates

The Health Benefit Plan will provide Identification Cards to Members or to the Contractholder, depending on the direction of the Group. The Health Benefit Plan will also provide to each Member of an Enrolled Group a Benefit Booklet describing the benefits provided under the Group Program Document.

Applicable Law

The Group Program Document is entered into, interpreted in accordance with, and is subject to the laws of the Commonwealth of Pennsylvania.

Member Rights

A Member shall have no rights or privileges as to the benefits provided under this Program except as specifically provided herein.

Assignment

The Group Program Document and the benefits hereunder are not assignable by the Contractholder or any Member in whole or in part to any person, Pharmacy or other entity, except where required by law in the case of a custodial parent of a Dependent covered under the Group Program Document.

Notice

Any notice required under the Group Program Document must be in writing. Notice given to a Member will be given to the Member in care of the Contractholder, or sent to the Member's last address furnished to the Health Benefit Plan by the Contractholder. The Contractholder, the Health Benefit Plan, or a Member may, by written notice, indicate a new address for giving notice.

Subrogation and Reimbursement Rights

By accepting benefits for Allowable Charges, the Member agrees that the Health Benefit Plan has the right to enforce subrogation and reimbursement rights. This section explains these rights and the responsibilities of each Member pertaining to subrogation and reimbursement. The term Member includes Eligible Dependents. The term Responsible Third Party refers to any person or entity, including any insurance company, health benefits plan or other third party, that has an obligation (whether by contract, common law or otherwise) to pay damages, pay compensation, provide benefits or make any type of payment to the Member for an injury or illness.

The Health Benefit Plan or the Plan Administrator, as applicable, retains full discretionary authority to interpret and apply these subrogation and reimbursement rights based on the facts presented.

- **Subrogation Rights**
Subrogation rights arise when the Health Benefit Plan pays benefits on behalf of a Member and the Member has a right to receive damages, compensation, benefits or payments of any kind (whether by a court judgment, settlement or otherwise) from a Responsible Third Party. The Health Benefit Plan is subrogated to the Member's right to recover from the Responsible Third Party. This means that the Health Benefit Plan "stands in your shoes" - and assumes the Member's right to pursue and receive the damages, compensation, benefits or payments from the Responsible Third Party to the full extent that the Health Benefit Plan has reimbursed the Member for medical expenses or paid medical expenses on the Member's behalf, plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights. The right to pursue a subrogation claim is not contingent upon whether or not the Member pursues the Responsible Third Party for any recovery.
- **Reimbursement Rights**
If a Member obtains any recovery - regardless of how it's described or structured - from a Responsible Third Party, the Member must fully reimburse the Health Benefit Plan for all medical expenses that were paid to the Member or on the Member's behalf, plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights. The Health Benefit Plan has a right to full reimbursement.

- Lien
 By accepting benefits for Allowable Charges from the Health Benefit Plan, the Member agrees to a first priority equitable lien by agreement on any payment, reimbursement, settlement or judgment received by the Member, or anyone acting on the Member's behalf, from any Responsible Third Party. As a result, the Member must repay to the Health Benefit Plan the full amount of the medical expenses that were paid to the Member or on the Member's behalf out of the amounts recovered from the Responsible Third Party (plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights) first, before funds are allotted toward any other form of damages, whether or not there is an admission of fault or liability by the Responsible Third Party. The Health Benefit Plan has a lien on any amounts recovered by the Member from a Responsible Third Party, regardless of whether or not the amount is designated as payment for medical expenses. This lien will remain in effect until the Health Benefit Plan is reimbursed in full.

- Constructive Trust
 If the Member (or anyone acting on the Member's behalf) receive damages, compensation, benefits or payments of any type from a Responsible Third Party (whether by a court judgment, settlement or otherwise), the Member agrees to maintain the funds in a separate, identifiable account and that the Health Benefit Plan has a lien on the monies. In addition the Member agrees to serve as the trustee over the monies for the benefit of Health Benefit Plan to the full extent that the Health Benefit Plan has reimbursed the Member for medical expenses or paid medical expenses on the member's behalf, plus the attorney's fees and the costs of collection incurred by the Health Benefit Plan.

 - These subrogation and reimbursement rights apply regardless of whether money is received through a court decision, settlement, or any other type of resolution.
 - These subrogation and reimbursement rights apply even if the recovery is designated or described as covering damages other than medical expenses (such as property damage or pain and suffering).
 - These subrogation and reimbursement rights apply with respect to any recoveries made by the Member, including amounts recovered under an uninsured or underinsured motorist policy.
 - The Health Benefit Plan is entitled to recover the full amount of the benefits paid to the Member or on the Member's behalf plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights without regard to whether the Member has been made whole or received full compensation for other damages (including property damage or pain and suffering). The recovery rights of the Health Benefit Plan will not be reduced by the "made whole" doctrine or "double recovery" doctrine.
 - The Health Benefit Plan will not pay, offset any recovery, or in any way be responsible for attorneys' fees or costs associated with pursuing a claim against a Responsible Third Party unless the Health Benefit Plan agrees to do so in writing. The recovery rights of the Health Benefit Plan will not be reduced by the "common fund" doctrine.
 - In addition to any Coordination of Benefits rules described in this Benefit Booklet, the benefits paid by the Health Benefit Plan will be secondary to any no-fault auto insurance benefits and to any worker's compensation benefits (no matter how any settlement or award is characterized) to the fullest extent permitted by law.
 - These subrogation and reimbursement rights apply and will not be decreased, restricted, or eliminated in any way if the Member receives or has the right to recover no-fault insurance benefits. All rights under this section are enforceable against the heirs, estate, legal guardians or legal representatives of the Member.

- The Health Benefit Plan is entitled to recover the full amount of the medical benefits paid without regard to any claim of fault on the Member's part.
- **Obligations of Member**
 - Immediately notify the Health Benefit Plan or its designee in writing if the Member asserts a claim against a Responsible Third Party, whether informally or through judicial or administrative proceedings.
 - Immediately notify the Health Benefit Plan or its designee in writing whenever a Responsible Third Party contacts the Member or the Member's representative - or the Member or the Member's representative contact a Responsible Third Party - to discuss a potential settlement or resolution.
 - Refuse any offer to settle, adjust or resolve a claim for damages, benefits or compensation that involves an injury, illness or medical expenses in any way, unless and until the Member receives written authorization from the Health Benefit Plan or its delegated representative.
 - Fully cooperate with the Health Benefit Plan and its designated representative, as needed, to allow for the enforcement of these subrogation and reimbursement rights and promptly supply information/documentation when requested and promptly execute any and all forms/documents that may be needed.
 - Avoid taking any action that may prejudice or harm the Health Benefit Plan ability to enforce these subrogation and reimbursement rights to the fullest extent possible.
 - Fully reimburse the Health Benefit Plan or its designated representative immediately upon receiving compensation of any kind (whether by court judgment, settlement or otherwise) from a Responsible Third Party.
 - Serve as trustee for any and all monies paid to (or payable to) the Member or for the Member's benefit by any Responsible Third Party to the full extent the Health Benefit Plan paid benefits for an injury or illness.
 - All of these Obligations apply to the heirs, estate, legal guardians or legal representatives of the Member.

Professional Judgment

A Pharmacist shall not be required to fill any Prescription Drug Order which in his professional judgment should not be filled.

Delivery Of Prescription Drugs

The Health Benefit Plan shall not be responsible for delay in the delivery of a Prescription Drug.

Limitations Of Health Benefit Plan Liability

The Health Benefit Plan shall not be liable for injuries or damage resulting from acts or omissions of any Health Benefit Plan officer or Member or of any provider or other person furnishing services or supplies to the Member; nor shall the Health Benefit Plan be liable for injuries or damage resulting from the dissemination of information for the purpose of claims processing or facilitating patient care.

Liability For Prescription Drugs

- The Health Benefit Plan shall not be liable for any claims or demand arising out of, on in connection with, the manufacturing, compounding, dispensing or use of any drug covered under this Program.
- The Health Benefit Plan shall not be liable for any abuse, physical dependency, or overdose which is the result of the Member's misuse or mismanagement of a Prescription Drug.
- If the Health Benefit Plan determines Prescription Drug usage by the Member or the Member's Eligible Dependents appears to exceed usage generally considered appropriate under the circumstances, the Health Benefit Plan shall have the right to direct the Member or the Member's Eligible Dependents to one Pharmacy for all future Prescription Drug Covered Services.
- In certain cases, the Health Benefit Plan may determine that the use of certain Prescription Drugs for a Member's medical condition requires pre-certification for Medical Necessity. The Health Benefit Plan also reserves the right to establish eligible dosage limits of certain Prescription Drugs covered by the Health Benefit Plan.

Payment Of Providers

A Pharmacy Benefits Manager (PBM), which is affiliated with the Health Benefit Plan, administers our Prescription Drug benefits, and is responsible for providing a network of participating pharmacies and processing pharmacy claims. The PBM also negotiates price discounts with pharmaceutical manufacturers and provides drug utilization and quality reviews. Price discounts may include rebates from a drug manufacturer based on the volume purchased. The Health Benefit Plan anticipates that it will pass on a high percentage of the expected rebates it receives from its PBM through reductions in the overall cost of pharmacy benefits. Under most benefit plans, Prescription Drugs are subject to a Member's cost-sharing, including Copayment, Coinsurance and Deductible, as applicable.

Special Circumstances

In the event that Special Circumstances result in a severe impact to the availability of providers and services, or to the procedures required for obtaining benefits for Covered Services under this Program (For Example, obtaining Precertification, use of Participating Providers), or to the administration of this Program by the Health Benefit Plan, the Health Benefit Plan may on a selective basis, waive certain procedural requirements of this Program. Such waiver shall be specific as to the requirements that are waived and shall last for such period as required by the Special Circumstances as defined below.

The Health Benefit Plan shall make a good faith effort to provide access to Covered Services in so far as practical and according to its best judgment. Neither the Health Benefit Plan nor the Health Benefit Plan providers shall incur liability or obligation for delay or failure to provide or arrange for Covered Services if such failure or delay is caused by Special Circumstances.

Special Circumstances, as recognized in the community, and by the Health Benefit Plan and appropriate regulatory authority, are extraordinary circumstances not within the control of the Health Benefit Plan, including but not limited to:

- Major disaster;
- Epidemic;
- Pandemic;
- The complete or partial destruction of facilities;
- Riot; or
- Civil insurrection.

SECTION 6.

RESOLVING PROBLEMS (COMPLAINTS/APPEALS)

Member Complaint Process

The Plan has a process for Members to express informal complaints. To register a complaint (as opposed to an appeal as discussed below), Members should call the Member Services Department at the telephone number on the back of their identification card or write to the Plan at the following address:

General Correspondence
1901 Market Street
Philadelphia, PA 19103

Most Member concerns are resolved informally at this level. However, if the Plan is unable to immediately resolve the Member complaint, it will be investigated, and the Member will receive a response in writing within 30 days.

Member Appeal Process

- Filing an Appeal.

The Plan maintains procedures for the resolution of Member appeals. Internal Appeals may be filed within 180 days of the receipt of a decision from the Plan stating an adverse benefit determination. An Appeal occurs when the Member, after obtaining the Member's authorization, either the provider or another authorized representative requests a change of a previous decision made by the Plan by following the procedures described here. (In order to authorize someone else to be the Member's representative for the Appeal, the Member must complete a valid authorization form. The Member should contact the Plan as directed below to obtain a "Member/Enrollee Authorization to Appeal by Provider or Other Representative" form or for questions regarding the requirements for an authorized representative.)

The Member or other authorized person on behalf of the Member, may request an Appeal by calling or writing to the Plan, as defined in the letter notifying the Member of the decision or as follows:

Member Appeals Department
P.O. Box 41820
Philadelphia, PA 19101-1820

Toll Free Phone: 1-888-671-5276
Toll Free Fax: 1-888-671-5274
Philadelphia Fax: 215-988-6558

The Member or designee is entitled to a full and fair review. Specifically, at all appeal levels the Member or designee may submit additional information pertaining to the case, to the Plan. The Member or designee may specify the remedy or corrective action being sought. At the Member's request, the Plan will provide access to and copies of all relevant documents, records, and other information that are not confidential, proprietary, or privileged. The Plan will automatically provide the Member or designee with any new or additional evidence considered, relied upon, or generated by the plan in connection with the appeal, which is used to formulate the rationale. Such evidence is provided as soon as possible and in advance of the date the adverse notification is issued. This information is provided to the Member or designee at no charge.

The Plan will not terminate or reduce an ongoing course of treatment without providing the Member or designee with advance notice and the opportunity for advanced review.

Individuals with urgent care conditions or who are receiving an on-going course of treatment may proceed with an expedited external review at the same time as the internal expedited appeals process.

If the appeal is upheld, the letter states the reason(s) for the decision. If a benefit provision, internal, rule, guideline, protocol, or other similar criterion is used in making the determination, the Member may request copies of this information at no charge. If the decision is to uphold the denial, there is an explanation of the scientific or clinical judgment for the determination. The letter also indicates the qualifications of the individual who decided the appeal and their understanding of the nature of the appeal. The Member or designee may request in writing, at no charge, the name of the individual who participated in the decision to uphold the denial.

▪ Types of Appeals

Following are the two types of Appeals and the issues they address:

- Medical Necessity Appeal - An Appeal by or on behalf of a Member that focuses on issues of Medical Necessity and requests the Plan to change its decision to deny or limit the provision of a Covered Service. Medical Necessity Appeals include Appeals of adverse benefit determinations based on the exclusions for Experimental/Investigative or cosmetic services. A matched specialist is the decision maker for a Medical Necessity Standard (appeals for non-urgent care) Internal Appeal. A matched specialist is a licensed physician, psychologist or other health care professional in the same or similar specialty that typically manages the care under review. This individual has had no previous involvement with the case and is not a subordinate of anyone involved with a previous adverse determination.
- Administrative Appeal - A dispute or objection by a Member regarding the following: operations or management policies of a health care plan, non-covered services, coverage limitations, participating or non-participating provider status, cost sharing requirements, and rescission of coverage (except for failure to pay premiums or coverage contributions), that has not been resolved by the health care plan. An employee of the Plan is the decision maker for an Administrative Appeal. This individual has had no previous involvement with the case and is not a subordinate of anyone involved with a previous adverse determination.

- Internal Standard Appeals Review:

- Pre-service Appeal - An Appeal for benefits that, under the terms of this Contract, must be pre-certified or pre-approved (either in whole or in part) before medical care is obtained in order for coverage to be available. For a standard Pre-Service appeal, a maximum of 30 days is available for the one level of internal appeal.
- Post-service Appeal - An Appeal for benefits that is not Pre-service Appeal. (Post-service Appeals concerning claims for services that the Member has already obtained do not qualify for review as Expedited/Urgent appeals.) For a standard Post-Service appeal, a maximum of 60 days is available for the one level of internal appeal.

The decision of the Plan is sent to the Member or designee in writing within the timeframe noted above.

- Internal Expedited/Urgent Appeals Review:

- Expedited/Urgent Appeal - An urgent expedited appeal is any appeal for medical care or treatment with respect to which the application of the time periods for making non-urgent determinations could seriously jeopardize the life or health of the Member or the ability of the Member to regain maximum function, or in the opinion of a physician with knowledge of the Member's medical condition, would subject the Member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the appeal.

The appeals review process for an urgent/expedited appeal mirrors the process described above under the section entitled "Types of Appeal".

The expedited review is completed promptly based on the Member's health condition, but no later than 72 hours after receipt of the expedited appeal request by the Plan. Within 72 hours after receipt of the expedited appeal, the Plan notifies the Member or designee by telephone of the determination. The determination is sent in writing within 72 hours after the Member or designee has received the verbal notification.

For urgent care appeals, the Member or designee may also file an expedited external medical necessity appeal at the same time as filing an internal expedited medical necessity appeal.

If not satisfied with the standard or expedited decision from the Plan, the Member or designee has the right to initiate an external appeal as described below.

- External Appeals Process

The external appeals process for both standard and expedited/urgent appeals is coordinated by the Pennsylvania Department of Health (DOH).

- External Standard Appeal Review (Medical Necessity or Administrative adverse benefit determinations):

The Member or designee may request an external appeal review by a Certified External Review Entity (CRE) by calling or writing to the Plan within 180 calendar days of receipt of the internal appeal decision letter. To request an external appeal review by a CRE, the Member may call or write to the Member Appeals Department at the phone number or address listed above.

The Member is not required to pay any of the costs associated with the external review. The Member or designee is sent written confirmation of receipt of the external appeal request from the Plan within five business days of receipt of the request. The Plan contacts the Pennsylvania Department of Health to request assignment of a CRE to review the appeal. Within two business days of the Plan's receipt of the assignment from the Department of Health, the Plan notifies the Member designee of the name, address and telephone number of the external agency assigned to review the appeal. If the Member or designee feels that a conflict of interest exists, they may call or write the contact person listed on the acknowledgement letter from the Plan no later than seven business days from receipt of the acknowledgment letter from the Plan. Within 15 calendar days of receipt of the request, the Plan sends the member or designee a copy of all documents forwarded to the CRE. These documents include copies of all information submitted for the internal appeal process, as well as any additional information that the member, designee, or the Plan may submit. The Member or designee may submit additional information for consideration by the CRE within 15 calendar days of the request for an external appeal.

The Plan does not attempt to interfere with the CRE's proceedings or appeals decisions. The CRE conducts a thorough review in which it considers all previously determined facts, allows the introduction of new information considers and assesses sound medical evidence, and makes a decision that is not bound by the decisions or conclusions of the internal appeal process.

The CRE makes its final decision within 60 calendar days of receipt of the request to the Plan and simultaneously issues its decision in writing to the Member or designee and to the Plan.

– External Expedited/Urgent Appeal Review:

The Member or designee may request an external review by a Certified External Review Entity (CRE) by calling or writing to the Plan within two calendar days of receipt of the internal appeal decision letter.

The CRE makes a decision and simultaneously notifies the Member or designee, and the Plan in writing within two business days of receipt of all relevant documentation. The decision letter identifies the assigned CRE by name and the qualifications of the reviewer.

– CRE Decisions:

For both standard and expedited external appeals, if the decision of the CRE is that the services are eligible under the terms of the Plan, the Plan authorizes the service and/or pays the claims. The Member is notified in writing of the time and procedure for claim payment and/or approval of the service in the event of an overturn of the appeal. The Plan implements the CRE's decision within the time period, if any, specified by the CRE. The decision is binding on the Plan. The external grievance decision may be appealed to a court of competent jurisdiction by the Plan or designee within 60 days of the decision of the external agency.

Changes in Members Appeals Processes. Please note that the Member Appeal processes described here may change at any time due to changes in the applicable state and federal laws and regulations and/or accreditation standards, to improve or facilitate the Appeals processes, or to reflect other decisions regarding the administration of Member Appeal processes for this Contract.

SECTION 7.

IMPORTANT DEFINITIONS

For the purpose of the Program, the terms below have the following meaning:

Accredited Educational Institution

A publicly or privately operated academic institution of higher learning which:

- Provides recognized courses or a course of instruction.
- Confers any of the following, when a student completes the course of study:
 - A diploma;
 - A degree; or
 - Another recognized certification of completion.
- Is duly recognized, and declared as such, by the appropriate authority, as follows:
 - An authority of the state in which such institution must also be accredited by a nationally recognized accrediting association as recognized by the United States Secretary of Education.

The definition may include, but is not limited to Colleges and Universities; and Technical or specialized schools.

Allowable Charges

For services rendered by a Member Pharmacy, the amount that the Health Benefit Plan has negotiated to pay the Member Pharmacy as total reimbursement for Prescription Drugs, and for services rendered by a Non-Member Pharmacy, the lesser of the Non-Member Pharmacy's charges for the Covered Drug, or 150% of Average Wholesale Price for the same Covered Drug.

Applicant and Employee/Member

Applicant and Employee/Member shall mean you, the individual who applies for coverage which the Health Benefit Plan has entered into with the Employer/Group. For Purposes of this Program, Employee and Member are interchangeable terms.

Application and Application Card

The request, either written or via electronic transfer, of the Applicant for benefits under the Program, set forth in a format approved by the Health Benefit Plan, whether such written request was made under a prior Program that has been superseded by this Program, or under this Program.

Authorized Generics

Brand Name Drugs that are marketed without the brand name on its label. An Authorized Generic may be marketed by the Brand Name Drug company, or another company with the brand company's permission. Unlike a standard Generic Drug, the Authorized Generic is not approved by the Food and Drug Administration (FDA) abbreviated new drug application process (ANDA). For cost sharing purposes Authorized Generics are treated as Brand Name Drugs.

Brand Name or Brand Name Drug

A Prescription Drug approved by the U.S. Food and Drug Administration (FDA) through the new drug application (NDA) process and in compliance with applicable state law and regulations.

For purposes of this Program, the term "Brand Name Drug" shall also include Authorized Generics and devices which includes spacers for metered dose inhalers that are used to enhance the effectiveness of inhaled medicines.

Certified External Review Entity (CRE)

An entity qualified by applicable licensure, certification and/or accreditation to act as the independent decision maker for external Medical Necessity and administrative appeals for issues related to an adverse benefit determination. The Pennsylvania Department of Health arranges for the availability of CREs and assigns them to review external medical necessity and administrative appeals. CREs are not corporate affiliates of the Health Benefit Plan.

Chronic Drugs

A Covered Drug recognized by the Health Benefit Plan for the treatment of chronic or long term conditions including, but not limited to, cardiac disease, hypertension, diabetes, lung disease and arthritis. For purposes of the Program, the term "Chronic Drugs" shall also mean the following diabetic supplies that may not require a Prescription Drug Order:

- Insulin syringes;
- Diabetic blood testing strips; and
- Lancets.

Coinsurance

A percentage of Allowable Charges which must be paid by the Member toward the cost for filling or refilling a Prescription Drug Order for Prescription Drugs.

Contract

The Group Policy of Prescription Drug benefits, including the Group Application, riders and/or endorsements, if any, between the Health Benefit Plan and the Contractholder, also referred to as the Group Contract.

Contractholder

Any individual, corporation or other entity who, as the representative of an enrolled group of Employees (Members) and as Agent for the Members is acceptable to the Health Benefit Plan. The Contractholder has agreed to pay the charges payable under the Contract to the Health Benefit Plan and to receive any information from the Health Benefit Plan on behalf of the Applicants.

Copayment

A specified amount which must be paid by the Member toward the cost for filling or refilling a Prescription Drug Order for Prescription Drugs.

Cosmetic Drug or Drugs Used For Cosmetic Purposes

Drugs which are determined by the Health Benefit Plan to be:

- For other than the treatment of illness, injuries, congenital birth defect or restoration of physiological function; or
- For cleansing, beautifying, promoting attractiveness or altering the appearance of any part of the human body.

Covered Drug

Prescription Drugs, including Self-Administered Prescription Drugs, which are:

- Prescribed for a Member by a Health Care Practitioner who is appropriately licensed to prescribe Drugs;
- Prescribed for a use that has been approved by the Federal Food and Drug Administration; and
- Medically Necessary, as determined by the Health Benefit Plan.

Insulin shall be considered a Covered Drug where Medically Necessary.

Deductible

A specified amount of Allowable Charges, usually expressed in dollars, that must be Incurred by a Member before the Health Benefit Plan will assume any liability for all or part of the remaining Allowable Charges.

Dentist

A person who is a Doctor of Dentistry Science (DDS) or a Doctor of Dental Medicine (D.M.D.), licensed and legally entitled to practice dentistry and dispense drugs.

Dependent

- The Applicant's spouse under a legally valid existing marriage.
- The children, (including stepchildren, children legally placed for adoption, and legally adopted children of the Applicant or the Applicant's spouse) who are continuously financially supported by the Applicant, or whose coverage is the responsibility of the Applicant under the terms of a qualified release or court order. The limiting age for covered children is the first of the month following the month in which they reach age 26. The limiting age for covered children is to the end of the month in which they reach age 26.

Drug

A substance which is:

- Recognized in the *Approved Drug Products with Therapeutic Equivalent and Evaluations* (The FDA Orange Book);
- Intended for use in the treatment of disease or injury; and
- Not a device or a component, part or accessory of a device.

Drug Formulary

A list of drugs, or Covered Drugs, usually by their generic names, and indications for their use. A formulary is intended to include a sufficient range of medicines to enable physicians, dentists, and, as appropriate, other practitioners to prescribe all Medically Necessary treatment of a Member's condition.

Effective Date

According to the ***Eligibility Under The Program*** section, the date on which the Member's coverage begins.

Employee/Member

An individual of the Group who meets the eligibility requirements for enrollment, who is so specified for enrollment, and in whose name the Identification Card is issued.

Experimental Drug or Investigative Drug

Any Drug or drug usage device or supply which the Health Benefit Plan, relying on the advice of the general medical community, which includes but is not limited to medical consultants, medical journals and/or governmental regulations, does not accept as standard medical treatment of the condition being treated, or any such Drug or drug usage device or supply requiring federal or other governmental agency approval, which approval has not been granted at the time services were rendered.

Family Coverage

Coverage for the Employee and one or more of the Employee's Dependents.

Generic Drug

Any form of a particular Prescription Drug which is:

- Sold by a manufacturer other than the original patent holder;

The Employee's:

- Spouse;
- Parent;
- Child, stepchild;
- Brother, sister;
- Mother-in-law, father-in-law;
- Sister-in-law, brother-in-law;
- Daughter-in-law, son-in-law.

Incurred

A charge shall be considered Incurred on the date a Member receives the service or supply for which the charge is made.

Medically Necessary (Medical Necessity)

Shall mean:

- Health care services that a Physician, exercising prudent clinical judgment, would provide to a patient for the purpose of:
 - Preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms.
- Health care services that a Physician, exercising prudent clinical judgment, would provide to a patient, that are:

- In accordance with generally accepted standards of medical practice;
 - Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or disease;
 - Not primarily for the convenience of the patient, Physician, or other health care provider; and
 - Not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.
- For these purposes, "generally accepted standards of medical practice" means standards that are based on:
 - Credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, Physician Specialty Society recommendations; and
 - The views of Physicians practicing in relevant clinical areas; and
 - Any other relevant factors.

Member Mail Order Pharmacy

A Pharmacy which has entered into an agreement to provide the Health Benefit Plan's Members with the mail order prescription drug services described in the Program.

Member Pharmacy

A Pharmacy which has entered into an agreement to provide the Health Benefit Plan's Members with the prescription drug services described in the Program other than mail order prescription drug services.

Non-Member Mail Order Pharmacy

Any Pharmacy which has not entered into an agreement to provide the Health Benefit Plan's Members with mail order prescription drug services.

Non-Member Pharmacy

A Pharmacy which has not entered into an agreement to provide any prescription drug services to the Health Benefit Plan's Members.

Non-Preferred Drug

These drugs generally have one or more generic alternatives or preferred brand options within the same drug class.

Pharmacist

A person who is legally licensed to practice the profession of Pharmacology and who regularly practices such profession in a Pharmacy.

Pharmacy

Any establishment which is registered and licensed as a Pharmacy with the appropriate state licensing agency and in which Prescription Drugs are regularly compounded and dispensed by a Pharmacist.

Pharmacy Benefits Manager (PBM)

An entity that has entered into a contract with the Health Benefit Plan to perform prescription drug claims processing and related administrative services, and has agreed to arrange for the provision of pharmacy services to the Health Benefit Plan's Members.

Physician

A person who is a doctor of medicine (M.D.) or a doctor of osteopathy (D.O.), licensed, and legally entitled to practice medicine in all its branches, perform surgery and dispense Drugs.

Preferred Brand

These drugs have been selected for their reported medical effectiveness, safety, and value. These drugs generally do not have generic equivalents.

Prescription Drug

- Any medication which by federal and/or state laws may be dispensed with a Prescription Drug Order; and
- Insulin.

The list of covered Prescription Drugs is subject to change from time to time at the sole discretion of the Health Benefit Plan.

Prescription Drug Order

The request in accordance with applicable laws and regulations for medication issued by a Health Care Practitioner who is licensed to prescribe Drugs.

Self-Administered Prescription Drug

A Prescription Drug that can be administered safely and effectively by either the Member or a caregiver, without medical supervision, regardless of whether initial medical supervision and/or instruction is required. Examples of Self-Administered Prescription Drugs include, but are not limited to:

- Oral Drugs;
- Self-Injectable Drugs;
- Inhaled Drugs; and
- Topical Drugs.

Self-Injectable Prescription Drug (Self-Injectable Drug)

A Prescription Drug that:

- Is introduced into a muscle or under the skin by means of a syringe and needle; and
- Can be administered safely and effectively by either the Member or a caregiver, without medical supervision, regardless of whether initial medical supervision and/or instruction is required.

**INDEPENDENCE BLUE CROSS
NOTICE OF PRIVACY PRACTICES**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT
YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET
ACCESS TO THIS INFORMATION¹**

PLEASE REVIEW IT CAREFULLY.

Independence Blue Cross² values you as a customer, and protection of your privacy is very important to us. In conducting our business, we will create and maintain records that contain protected health information about you and the health care provided to you as a member of our health plans.

Note: “Protected health information” or “PHI” is information about you, including information that can reasonably be used to identify you and that relates to your past, present or future physical or mental health or condition, the provision of health care to you or the payment for that care.

We protect your privacy by:

- limiting who may see your PHI;
- limiting how we may use or disclose your PHI;
- informing you of our legal duties with respect to your PHI;
- explaining our privacy policies; and
- adhering to the policies currently in effect.

This Notice describes our privacy practices, which include how we may use, disclose, collect, handle, and protect our members’ protected health information. We are required by certain federal and state laws to maintain the privacy of your protected health information. We also are required by the federal Health Insurance Portability and Accountability Act (or “HIPAA”) Privacy Rule to give you this Notice about our privacy practices, our legal duties, and your rights concerning your protected health information.

¹ If you are enrolled in a self-insured group benefit program, this Notice is not applicable. If you are enrolled in such a program, you should contact your Group Benefit Manager for information about your group’s privacy practices. If you are enrolled in the Federal Employee Service Benefit Plan, you will receive a separate Notice.

² For purposes of this Notice, “Independence Blue Cross” refers to the following companies: Independence Blue Cross, Keystone Health Plan East, QCC Insurance Company, and Vista Health Plan, Inc. - independent licensees of the Blue Cross and Blue Shield Association.

This revised Notice took effect on July 18, 2017, and will remain in effect until we replace or modify it.

Copies of this Notice

You may request a copy of our Notice at any time. If you want more information about our privacy practices, or have questions or concerns, please contact Member Services by calling the telephone number on the back of your Member Identification Card, or contact us using the contact information at the end of this Notice.

Changes to this Notice

The terms of this Notice apply to all records that are created or retained by us which contain your PHI. We reserve the right to revise or amend the terms of this Notice. A revised or amended Notice will be effective for all of the PHI that we already have about you, as well as for any PHI we may create or receive in the future. We are required by law to comply with whatever Privacy Notice is currently in effect. You will be notified of any material change to our Privacy Notice before the change becomes effective. When necessary, a revised Notice will be mailed to the address that we have on record for the contract holder of your member contract, and will also be posted on our web site at www.ibx.com.

Potential Impact of State Law

The HIPAA Privacy Rule generally does not “preempt” (or take precedence over) state privacy or other applicable laws that provide individuals greater privacy protections. As a result, to the extent state law applies, the privacy laws of a particular state, or other federal laws, rather than the HIPAA Privacy Rule, might impose a privacy standard under which we will be required to operate. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of the protected health information concerning HIV or AIDS, mental health, substance abuse/chemical dependency, genetic testing, reproductive rights, etc.

How We May Use and Disclose Your Protected Health Information (PHI)

In order to administer our health benefit programs effectively, we will collect, use and disclose PHI for certain of our activities, including payment of covered services and health care operations.

The following categories describe the different ways in which we may use and disclose your PHI. Please note that every permitted use or disclosure of your PHI is not listed below. However, the different ways we will, or might, use or disclose your PHI do fall within one of the permitted categories described below.

Treatment: We may disclose information to doctors, pharmacies, hospitals and other health care providers who take care of you to assist in your treatment or the coordination of your care.

Payment: We may use and disclose your PHI for all payment activities including, but not limited to, collecting premiums or to determine or fulfill our responsibility to provide health care coverage under our health plans. This may include coordinating benefits with other health care programs or insurance carriers, such as Medicare or Medicaid. For example, we may use and disclose your PHI to pay claims for services provided to you by doctors or hospitals which are covered by your health plan(s), or to determine if requested services are covered under your health plan. We may also use and disclose your PHI to conduct business with other Independence Blue Cross affiliate companies.

Health Care Operations: We may use and disclose your PHI to conduct and support our business and management activities as a health insurance issuer. For example, we may use and disclose your PHI to determine our premiums for your health plan, to conduct quality assessment and improvement activities, to conduct business planning activities, to conduct fraud detection programs, to conduct or arrange for medical review, or to engage in care coordination of health care services.

We may also use and disclose your PHI to offer you one of our value added programs like smoking cessation or discounted health related services, or to provide you with information about one of our disease management programs or other available Independence Blue Cross health products or health services.

We may also use and disclose your PHI to provide you with reminders to obtain preventive health services, and to inform you of treatment alternatives and/or health related benefits and services that may be of interest to you.

Marketing: Your PHI will not be sold, used or disclosed for marketing purposes without your authorization except where permitted by law. Such exceptions may include: a marketing communication to you that is in the form of (a) a face-to-face communication, or (b) a promotional gift of nominal value.

Release of Information to Plan Sponsors: Plan sponsors are employers or other organizations that sponsor a group health plan. We may disclose PHI to the plan sponsor of your group health plan as follows:

- We may disclose “summary health information” to your plan sponsor to use to obtain premium bids for providing health insurance coverage or to modify, amend or terminate its group health plan. “Summary health information” is information that summarizes claims history, claims expenses, or types of claims experience for the individuals who participate in the plan sponsor’s group health plan;
- We may disclose PHI to your plan sponsor to verify enrollment/disenrollment in your group health plan;
- We may disclose your PHI to the plan sponsor of your group health plan so that the plan sponsor can administer the group health plan; and
- If you are enrolled in a group health plan, your plan sponsor may have met certain requirements of the HIPAA Privacy Rule that will permit us to disclose PHI to the plan sponsor. Sometimes the plan sponsor of a group health plan is the employer. In those circumstances, we may disclose PHI to your employer. You should talk to your employer to find out how this information will be used.

Research: We may use or disclose your PHI for research purposes if certain conditions are met. Before we disclose your PHI for research purposes without your written permission, an Institutional Review Board (a board responsible under federal law for reviewing and approving research involving human subjects) or Privacy Board reviews the research proposal to ensure that the privacy of your PHI is protected, and to approve the research.

Required by Law: We may disclose your PHI when required to do so by applicable law. For example, the law requires us to disclose your PHI:

- When required by the Secretary of the U.S. Department of Health and Human Services to investigate our compliance efforts; and

- To health oversight agencies, to allow them to conduct Health Oversight Activities described below.

Public Health Activities: We may disclose your PHI to public health agencies for public health activities that are permitted or required by law, such as to:

- prevent or control disease, injury or disability;
- maintain vital records, such as births and deaths;
- report child abuse and neglect;
- notify a person about potential exposure to a communicable disease;
- notify a person about a potential risk for spreading or contracting a disease or condition;
- report reactions to drugs or problems with products or devices;
- notify individuals if a product or device they may be using has been recalled; and
- notify appropriate government agency(ies) and authority(ies) about the potential abuse or neglect of an adult patient, including domestic violence.

Health Oversight Activities: We may disclose your PHI to a health oversight agency for activities authorized by law, such as: audits; investigations; inspections; licensure or disciplinary actions; or civil, administrative, or criminal proceedings or actions. Health oversight agencies seeking this information include government agencies that oversee: (i) the health care system; (ii) government benefit programs; (iii) other government regulatory programs; and (iv) compliance with civil rights laws.

Lawsuits and Other Legal Disputes: We may disclose your PHI in response to a court or administrative order, subpoena, discovery request, or other lawful process once we have met all administrative requirements of the HIPAA Privacy Rule.

Law Enforcement: We may disclose your PHI to law enforcement officials under certain conditions. For example, we may disclose PHI:

- to permit identification and location of witnesses, victims, and fugitives;
- in response to a search warrant or court order;
- as necessary to report a crime on our premises;
- to report a death that we believe may be the result of criminal conduct; or
- in an emergency, to report a crime.

Coroners, Medical Examiners, or Funeral Directors: We may release PHI to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or to determine the cause of death. We also may disclose, as authorized by law, information to funeral directors so that they may carry out their duties.

Organ and Tissue Donation: We may use or disclose your PHI to organizations that handle organ and tissue donation and distribution, banking, or transplantation.

To Prevent a Serious Threat to Health or Safety: As permitted by law, we may disclose your PHI if we believe that the disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public.

Military and National Security: We may disclose to military authorities the PHI of Armed Forces personnel under certain circumstances. We may disclose to authorized federal officials PHI required for lawful intelligence, counter-intelligence, and other national security activities.

Inmates: If you are a prison inmate, we may disclose your PHI to the prison or to a law enforcement official for: (1) the prison to provide health care to you; (2) your health and safety, and the health and safety of others; or (3) the safety and security of the prison.

Underwriting: We will not use genetic information about you for underwriting purposes.

Workers' Compensation: As part of your workers' compensation claim, we may have to disclose your PHI to a worker's compensation carrier.

To You: When you ask us to, we will disclose to you your PHI that is in a "designated record set." Generally, a designated record set contains medical, enrollment, claims and billing records we may have about you, as well as other records that we use to make decisions about your health care benefits. You can request the PHI from your designated record set as described in the section below called "Your Privacy Rights Concerning Your Protected Health Information."

To Your Personal Representative: If you tell us to, we will disclose your PHI to someone who is qualified to act as your personal representative according to any relevant state laws. In order for us to disclose your PHI to your personal representative, you must send us a completed Independence Blue Cross Personal Representative Designation Form and documentation that supports the person's qualification according to state law (such as a power of attorney or guardianship). To request the Independence Blue Cross Personal Representative Designation Form, please contact Member Services at the telephone number listed on the back of your Member Identification card, print the form from our web site at www.ibx.com, or write us at the address at the end of this Notice. However, the HIPAA Privacy Rule permits us to choose not to treat that person as your personal representative when we have a reasonable belief that: (i) you have been, or may be, subjected to domestic violence, abuse or neglect by the person; (ii) treating the person as your personal representative could endanger you; or (iii) in our professional judgment, it is not in your best interest to treat the person as your personal representative.

To Family and Friends: Unless you object, we may disclose your PHI to a friend or family member who has been identified as being involved in your health care. We also may disclose your PHI to an entity assisting in a disaster relief effort so that your family can be notified about your condition, status, and location. If you are not present or able to agree to these disclosures of your PHI, then we may, using our professional judgment, determine whether the disclosure is in your best interest.

Parents as Personal Representatives of Minors: In most cases, we may disclose your minor child's PHI to you. However, we may be required to deny a parent's access to a minor's PHI according to applicable state law.

Health Information Exchanges

We share your health information electronically through certain Health Information Exchanges (“HIEs”). A HIE is a secure electronic data sharing network. In accordance with applicable federal and state privacy and security requirements, regional health care providers participate in HIEs to exchange patient information in real-time to help facilitate delivery of health care, avoid duplication of services, and more efficiently coordinate care. As a participant in HIEs, Independence shares your health information we may have received when a claim has been submitted for services you have received among authorized participating providers, such as physicians, hospitals, and health systems for the purpose of treatment, payment and health care operations as permitted by law. During an emergency, patients and their families may forget critical portions of their medical history which may be very important to the treating physician who is trying to make a quick, accurate diagnosis in order to treat the sick patient. Independence, through its participation in an HIE, makes pertinent medical history, including diagnoses, studies, lab results, medications and the treating physicians we may receive on a claim available to participating emergency room physicians while the patient is receiving care. This is invaluable to the physician, expediting the diagnosis and proper treatment of the patient.

Your treating providers who participate with an HIE, and also submit health information with the HIE, will have the ability to access your health information through the HIE and send records to your treating physicians. Through direct requests to the HIE, we will receive various types of protected health information such as pharmacy or laboratory services, or information when you have been discharged from a hospital which may be used to coordinate your care, provide case management services, or otherwise reduce duplicative services and improve the overall quality of care to our members. All providers that participate in HIEs agree to comply with certain privacy and security standards relating to their use and disclosure of the health information available through the HIE.

As an Independence member, you have the right to opt-out which means your health information will not be accessible through the HIE. Through the regional HIE (www.hsxsepa.org/patient-options-opt-out-back) website or the State HIE (www.dhs.pa.gov/citizens/healthinformationexchange/) website consumers or providers can access an online, fax, or mail form permitting patients to remove themselves (opt-out) or reinstate themselves (opt back in) to the HIE. It will take approximately one business day to process an opt-out request. If you choose to opt-out of the HIE, your health care providers will not be able to access your information through the HIE. Even if you opt-out, this will not prevent your health information from being made available and released through other means (i.e. fax, secure email) to authorized individuals, such as network providers for paying claims, coordinating care, or administering your health benefits in accordance with the law and in the normal course of conducting our business as permitted under applicable law. For more information on HIEs, please go to www.hsxsepa.org/consumers-0 or to www.paehealth.org.

Right to Provide an Authorization for Other Uses and Disclosures

- Other uses and disclosures of your PHI that are not described above will be made only with your written authorization.
- You may give us written authorization permitting us to use your PHI or disclose it to anyone for any purpose.
- We will obtain your written authorization for uses and disclosures of your PHI that are not identified by this Notice, or are not otherwise permitted by applicable law.

Any authorization that you provide to us regarding the use and disclosure of your PHI may be revoked by you in writing at any time. After you revoke your authorization, we will no longer use or disclose your PHI for the reasons described in the authorization. Of course, we are unable to take back any disclosures that we have already made with your authorization. We may also be required to disclose PHI as necessary for purposes of payment for services received by you prior to the date when you revoked your authorization.

Your authorization must be in writing and contain certain elements to be considered a valid authorization. For your convenience, you may use our approved Independence Blue Cross Authorization Form. To request the Independence Blue Cross Authorization Form, please contact Member Services at the telephone number listed on the back of your Member Identification card, print the form from our web site at www.ibx.com, or write us at the address at the end of this Notice.

Your Privacy Rights Concerning Your Protected Health Information (PHI)

You have the following rights regarding the PHI that we maintain about you. Requests to exercise your rights as listed below must be in writing. For your convenience, you may use our approved Independence Blue Cross form(s). To request a form, please contact Member Services at the telephone number listed on the back of your Member Identification card or write to us at the address listed at the end of this Notice.

Right to Access Your PHI: You have the right to inspect or get copies of your PHI contained in a designated record set. Generally, a “designated record set” contains medical, enrollment, claims and billing records we may have about you, as well as other records that we may use to make decisions about your health care benefits. However, you may not inspect or copy psychotherapy notes or certain other information that may be contained in a designated record set.

You may request that we provide copies of your PHI in a format other than photocopies such as by electronic means in certain situations. We will use the format you request unless we cannot practicably do so. We may charge a reasonable fee for copies of PHI (based on our costs), for postage, and for a custom summary or explanation of PHI. You will receive notification of any fee(s) to be charged before we release your PHI, and you will have the opportunity to modify your request in order to avoid and/or reduce the fee. In certain situations, we may deny your request for access to your PHI. If we do, we will tell you our reasons in writing, and explain your right to have the denial reviewed.

Right to Amend Your PHI: You have the right to request that we amend your PHI if you believe there is a mistake in your PHI, or that important information is missing. Approved amendments made to your PHI will also be sent to those who need to know, including (where appropriate) Independence Blue Cross's vendors (known as "Business Associates"). We may also deny your request if, for instance, we did not create the information you want amended. If we deny your request to amend your PHI, we will tell you our reasons in writing, and explain your right to file a written statement of disagreement.

Right to an Accounting of Certain Disclosures: You may request, in writing, that we tell you when we or our Business Associates have disclosed your PHI (an "Accounting"). Any accounting of disclosures will **not** include those we made:

- for payment, or health care operations;
- to you or individuals involved in your care;
- with your authorization;
- for national security purposes;
- to correctional institution personnel; or
- before April 14, 2003.

The first accounting in any 12-month period is without charge. We may charge you a reasonable fee (based on our cost) for each subsequent accounting request within a 12-month period. If a subsequent request is received, we will notify you of any fee to be charged, and we will give you an opportunity to withdraw or modify your request in order to avoid or reduce the fee.

Right to Request Restrictions: You have the right to request, in writing, that we place additional restrictions on our use or disclosure of your PHI. We are not required to agree to your request. However, if we do agree, we will be bound by our agreement except when required by law, in emergencies, or when information is necessary to treat you. An approved restriction continues until you revoke it in writing, or until we tell you that we are terminating our agreement to a restriction.

Right to Request Confidential Communications: You have the right to request that we use alternate means or an alternative location to communicate with you in confidence about your PHI. For instance, you may ask that we contact you by mail, rather than by telephone, or at work, rather than at home. Your written request must clearly state that the disclosure of all or part of your PHI at your current address or method of contact we have on record could be an endangerment to you. We will require that you provide a reasonable alternate address or other method of contact for the confidential communications. In assessing reasonableness, we will consider our ability to continue to receive payment and conduct health care operations effectively, and the subscriber's right to payment information. We may exclude certain communications that are commonly provided to all members from confidential communications. Examples of such communications include benefit booklets and newsletters.

Right to a Paper Copy of This Notice: You have the right to receive a paper copy of our Notice of Privacy Practices. You can request a copy at any time, even if you have agreed to receive this Notice electronically. To request a paper copy of this Notice, please contact Member Services at the telephone number on the back of your Member Identification Card.

Right to Notification of a Breach of Your PHI: You have the right to and will be notified following a breach of your unsecured PHI or if a security breach occurs involving your PHI.

Your Right to File a Privacy Complaint

If you believe your privacy rights have been violated, or if you are dissatisfied with Independence Blue Cross's privacy practices or procedures, you may file a complaint with the Independence Blue Cross Privacy Office and with the Secretary of the U.S. Department of Health and Human Services.

You will not be penalized for filing a complaint.

To file a privacy complaint with us, you may contact Member Services at the telephone number on the back of your member ID Card, or you may contact the Privacy Office as follows:
