

2016 tri-co problem solving putnam practice

in problem solving:

learn to approach a research problem
discover and prove your own theorems
see familiar math in unexpected light
discuss and learn from your friends
discover beautiful ideas and twists
solving problems is what math is for
... and it's fun!

colleagues from all tri-co colleges
variety of **fun** math problems
practice for the **2016 putnam exam**
delicious food and good cheers

saturday, november 12

11am-3pm at bryn mawr college
campus center 200
